FRIDAY, NOVEMBER 16, 1832.

AT the Council-Chamber, *Whitehall*, the 15th day of *November* 1832,

By the Lords of His Majesty's Most Honourable Privy Council.

WHEREAS by an Act, passed in the second year of the reign of His present Majesty, intituled "An Act for the prevention, as far as may be possible, of the disease, called the cholera, or spasmodic, or Indian cholera, in England," it is, amongst other things, enacted, that it shall and may be lawful for the Lords and others of His Majesty's Most Honourable Privy Council, or any two or more of them (of whom the Lord President of the Council, or one of His Majesty's Principal Secretaries of State for the time being, shall always be one), by any Order or Orders to be by them from time to time made, to establish, and again, from time to time, by any such Order or Orders, to revoke, renew, alter, or vary all such rules and regulations, or to substitute any such new rules and regulations, as to them may appear necessary or expedient, for the prevention, as far as may be possible, of the spreading of the said disease, called the cholera, or spasmodic, or Indian cholera, in England and Wales, or any part thereof, or for the relief of any persons suffering under, or likely to be affected by, the said disease:

And whereas it is further enacted by the said Act, that all and every the expences which may be reasonably and properly incurred, in carrying into effect any Order of the Lords of His Majesty's Most Ho-

nourable Privy Council, made as aforesaid, shall, under and by virtue of an order in writing of some justice of the peace, dwelling in or near the parish or division (and which said order any such justice is thereby empowered and directed to make), commanding the churchwardens, overseers, or guardians of the poor for the time being, to pay a certain sufficient sum of money for such purpose, be defrayed out of the rates for the relief of the poor of the parish, township, or extra parochial place maintaining its own poor, in which the same shall be incurred, and, in other extra parochial-places, out of the poors' rate of the parish nearest adjoining:

And whereas the said disease hath extended to many parts of Great Britain, and other parts thereof may be affected by the same:

And whereas by two several Orders in Council, bearing date the sixth day of March and the nineteenth day of July last past, and issued by the Lords and others of His Majesty's Privy Council (of whom the Lord President of the Council was one), it was, amongst other things, ordered and directed, that every Board of Health, constituted by an Order of their Lordships, should and might apply to the select or parish vestry of the parish, township, ecclesiastical division, district, or place, for which such Boards of Health are appointed, for authority and powers to carry into effect the purposes of the Act before recited, and the measures of precaution in the said Orders described, and to provide a certain sufficient sum of money

for the discharge of the necessary expences thereof, of which the amount should be declared and fixed by the said vestries:

And whereas it hath been represented to the Lords of the Privy Council, that application for such powers and provisions as aforesaid, together with an estimated statement, accounts, and vouchers of all the necessary expences, and a request for the funds to meet them, amounting in the whole to the sum of twenty pounds, hath been made by the Board of Health for the parish of High Littleton to the vestry meeting of that parish, such vestry having been duly convened; when such vestry declined or avoided to comply with the application of the said Board of Health, and did not give the required authority and directions to such Board, or provide the said sum of twenty pounds, or any part thereof; such grant of money being applied for by the said Board of Health to provide for the expences of carrying into effect the purposes of prevention of the before-recited Act, and the measures of preparation and precaution prescribed in the before-mentioned Orders of their Lordships founded thereon:

It is, therefore, ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one), in pursuance of the powers vested in them by the before-recited Act, that so much of the said Orders in Council, as requires the amount of the sum to be defrayed in discharge of the necessary expences of such precautionary and sanitary measures to be declared and fixed by such vestries as aforesaid, be, and it is hereby, revoked and altered, in so far as respects the said parish of High Littleton, and the sum of twenty pounds:

And that the said Board of Health for High Littleton shall and may, and they are hereby authorised and empowered to make application, by their chairman or secretary, to some justice of the peace living in or near the said parish or division, to make his order, in writing, upon the parish officers, guardians of the poor, or district churchwardens of the said parish, commanding them to pay the said sum of twenty pounds, for the purposes aforesaid, out of the rates levied, or next hereafter to be levied, for the relief of the poor of such parish; which last-mentioned order such justice of the peace is hereby required and enjoined to make, in pursuance and exercise of the powers vested in him by the before-recited Act; and the said parish officers,

guardians of the poor, and district churchwardens are hereby ordered and commanded to pay such sum of money in obedience to the order of such justice, in the manner therein directed, or they will incur the penalties consequent upon disobedience to such before-recited Act, and to the present Order:

And the Lords and others of His Majesty's Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one) do hereby declare, that for all acts, deeds, matters, and things properly done by such Board of Health, justice of the peace, overseers, churchwardens, guardians of the poor, and others His Majesty's subjects, in execution and furtherance of this present Order of the Lords and others in Council, or of any order so to be made by any such justice as aforesaid, this Order shall be their full and sufficient warrant.

C. C. Greville.

AT the Council-Chamber, *Whitehall*, the 10th day of *November* 1832,

By the Lords of His Majesty's Most Honourable Privy Council.

