THE King has been graciously pleased to approve of M. Pierre August Nicholas Belliard de Vau-bicourt, as Consul at Gibraltar for the King of the French.

Office of Ordnance, 25th November 1833.

Royal Regiment of Artillery.

Lieutenant-Colonel Richard Secker Brough to be Colonel, vice Rey, deceased. Dated 21st November 1833.

Captain and Brevet Major William Dann Nicolls to be Lieutenant-Colonel, vice Brough. Dated 21st November 1833.

Second Captain George Durnford to be Captain, vice Nicolls. Dated 21st November 1833.

First Lieutenant Richard Tomkyns to be Second Captain, vice Durnford. Dated 21st November 1833.

Second Lieutenant Henry Aylmer to be First Lieutenant, vice Tomkyns. Dated 21st November 1833.

Whitehall, November 19, 1833.

The Lord Chancellor has appointed William Williamson, of Derby, Gent. to be a Master Extraordinary in the High Court of Chancery.

WHEREAS by an Act, passed in the forty-eighth year of the reign of His Majesty King George the Third, intituled "An Act for making a navigable cut from the east side of the River Tees, near Stockton, into the said river near Portrach, in the county of Durham, and making

various other improvements in the navigation of the said river between the town of Stockton and the sea," certain duties are made payable to the Tees Navigation Company, on ships or vessels of ten tons measurement and upwards:

And whereas by another Act, passed in the ninth year of the reign of His late Majesty King George the Fourth, intituled "An Act to enable the Tees Navigation Company to make a navigable cut from the east side of the River Tees, near Portrach, in the county of Durham, into the said river near Newport, in the township and parish of Acklam, in the north riding of the county of York," further powers are granted to the said Tees Navigation Company as therein set forth, and power is also given to His Majesty, in and by an Order in Council, or to the Lords of His Majesty's Treasury, or any three or more of them, from time to time, and at all times when and so often as he or they deem fit so to do, in and by his or their Order in writing, to reduce the duties by the said recited Act made payable on all or on such or so many of the foreign ships or vessels, and on all or on such or so many of the goods and merchandises imported or exported in foreign bottoms, as he or they in their judgment shall deem expedient, to the same and like duties as are by the said recited Act, or hereafter shall in pursuance of the powers therein contained, be made payable in respect of British ships or vessels, or the goods and merchandises imported or exported in or by them:

And whereas the public have been charged with the difference of dues payable on foreign and British ships in those cases where, under the provisions of Reciprocity Treaties, such charges are equalized, and it appears that there is no adequate necessity for continuing this charge on the public:

We, being three of the Lords Commissioners of His Majesty's Treasury, in virtue of the powers vested in us by the above-recited Act, passed in the

ninth year of the reign of His late Majesty King George the Fourth, do hereby reduce the duties made payable by the said recited Act of the forty-eighth year of the reign of His Majesty King George the Third, on foreign shipping in the port of Stockton belonging to those countries with whom Reciprocity Treaties have been concluded, or shall hereafter be concluded, to the same and the like duties as are by the said recited Act, or shall have been made payable in pursuance of the powers therein contained, on British ships or vessels in the port of Stockton.

And we do hereby further direct, that the said duties shall be reduced from and after the 1st day of January 1834.

Given under our hands, Whitehall, Treasury-chambers, this 26th day of October 1833,

F. BARING.
R. VERNON SMITH.
GEO. PONSONBY.

Admiralty, November 15, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

THE Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which half-pay will be paid to Officers will be as follows:

- 1st Class.—Pursers.
Masters.
Surgeons.
- 2d Class.—Lieutenants at 5s. and under.
- 3d Class.—Lieutenants at 6s. and 7s.; and
Chaplains.
- 4th Class.—Admirals.
Captains.
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their affidavits should be delivered into the Wages-Office, at the Admiralty-Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their half-pay, without having previously sent in their affidavits as required by the usual advertisement; any delay, or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of half-pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's half-pay is advertised.

By command of their Lordships,

John Barrow.
