Office of Commissioners of Compensation,
March 31, 1834.

GENERAL RULES under the 47th and 55th
Clauses of the Act, 3d and 4th Will. 4, c. 73.

WHEREAS by an Act, of the 3d and 4th Will. 4, c. 73, intituled "An Act for the abolition of slavery throughout the British colonies; for promoting the industry of the manumitted slaves; and for compensating the persons hitherto entitled to the services of such slaves;" the Commissioners to be appointed thereby for apportioning and distributing the compensation provided by the said Act, are authorised and required by the 47th clause to institute certain enquiries for the purpose of regulating the apportionment within the several colonies of that part of the general compensation fund which shall be assigned to each of the said colonies; and the said Commissioners are especially directed to have regard to the relative value of prædial slaves and of unattached slaves in every such colony, and to distinguish such slaves, whether prædial or unattached, into distinct classes; and, with all practicable precision, to ascertain and fix the average value of a slave in each of the said classes:

And whereas we the undersigned, Commissioners appointed by His Majesty under the authority of the said Act for enquiring into and deciding upon the claims to compensation which may be preferred under the said Act, after making the enquiries thereby directed, have ordered a return of the number of slaves and estimated value thereof in each of the said colonies to be made, according to the classes and in the form hereunto annexed, marked (A):

And whereas the said Commissioners are further required by the said 47th clause, to draw up and frame all such general rules, regard being had to the laws and usages in force in each colony respectively, as to them may seem best adapted for securing the just and equitable distribution of the said funds amongst or for the benefit of the several persons entitled thereto, and for the protection of such funds, and for the appointment and indemnification of trustees; now, therefore, we, the undersigned Commissioners, have, in obedience to such directions, drawn up and framed the following

RULES:

1. That the party or parties who shall be in possession as owner or owners of any slave or slaves, and shall appear as such by the latest returns made in the office of the Registrar of Slaves under the Registry Acts in the respective colonies, shall be deemed *prima facie* the rightful owner or owners thereof respectively, and *prima facie* entitled to the compensation monies to be awarded in respect thereof.

2. That in respect to all persons who, as owners or creditors, legatees or annuitants, may have any joint or common interest in any slave or slaves, or may be entitled to or interested in any slave or slaves, either in possession, remainder, reversion, or expectancy, the compensation monies to be awarded

in respect of such slave or slaves shall be deemed to be of the same nature, and impressed with the same character for all purposes whatsoever, so far as the same can be so taken and applied, as the slave or slaves in respect of whom such monies shall be allotted, and shall be subject to the same rules of distribution, and to the same charges and liabilities, as the same slave or slaves respectively would have been subject to according to the several estates and interests of the parties entitled thereto, and agreeably to the law and usage of the particular colony in which such slave or slaves may be registered or settled.

3. That the compensation monies to be awarded in respect of any slave or slaves, subject to any trusts or powers whatsoever, shall be subject to the same trusts or powers in all respects as the same slave or slaves were subject to.

4. That in cases in which any such compensation monies, or any interest therein, shall belong to or be vested in any married woman, infant, lunatic, or person of insane or unsound mind, or person beyond the seas, or labouring under any other legal or natural disability or incapacity, for the protection of whose rights and interests it may be necessary to make provision, and in all other cases in which it may appear to be necessary for protecting any estates or interests, and securing the due application of the compensation monies to be awarded in respect thereof, the Commissioners shall direct the appointment of Trustees to be nominated on behalf of the parties interested, and to be approved by the Commissioners, and shall cause the necessary deeds to be prepared for declaring the rights and interests of the parties and the trusts and limitations in pursuance thereof, together with all necessary provisions for the indemnity of the Trustees; and shall direct the compensation monies to be invested in the public funds in the names of such Trustees, for the benefit of the parties entitled thereto, in pursuance of such trusts and according to such respective rights and interests.

5. That in case of the death of any person entitled to such compensation monies who may die intestate before the award of such compensation, the succession to such monies shall be the same as the succession to the slave or slaves in respect of whom the compensation shall be allotted, according to the law of the particular colony in which such slave or slaves were registered or settled.

6. That the apportionment of the compensation monies amongst the persons seized of or entitled to, or having any mortgage, charge, incumbrance, judgment, or lien upon, or any claim to, or right or interest in, any slave or slaves to be manumitted by the said Act, at the time of such their manumission, shall be made according to the priority which such mortgage, charge, incumbrance, judgment, or lien, claim, right, or interest, may respectively have in or upon such slave or slaves according to the laws and usages in force in the particular colony in which such slave or slaves may be registered or settled.

