PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by a certain Act of Parliament, passed in the session of Parliament held in the third and fourth years of His present Majesty's reign, intituled "An Act for the abolition of slavery throughout the British colonies; for promoting the industry of the manumitted slaves; and for compensating the persons hitherto entitled to the services of such slaves," after reciting that it was necessary that provision should be made for the apportionment, amongst the proprietors of the slaves to be manumitted by virtue of the said Act in each of the said colonies respectively, of that part of the said compensation fund which should be so assigned as in the said Act is therein before recited to each of the respective colonies; and reciting that the necessary rules for that purpose could not be properly or safely established, until after full enquiry should have been made into the several circumstances which ought to be taken into consideration in making such apportionment; it was, amongst other things, enacted, that the said Commissioners should, and were thereby required to, proceed to draw up and frame all such general rules, regard being had to the laws and usages in force in each colony respectively, as to them might seem best adapted in each colony respectively for securing the just and equitable distribution of the said funds amongst or for the benefit of such several persons as aforesaid, and for the protection of such funds, and for the appointment and indemnification of such trustees as aforesaid; and such general rules, when so framed and when agreed upon by the said Commissioners, should by them be subscribed with their respective hands and seals and transmitted to the Lord President of His Majesty's Council, to be by him laid before His Majesty in Council, and so from time to time as often as any further general rules should be so framed and agreed to for the purposes aforesaid, or any of them:

And it was also enacted, that the general rules to be transmitted as aforesaid to the said Lord President should be forthwith published in the London Gazette on three several occasions at least, together with a notice that all persons interested in or affected by any such general rules might, by a time to be in such notice limited, appeal against any such rules to His Majesty in Council; and that it should be lawful for the Lords and others of His Majesty's Privy Council, or for any three or more of them, by

any further notice or notices to be for that purpose published in the London Gazette, to enlarge, as to them might seem meet, the time for receiving any such appeals:

And it was further enacted that if, within the time so to be limited for receiving such appeals, any person or persons should prefer any petition of appeal to His Majesty in Council against any such general rule so published as aforesaid in the London Gazette, it should be lawful for His Majesty in Council, or for any Committee of Privy Council, to hear such appeal, and to cause notice thereof to be served upon the said Commissioners, who should thereupon undertake the defence of such appeal; and upon hearing any such appeal it should be lawful for His Majesty in Council to confirm and annul, or to rescind and disallow, any such general rule as aforesaid, or thereupon to alter, amend, or vary any such rule in such manner as to His Majesty might seem just, or to remit the same to the said Commissioners for further consideration and revision:

And it was also enacted that, at the expiration of the time limited for receiving such appeals as aforesaid, it should be lawful for His Majesty in Council to confirm and allow, or to rescind and disallow, in the whole or in part, or to amend, alter, or vary any such general rule or rules, though not so appealed against, as to His Majesty might seem just, or to remit such rules to the said Commissioners for further consideration and revision:

And it was also enacted that, when and so often as any such general rule or rules as aforesaid should by His Majesty in Council have been confirmed and allowed, an Order should be made by His Majesty in Council reciting at length any such rule or rules, with any alterations or amendments which might have been made therein as aforesaid; and a copy of every such Order in Council should be duly certified by the Lord President of His Majesty's Council for the time being, to the Lord High Chancellor or Keeper of the Great Seal, or to the Master of the Rolls for the time being, and should be duly enrolled among the records of the High Court of Chancery, and should there remain and be of record:

And it was further enacted that, for ensuring method, regularity, and dispatch in the mode of preferring and proceeding upon such claims, the said Commissioners should and were thereby authorised, by general rules to be framed and published, confirmed, allowed, and enrolled as aforesaid, to prescribe the form and manner of proceeding to be observed by any claimant or claimants preferring any such claims, and to authorise the Assistant Commissioners, so to be appointed as therein before mentioned, in the said several colonies to receive and report upon the same; or any of them, in such manner and form, and under such regulations as to the Commissioners, so to be appointed by His Majesty as aforesaid, should seem meet; and to prescribe the manner, the time or times, the place or places, and the form or forms in which notices of such claims shall be published for general inform-

ation, or especially communicated to or served upon any person or persons interested therein or affected thereby; and to prescribe the form and manner of proceeding to be observed upon the prosecution of such claims, or in making any opposition to the same; and to make all such regulations as to them may seem best adapted for promoting method, economy, and dispatch in the investigation of such facts; and respecting the evidence to be taken and admitted for or against the same, and respecting the manner and form of adjudicating thereupon, and otherwise however respecting the method, form, and manner of proceeding to be observed, by them, the said Assistant Commissioners, or by the parties to any proceedings before them, their agents, or witnesses; and which rules should from time to time be liable to be amended, altered, varied, or renewed as occasion might require, in such manner as is therein before directed:

And whereas, in pursuance of the said Act of Parliament, His Majesty, by a Commission under the Great Seal, bearing date the twelfth day of April in the fourth year of His Majesty's reign, did constitute John Bonham Carter, James Lewis, John George Shaw Lefevre, Samuel Duckworth, Thomas Amyott, Hastings Elwin, and Henry Frederick Stephenson, Esqrs. to be Commissioners of Arbitration for the purposes in the said Act mentioned.

