Persons who may make tenders are particularly requested to observe, that the Foot Guards are not in future to be supplied with Meat by the Contractor; and they are desired not to make use of any forms but those recently printed, which may be had upon application at this Office, between the hours of ten and four; and of the Barrack-Masters in the islands of Guernsey, Jersey, and Man.

N. B. The practice of allowing letters, to and from Contractors and their Agents, to pass through this Department free of postage, will be discontinued from 1st October next; but the official correspondence between the Contractors and Regimental Officers will be forwarded as usual.
