*Admiralty, Somerset-Place,
January 3, 1833*

HALF-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the affidavit required from each Officer by His Majesty's Order, in Council, a bill for the amount of the half-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 21st, 22d, and 23d of January, to Admirals, Captains, Commanders and Retired Commanders, and their Attorneys.

On the 24th and 25th of January, to Lieutenants at 7s and 6s. a day, and Chaplains, and their Attorneys.

On the 28th, 29th, and 30th of January, to all other Lieutenants and their Attorneys.

On the 31st of January and 1st of February, to Masters, Surgeons, and Purser, and their Attorneys.

After which the half-pay will be payable on the first and third Wednesday in every month.

Officers residing in or near London, and wishing to receive their half-pay in person, are requested to transmit their affidavits to the Secretary of the Admiralty immediately on the expiration of each quarter; also those employing agents should as promptly furnish their agents with their affidavits, as unless such documents are early delivered into this Office, delay in the payment must unavoidably ensue.

Where Officers are abroad on leave, their agents are to produce their letters of leave, or attested copies thereof, before the half-pay can be paid.

Or (under the authority of the Statutes relating to the pay of the Navy) they may receive it in any of the following ways, viz.

- 1st. By drawing a bill for the amount.
- 2d. By a remittance bill, payable to them at or in the neighbourhood of their residence.
- 3d. By extract, upon which those Officers who reside in the neighbourhood of a Dock-yard, where there is an establishment of Pay Clerks, may be paid.

If they wish to receive it by bill of exchange, they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half pay, Accountant-General," and thereupon the proper form will be sent to them.

If they wish to have it remitted to them, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a bill will thereupon be made out and transmitted to them.

If they reside near a Dock-yard, and desire to receive it there, they are to give notice of such desire to the Superintendent, in order that the necessary measures may be taken for obtaining the requisite extract from the Half-pay List, and the consequent authority for payment.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 20, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.

NOTICE is hereby given, that I, Henry Brackenbury, Rector of the parish of Scremby with Grebby, in the parts of Lindsey, in the county of Lincoln, Clerk, do intend to make application at the first Quarter Sessions of the Peace, to be held at Louth, in and for the said parts of Lindsey, in the said county, in the week after the Feast of Easter, to have three persons named or appointed by the Justices then and there assembled, to be arbitrators or referees for inquiring into and ascertaining, by or from or by means of the London Gazette, or by such other ways or means as they shall think equitable or proper, the average price of a Winchester bushel of good marketable wheat, within the said county of Lincoln, for the twenty-one years then last past; which said three arbitrators or referees, or the major part of them, shall by their report, to be made and delivered to the Court of Quarter Sessions, to be held in and for the said parts of Lindsey, in the first week after the Feast of the Translation of Saint Thomas the Martyr then next ensuing, or some adjournment thereof, set forth such average price of a bushel of such wheat, so that the yearly corn rent or tithe payable to me, the said Henry Brackenbury, and my successors, out of the several allotments, ancient inclosed lands and tenements, in the said parish of Scremby with Grebby, charged therewith, in and by the award of the Commissioners named and appointed in and by, or acting under or by virtue of an Act of Parliament, made and passed in the forty-first year of the reign of His Majesty King George the Third, intituled "An Act for dividing, allotting, and inclosing the open common fields, meadows, pastures, and other commonable lands, and waste grounds within the parish of Scremby, in the county of Lincoln," may be increased or diminished pursuant and in conformity to the directions of the said Act.—Dated this 1st day of January 1833.