7. That in all cases in which the slave or slaves in respect of whom compensation is claimed shall be

the subject of any suit in any court of law or equity in the United Kingdom, and to the Commissioners it shall seem meet the compensation awarded to be paid in respect of such slave or slaves, shall, under the direction of the said court, be paid into the said court, to be subject to the orders, directions, and decrees of the court in which such suit may be depending; and in cases in which such slave or slaves shall be the subject of any suit in any court of law or equity in the colony of Jamaica, and to the Commissioners it shall seem meet the compensation in respect of such slave or slaves shall be paid, under the direction of the said court, to the Receiver-General of the said island, to be subject to the decrees, orders, and directions of the said court in which the suit may be depending.

And in all cases in which such slave or slaves shall be the subject of any suit in any court of law or equity in any other colony than Jamaica, and to the said Commissioners it shall seem meet the compensation monies awarded in respect of such slave or slaves shall be paid into the Bank of England, in the name and with the priority of the Accountant-General of the Court of Exchequer, to be placed to his account there, *ex parte* the persons named in the award and therein specified as the plaintiffs and defendants in the said suit, pursuant to the method prescribed by an Act, made in the first year of the reign of King George the Fourth, intituled, "An Act for the better securing the monies and effects paid into the Court of Exchequer, at Westminster, on account of the suitors of the said Court, and for other purposes;" and the general orders of the said court, and without fee or reward; and the said monies when so paid in, shall, by petition in a summary way, be invested by the said Accountant-General in his name, *ex parte* the said account, in the purchase of £3. per Centum Consolidated Bank Annuities, and the dividends thereon, and also the dividends on all future investments, as they arise and become due, shall be invested by the said Accountant-General in his name, in like manner, so that the same may accumulate for the benefit of the parties entitled thereto; and the said compensation monies so invested as aforesaid, and the said accumulations, shall be paid and transferred under the directions of the said Court of Exchequer, to be signified by an order made upon a petition to be preferred in a summary way to the person or persons to whom the same shall be directed to be paid or transferred by the decree, order, or judgment of the court in the colony, made in the said suit there depending, or any court of appeal; and a copy of such decree, order, or judgment of the court in the colony, or court of appeal, signed by the proper officer of such court, shall be sufficient evidence of such decree, order, or judgment to the said Court of Exchequer.

And whereas by the 55th clause of the said Act the said Commissioners are required to frame and publish general rules, to be confirmed, allowed, and enrolled, as thereby directed, prescribing the form and manner of proceeding to be observed by any claimant or claimants preferring their claims under the said Act, upon the prosecution of such claims, and in making any opposition to the same, and for the conduct of the proceedings under the said Com-

mission. We, therefore, the undersigned Commissioners, in obedience to the directions of the said 55th clause, have drawn up and framed, in so far as relates to all the colonies or possessions mentioned and enumerated in the said Act, except the Cape of Good Hope and Mauritius, the following

RULES:

1. That all persons in possession of and claiming compensation for any slave or slaves to be manumitted under the said Act, shall prefer their claims before the Assistant Commissioners in the respective colonies in which the said slave or slaves may be registered or settled, within three months after the first day of August one thousand eight hundred and thirty-four, in the form hereunto annexed, marked (B).

2. That every such claim shall be accompanied by a certificate signed by the Registrar of Slaves of the colony in which such claim shall be made, that the number of slaves mentioned in such claim (except any increase by birth since the last registry, as mentioned at the foot of such claim), are duly registered, together with the name or names of the person or persons by whom such slave or slaves have been registered.

And in case the property in any slave or slaves shall have been changed, between the last registration and the first day of August one thousand eight hundred and thirty-four, the claimant must briefly state his title from the person in whose name the slaves were last registered.

3. That the said Assistant Commissioners shall from time to time, with all convenient speed, after receipt thereof, make out complete lists of all such claims according to the form following, that is to say:

Name and Description of Claimant, or person in possession of the Slaves.	Plantation, or other Domicile of Slaves.	Number of Slaves.

and shall cause the same to be published in the different newspapers of the said colony, or shall make the same known in such manner as to them shall seem most effectual for giving notice of the subject of such claim to all parties interested therein, in all parts of the said colony.

4. That such claims for compensation be made to the Assistant Commissioners, in the respective colonies, in duplicate, and that one part be transmitted by them to the Commissioners in London, and filed in their office, and the other kept and filed in the office of the Assistant Commissioners.

