HALF-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the affidavit required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 15th, 16th, and 17th of July, to Admirals, Captains, Commanders and Retired Commanders, and their Attorneys.

On the 18th and 19th of July, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 22d, 23d, 24th, and 25th of July, to all other Lieutenants, and their Attorneys.

On the 26th and 29th of July, to Masters, Surgeons, and Pursers, and their Attorneys.

After which the half-pay will be payable on the first and third Wednesday in every month.

Officers residing in or near London, and wishing to receive their half-pay in person, are re-

quested to transmit their affidavits to the Secretary of the Admiralty immediately on the expiration of each quarter; also those employing agents should as promptly furnish their agents with their affidavits, as unless such documents are early delivered into this Office, delay in the payment must unavoidably ensue.

Or (under the authority of the Statutes relating to the pay of the Navy) they may receive it in any of the following ways, viz.

- 1st. By drawing a bill for the amount, on a form to be transmitted from this Office.
- 2d. By a remittance bill, payable to them at or in the neighbourhood of their residence.
- 3d. By extract or permanent remittance bill, upon which those Officers who reside in the neighbourhood of a Dock-yard, where there is an establishment of Pay Clerks, may be paid.

If they wish to receive it by bill of exchange, they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half-pay, Accountant-General," and thereupon the proper form will be sent to them.

If they wish to have it remitted to them, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a bill

will thereupon be made out and transmitted to them.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 20, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.

according to drawings and specifications which, together with forms of the tenders, may be seen at the said Office.

No tender will be received after one o'clock on the day of treaty, nor any noticed, unless the party attends, or an agent for him duly authorised in writing.

Every tender must be delivered at the above Office, and be accompanied by a letter addressed to the Secretary of the Admiralty, at Somerset-place, and signed by two responsible persons, engaging to become bound with the person tendering, in the sum of £500, for the due performance of each of the contracts.

Slaters' Work—Windsor, Croydon, and Kew.

Persons tendering must reside within five miles of the barrack at which the contract may be required.

BARRACK CANTEENS.

Office of Ordnance, July 1, 1833.

NOTICE is hereby given, that the Canteens in the under-mentioned Barracks are to be let upon the following conditions, for three years, from the 1st October next to the 30th September 1836.

No person but of unexceptionable character, nor any person for more than one Canteen, or who will not undertake, bond fide, to reside in the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and of all sums which may become due in respect of the said Canteen, and for the performance of the several conditions and stipulations of the lease.

The person whose proposal shall be accepted, and his sureties, must execute the indenture of lease and covenants relating thereto, the particulars whereof may be known by applying to this Office, or to the Barrack-Masters at the several Barracks.

The names of two respectable persons, with their Christian names, professions, and places of abode, who will join the tenant in executing the indenture as his sureties, must be inserted in the proposals; and the tenant is to pay half the value for the stamps, and the Ordnance Department does not undertake to procure the tenant a licence.

Sealed proposals addressed to the Secretary of the Board of Ordnance, London, with the words "Tender for Canteen" written on the outside cover, will be received at this Office on or before twelve o'clock at noon of Friday the 2d of August next, after which hour any proposals cannot be noticed.

By the Mutny Act, Canteens are not liable to have troops billeted on them.

All persons making tenders for Canteens are to

take notice, that they will be held to the strict performance of the covenants of their leases and full payment of their rents, without any remission or reduction further than the covenants of the lease itself set forth.

The form of the tender to be as follows:

I hereby offer for the Canteen in the Barracks at _____, for three years from the 1st October next, the rent of _____ pounds per annum, for the house as a dwelling, and the further rent of _____ per month, for every ten non-commissioned officers and private soldiers who may occupy the Barracks during that period, and propose Mr. _____, of _____, and Mr. _____, of _____, as my sureties for the same.

The rents of the Canteens as dwellings are to be proposed at the sums stated opposite to each in the following list, therefore the biddings will be upon what is offered for every ten men occupying the Barracks. This number will be ascertained from the Barrack-Master's monthly returns, which are made up on the 1st day of every month; and no changes in the occupation of the Barrack which may take place in the progress of the month, either for or against the tenant, will be taken into account. No less number than ten will be charged against the tenant, nor will any odd number be calculated; thus if the Barrack should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed; nor will any tenders be noticed, except such as are strictly according to the above form.
