

agents for non-resident heritors, together with the tenants paying fifty pounds or upwards of yearly rent, and the members of the kirk sessions of every landward parish, or landward part of a parish, and to apply to such meeting for the authority and powers therein mentioned, and for funds to defray the necessary expences thereof, of which the amount should be declared and fixed by the said meeting, and further directing the proceedings to be taken at such meeting, and the course to be pursued by such Boards of Health consequent upon the determinations of such meetings:

And whereas it hath been represented to the Lords of His Majesty's Most Honourable Privy Council, that application for authority and powers to carry into effect the purposes of the Acts above recited, and the measures of precaution in the said Order described, and to provide a certain sufficient sum of money for the discharge of all necessary expences incurred for sanitary purposes, amounting in the whole to a sum exceeding two hundred pounds, hath been made by the Board of Health for the parish of Stewarton to the meeting of heritors, tenants, and kirk sessions, and such meeting of heritors, tenants, and kirk sessions hath declined to give any authority or directions to the said Board of Health, and to provide for the expences of carrying into effect the purposes of the Acts before recited, and of the Order of their Lordships founded thereon:

And whereas it doth appear to the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one), proper and expedient to sanction, by an Order of the Lords of the Privy Council, certain of the expences incurred by the Board of Health for Stewarton, in taking measures for the prevention of the spread of the said disease, and for other sanitary purposes:

It is, therefore, ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one), in pursuance and exercise of the powers vested in them by both the before-recited Acts, and of all other powers enabling them in that behalf, that so much of the Order of the tenth day of March last past, as requires the amount of the sum to be defrayed in discharge of the necessary expences, to be fixed and declared by such meeting of heritors, tenants, and kirk-sessions as aforesaid, be, and it is hereby, revoked and altered, in so far as respects the said parish of Stewarton, and the sum of two hundred

pounds; and the said Board of Health for Stewarton shall and may, and they are hereby authorised and empowered to apply, by their chairman or secretary, to the heritors, or their special mandatories of such parish, to raise the said sum of two hundred pounds, by a special assessment upon the owners and occupants of the lands, houses, and other heritages within the parish, to be levied in the form and manner by such last-recited Act prescribed, and which assessment such heritors are hereby required and enjoined to make, in pursuance and exercise of the power vested in them by such Acts:

And for the discharge and payment of all expences heretofore reasonably and properly incurred by the said Board of Health, not exceeding a moiety of the said sum of two hundred pounds, it shall be lawful for such Board of Health, and it is hereby authorised and empowered, to make application, by its chairman or secretary, to any four of the principal heritors of the parish, to contribute and advance such sum of one hundred pounds on the credit of such assessment:

And the Lords and others of His Majesty's Most Honourable Privy Council (of whom the Lord President of the Council is one) do hereby declare, that for all acts, deeds, matters, and things which may be necessarily, reasonably, and properly done by such Board of Health, and by such heritors, or their special mandatories, and others of His Majesty's subjects, in execution and furtherance of the present Order of the Lords and others in Council, this Order shall be their full and sufficient warrant.
