Applications from parties residing out of London are to be addressed, by post, to the Secretary of the Admiralty, London; each letter, with the word "Navarin" written on the cover, to inclose, in proof of identity, the claimant's commission, warrant, certificate of service, letters of administration, probate of will, or Inspector's parchment check (as the case may be), and to specify the nearest Collector of Customs or Excise, through whom the amount due will be forthwith remitted, without trouble or expence to the claimant.

Payments to parties in London will be made at Somerset-house, on production of the proper documents, according to the following regulations, which are requisite to prevent too many applying on the same day:

Shares of Officers, Seamen, &c. whose Surnames begin with the Letters,

A, B, C, D, E,	every Monday, from 11 till 2 o'clock.
F, G, H, I, J,	every Tuesday, "
K, L, M, N, O,	every Wednesday, "
P, Q, R, S, T,	every Thursday, "
U, V, W, X, Y, Z,	every Friday, "

The general distribution, made partly in accordance with the prize regulations, will thus continue until the end of November, when payments must be suspended for one week, in order to make up the accounts, and will recommence, as daily recalls of unclaimed shares, on Monday the 8th of December.

Navy Agents and others, duly acting as attorneys, are desired to lodge or transmit their respective powers for inspection a few days before the payment.

Licensed Agents of petty officers, seamen, &c. holding documents in form of prize orders, duly executed before the first day of distribution, will be paid thereon to the extent of the advances actually made and acknowledged. Payments will likewise be made on orders held by relatives within the degrees prescribed.

HALF-PAY AND RETIRED-PAY TO NAVAL OFFICERS  
AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages-Department at the Admiralty-office, Somerset-place, of the affidavit or certificate

of identity required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay or retired-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 10th and 11th of October, to Masters, Surgeons, and Pursers, and their Attorneys.

On the 13th, 14th, and 15th of October, to Lieutenants at 5s. a day and under, and their Attorneys.

On the 16th and 17th of October, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 20th, 21st, and 22d of October, to Admirals, Lieutenant-Generals, Major-Generals, Colonels, Lieutenant-Colonels, Majors, Captains, Commanders, and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay or retired-pay on the days fixed for their rank, being brought forward on the days appointed for the payment of half-pay and retired-pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their affidavits or certificates sufficiently early to admit of payment on the above-mentioned days, a recall will take place on the 24th and 25th of October.

After which the half-pay and retired-pay will be payable on the first and third Wednesday in every month, excepting during the general payment.

Officers residing in or near London, and wishing to receive their half-pay or retired-pay in person, are requested to deliver their affidavits or certificates into the Wages-office at the Admiralty, Somerset-house, or transmit them to the Secretary of the Admiralty, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their affidavits or certificates, as promptly, for unless such documents are early delivered into this Office, delay in the payment must unavoidably ensue.

It sometimes happens that Officers apply personally for their half-pay or retired-pay, without having previously sent in their affidavits or certificates as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to the pay of the Navy, besides the above-mentioned modes, Officers may receive their half-pay or retired-pay in any of the following ways, viz.

1st. By drawing a bill for the amount, on a form to be transmitted from this Office

2d. By a remittance bill, or permanent remittance bill, payable to them at or in the neighbourhood of their residence, by the Collector of Customs or Excise.

3d. By extract or permanent remittance bill, at a Dock-yard, where there is an establishment of Pay Clerks.

If they wish to receive it by bill of exchange, they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half-pay, or Retired-pay, Accountant-General," and thereupon the proper form will be sent to them.

If they wish to have it remitted to them, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a bill will thereupon be made out and transmitted to them.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

**MEM.**—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 20, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.

**WE**, the undersigned, Proprietors of shares, in the Birmingham Canal Navigations, do hereby convene a special meeting of the said Proprietors, to be holden at the Company's office, in Paradise-street, Birmingham, on Friday the 14th day of November next, at Eleven o'clock in the Forenoon, for the purpose of taking into consideration and determining upon the propriety of making an application to Parliament for an "Act to consolidate and extend the powers and provisions of the several Acts relating to the Birmingham Canal Navigations;" and of ordering and causing the common seal of the said Company to be affixed to a petition for the purpose of such application, and of the prosecution of and proceeding with the same.

Given under our hands the 26th day of September 1834.
