Admiralty, November 15, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

THE Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which half-pay will be paid to Officers will be as follows:

1st Class.—Pursers.
Masters.
Surgeons.

2d Class—Lieutenants at 5s. and under.

3d Class—Lieutenants at 6s. and 7s.; and Chaplains.

4th Class—Admirals.
Captains.
Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their affidavits should be delivered into the Wages-Office, at the Admiralty-Office, Somerset-House, or forwarded to the Secretary of the Admiralty, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their half-pay, without having previously sent in their affidavits as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Arrangements are in progress which it is expected will admit of the payment of half-pay always commencing on the tenth day after the end of each quarter, instead of at the uncertain and more distant periods heretofore customary—of which, however, due notice will be given when the next quarter's half-pay is advertised.

By command of their Lordships,

John Barrow.