5. That any person having, or claiming to have, any right, title, or interest in or to any mortgage, judgment, charge, incumbrance, or lien upon any slave or slaves included in such claims, or any right, title, or interest thereto, under or by virtue of any

deed, will, testamentary instrument, or conveyance whatsoever, or in any other manner whatsoever, and claiming to receive the compensation for such slave or slaves, or any of them, in opposition to the original claimant, shall prefer a counter claim before the Assistant Commissioners in the respective colonies on or before the first day of February one thousand eight hundred and thirty-five, or in London, before the Commissioners on or before the first day of April one thousand eight hundred and thirty-five: provided always, that in case no original claim shall have been filed within the time limited by the first rule for that purpose, any person claiming a right to receive the compensation as above-mentioned, or any part thereof, may prefer his claim thereto instead of a counter claim, and such a claim shall be deemed and taken and be made in the same form, and subject to the same rules of proceeding in all respects as a counter claim, and with the same liberty of replying thereto as hereinafter directed, as if an original claim had been preferred.

6. That in cases in which no counter claim shall have been preferred in the colonies on or before the first day of February one thousand eight hundred and thirty-five, the Assistant Commissioners within their respective colonies, shall report the amount of compensation which may appear to them to be due upon each of the several claims, on application of the parties, or their agents, and transmit forthwith copies or lists of such several reports to the Commissioners in London; and in cases in which no counter claim shall have been preferred before the Commissioners in London, on or before the first day of April one thousand eight hundred and thirty-five, the Commissioners may proceed to award the compensation according to the several claims upon the application of the parties or their agents.

7. That in all cases in which a counter claim for the whole or any part of the compensation shall be preferred, such counter claim shall set forth the estate or interest, right or title, intended to be insisted on, and the dates, parties, and legal effect of the deeds or other instruments under which the counter claim is made, with the date of registration in the proper office in the colony; and in all cases of mortgage, judgment, charge, incumbrance, or lien, such counter claim shall also set forth for what sum the same was granted or recovered, what payments (if any) have been made thereon, and the dates of such payments, and what remains due thereon, whether the same is the prior lien or otherwise, on the property included therein; and also the legal effect of such securities upon slaves, according to the law and usage of the particular colony in which such slaves have been registered or settled; and that in addition thereto, the substance of such counter claim be embodied and arranged in the tabular form hereunto annexed, marked (C).

8. That upon such counter claim being filed within the limited periods aforesaid, notice thereof be forthwith given by the party making the same to the party against whom it is made, or his agent, and a copy thereof be furnished to such party or his agent on application at the office of the Commissioners, or of the Assistant-Commissioners, in the colony.

9. That within three months after such counter claim has been filed, and such notice given, the original claimant may file a replication to the said counter claim before the Assistant Commissioners, or the Commissioners in London, and give notice forthwith of such replication to the counter claimant, or his agent, and a copy thereof be furnished to such counter claimant, or his agent, on application at the office of the Commissioners in London, or of the Assistant Commissioners in the colony.

10. That in case no replication be filed within the time aforesaid, the Commissioners may, on proof of notice of the counter claim having been served on the original claimant, or his agent, proceed to consider the claim and counter claim, and give such further directions and make such award as to them shall seem fit in respect to the compensation to be paid thereon.

11. That in case a replication shall be filed within the time aforesaid, the Commissioners may either upon application of the parties interested, or their agent for such purpose, or if to the Commissioners it shall seem fit, direct proof to be adduced in support of such claim, counter claim, or replication, by the production of deeds or other documents, or by interrogatories on oath or affirmation, to be drawn and exhibited to the parties or witnesses, or by affidavits, or by *viva voce* examination of witnesses, as the case may require.

12. That on such proof as aforesaid being made the Commissioners shall, on the application of any of the parties interested, or their agents, cause a notice to issue to all the claimants and counter claimants in such proceedings named, that the said Commissioners will on a day in such notice to be named, proceed to make their adjudication and award; copies of such notice to be served by the party applying for the same on all such claimants and counter claimants, or their agents.

13. That with the consent of the several parties, the Assistant Commissioners in their respective colonies be authorised to consider and proceed according to the several rules hereinbefore stated, to ascertain and report the amount of compensation appearing to be due to any of the litigant parties, in cases of contested claims, and transmit forthwith lists or copies of their proceedings and reports to the Commissioners.

14. That the Commissioners shall upon such proceedings and reports being received from the Assistant Commissioners, proceed to the adjudication and award of the compensation which shall appear to be due according to such lists, reports, and proceedings.

15. That all persons claiming to act on behalf of any party interested in the said compensation monies shall lodge with the Commissioners, or Assistant Commissioners, as the case may be, a power of attorney, or other authority, under the hand of the party or parties so interested, to be registered in the proceedings of the said Commissioners, or Assistant Commissioners, and no other than the person or persons named in such power of attorney or authority shall be entitled to act in that behalf so long as such power shall continue in force.