WHEREAS by an Act, passed in the second year of the reign of His present Majesty, intituled "An Act for the prevention, as far as may be possible, of the disease, called the cholera, or spasmodic, or Indian cholera, in Scotland," it is, amongst other things, enacted, that it shall and may be lawful for the Lords and others of His Majesty's Most Honourable Privy Council, or any two or more of them (of whom the Lord President of the Council, or one of His Majesty's Principal Secretaries of State for the time being, shall always be one), by any Order or Orders to be by them from time to time made, to establish, and again, from time to time, by any such Order or Orders, to revoke, renew, alter, or vary all such rules and regulations, or to substitute any such new rules and regulations, as to them may appear necessary or expedient, for the prevention, as far as may be possible, of the spreading of the said disease, called the cholera, or spasmodic, or Indian cholera, in Scotland, or any part thereof, or for the relief of any persons suffering under, or likely to be affected by, the said disease:

And whereas by another Act, passed in the same second year of His present Majesty's reign, intituled "An Act for altering and amending an Act, passed in the present session of Parliament, for the prevention, as far as may be possible, of the disease, called the cholera, or spasmodic, or Indian cholera, in Scotland," it is, amongst other things, enacted, that all and every the expences which may be reasonably and properly incurred in carrying into effect any Order or Orders of His Majesty's Most Honourable Privy Council, so to be made as in the

said before-mentioned Act provided or sanctioned, after they are incurred by any such Order, shall, whenever the occasion of such expence has arisen within any city, burgh, or town, be levied and defrayed by a special assessment to be made from time to time for this purpose, by authority of the magistrates of such city, burgh, or town, in the manner therein prescribed; and where the occasion of expence shall arise in any landward parish (or in the landward part of any parish containing any burgh, or part of a burgh), the same shall be levied by a special assessment, to be from time to time made by the heritors, or their special mandatories, of such parish, or landward part of a parish, upon the owners and occupants of the lands, houses, and other heritages within the said parish, or landward part of a parish, in the manner therein set forth :

And whereas the said disease hath extended to different parts of Great Britain; and the parish of Kippen hath been affected by the same :

And whereas two several Orders in Council were issued by the Lords of the Privy Council, on the tenth day of March and the twenty-third day of July last past, empowering every Board of Health, constituted by virtue of an Order of His Majesty's Privy Council, to apply to the acting chief magistrate of any burgh, or the minister, or any three of the resident heritors, of any parish for which Boards of Health are appointed, to convene a meeting of the burgh magistrates and members of kirk sessions, and resident householders occupying houses rated to the house duty, at twelve pounds or upwards of yearly value, in any burgh, and of the resident heritors, and agents for non-resident heritors, together with the tenants paying fifty pounds of yearly rent, and the members of the kirk sessions for every landward parish, or landward part of a parish, and to apply to such meeting for the authority and powers therein mentioned, and for funds to defray the necessary expences thereof, of which the amount should be declared and fixed by the said meeting, and further directing the proceedings to be taken at such meetings, and the course to be pursued by such Boards of Health consequent upon the determinations of such meetings :

And whereas it hath been represented to the Lords of His Majesty's Most Honourable Privy Council, that application for such powers and provisions as aforesaid, together with an estimate and statement of all the necessary expences for sanitary purposes, and a request for the funds to meet them, amounting in the whole to the sum of forty-two pounds ten shillings and nine pence halfpenny, hath been made by the Board of Health for the parish of Kippen, to the meeting of heritors, tenants, and kirk sessions, and such meeting of heritors, tenants, and kirk sessions hath declined to give any authority or directions to the said Board of Health, and to provide for the expences of carrying into effect the purposes of the Acts before recited, and of the Orders of their Lordships founded thereon :

And whereas it doth appear to the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one), proper and expedient to sanction, by an Order of the Lords of the Privy Council, certain of the ex-

pences incurred by the Kippen Board of Health, in taking measures for the prevention of the spread of the said disease, and for other sanitary purposes :

It is, therefore, ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one), in pursuance and exercise of the powers vested in them by both the before-recited Acts, and of all other powers enabling them in that behalf, that so much of the said Orders in Council, of the tenth day of March and twenty-third day of July last past, as requires the amount of the sum to be defrayed in discharge of the necessary expences, to be fixed and declared by a meeting of heritors, tenants, and kirk sessions for every landward parish, or landward part of a parish, as aforesaid, be, and it is hereby, revoked and altered, in so far as respects the said parish of Kippen, and the sum of forty pounds; and that the said Board of Health for the parish of Kippen shall and may, and they are hereby authorised and empowered to apply, by their chairman or secretary, to the heritors, or their special mandatories, to raise the said sum of forty pounds by a special assessment upon the owners and occupiers of the lands, houses, and other heritages within the parish, to be levied in the mode of the poor rate assessment, or in such other manner and form as is by such last-recited Act prescribed; and which assessments such heritors, or their special mandatories, are hereby required to make, in pursuance and exercise of the powers vested in them by such Act; and with power to apply to a like meeting of heritors, tenants, and kirk sessions, for a further sum of money, not exceeding the amount of thirty pounds, for further incidental expences since incurred, or which shall hereafter be incurred, by the said Board of Health for sanitary purposes; such Board submitting to the said meeting vouchers to shew the expenditure of such further sum of money; and the said meeting fixing the amount of the sum allowed for further incidental expences beyond the sum sanctioned by their Lordships :

And for the discharge and payment of past expences, such Board of Health shall and may, and it is hereby empowered and authorised, by its chairman or secretary, to make application to any two of the principal heritors of the parish, to contribute and advance such sum of forty pounds, on the credit of such assessments as before directed :

And the Lords and others of His Majesty's Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one) do hereby declare, that for all acts, deeds, matters, and things, which may be properly done by the said Board of Health, heritors, or their special mandatories, tenants, kirk sessions, and others of His Majesty's subjects, in execution and furtherance of this present Order of the Lords and others in Council, this Order shall be their full and sufficient warrant.
