	£31,317,000		£33,524,000

Bank of England, 1st January 1834.

Admiralty, Somerset-Place,
January 2, 1834.

HALF-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the affidavit required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 10th and 11th of January, to Masters, Surgeons, and Purser, and their Attorneys.

On the 13th, 14th, and 15th of January, to Lieutenants at 5s. a day and under, and their Attorneys

On the 16th and 17th of January, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 20th, 21st, and 22d of January, to Admirals, Captains, Commanders and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay on the days fixed for their rank, being preferred on the days appointed for the payment of half-pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their affidavit sufficiently early to admit payment on the above-mentioned days, a recall will take place on the 24th and 25th of January.

After which the half-pay will be payable on the first and third Wednesday in every month, excepting during the general payment of half-pay.

Officers residing in or near London, and wishing to receive their half-pay in person, are requested to deliver their affidavits into the Wages-office or the Admiralty, Somerset-place, or transmit them to the Secretary of the Admiralty, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their affidavits, as promptly, for unless such documents are early delivered into this Office, delay in the payment must unavoidably ensue.

It sometimes happens that Officers apply personally for their half-pay, without having previously sent in their affidavits as required by the usual advertisements; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to the pay of the Navy, besides the above-mentioned mode, Officers may receive their half-pay in any of the following ways, viz.

- 1st. By drawing a bill for the amount, on a form to be transmitted from this Office.
- 2d. By a remittance bill, payable to them at or in the neighbourhood of their residence.