And whereas, in pursuance of the said Act, the said Commissioners did draw up and frame such general rules as therein mentioned for the apportionment of the compensation money therein mentioned amongst the persons seized of, or entitled to, or having, any mortgage, charge, incumbrance, judgment, or lien upon, or any claim to, or right or interest in, any slave or slaves so to be manumitted, as in the said Act is mentioned, at the time of such their manumission:

And whereas the said general rules have been duly confirmed by His Majesty in Council, with such alterations and amendments as therein mentioned:

And whereas, in pursuance of the said Act, the said Commissioners did also frame such general rules as in the said Act are mentioned, prescribing the form and manner of proceeding to be observed by any claimant or claimants preferring any such claim as therein mentioned, in so far as relates to the said colonies of the Cape of Good Hope and Mauritius, or either of them:

And whereas the said last-mentioned general rules when so framed, being subscribed with the respective hands and seals of the said Commissioners, were by them, on the sixteenth day of May last, transmitted to the Lord President of His Majesty's Council, to be by him laid before His Majesty in Council:

And whereas the said last-mentioned general rules, so transmitted as aforesaid to the said Lord President, have been published in the manner and form in the said Act in that behalf required, together with a notice, that all persons interested in or

affected by any such general rules might, within nine months from the date of such notice, appeal against any such rules to His Majesty in Council:

And whereas such notice bore date on the tenth day of June one thousand eight hundred and thirty-four, and the said term of nine months expired on the tenth day of March last, and no appeals have been preferred to His Majesty in Council against any of the said last-mentioned general rules:

And whereas His Majesty hath this day taken into consideration the propriety of confirming and allowing such last-mentioned general rules;

Now, therefore, in pursuance of the said Act of Parliament, and in exercise of the powers thereby in His Majesty in that behalf vested, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that the said last-mentioned general rules, so made as aforesaid, shall be, and the same are hereby, confirmed and allowed:

And in further pursuance of the said Act of Parliament, the said last-mentioned general rules are recited at length in the schedule subjoined to this present Order; which schedule His Majesty doth hereby declare is and shall be taken as part of this Order:

And the Lord President is to give the necessary directions herein accordingly.

Wm. L. Bathurst.

SCHEDULE TO WHICH THE FOREGOING ORDER REFERS.

General Rules under the 55th Clause of the Act 3d and 4th Wm. 4, c. 75, for the Conduct of the Proceedings under the said Commission, in so far as relates to the Colonies of the Cape of Good Hope and Mauritius.

1st. That all persons in possession of, and claiming compensation for any slave or slaves to be manumitted under the said Act, shall prefer their claims before the Assistant Commissioners in the said colonies in which the said slave or slaves are registered or settled, within three months after the first day of April one thousand eight hundred and thirty-five, at the Cape of Good Hope, and within three months after the first day of June one thousand eight hundred and thirty-five, at Mauritius, in the form hereunto annexed, marked (B).

2d. That every such claim shall be accompanied by a certificate signed by the Registrar of Slaves of the colony in which such claim shall be made, that the number of slaves mentioned in such claim (except any increase by birth since the last registry, as mentioned at the foot of such claim), are duly registered, together with the name or names of the person or persons by whom such slaves have been registered;

and in case the property in any slave or slaves shall have been changed, between the last registration and the first day of December one thousand eight hundred and thirty-four, at the Cape of Good Hope, and the first day of February one thousand eight hundred and thirty-five, at Mauritius, the claimant must briefly state his title from the person in whose name the slaves were last registered.

3d. That the said Assistant Commissioners shall from time to time, with all convenient speed, after receipt thereof, make out complete lists of all such claims according to the form following, that is to say:

Name and Description of Claimant, or person in possession of the Slaves.	Plantation, or other Domicile of Slaves.	Number of Slaves.

and shall cause the same to be published in the different newspapers of the said colony, or shall make the same known in such manner as to them shall seem most effectual for giving notice of the subject of such claim to all parties interested therein, in all parts of the said colony.

4th. That such claims for compensation be made to the Assistant Commissioners, in the said colonies, in duplicate, and that one part be transmitted by them to the Commissioners in London, and filed in their office, and the other kept and filed in the office of the Assistant Commissioners.

5th. That any person having, or claiming to have, any right, title, or interest in or to, or any mortgage, judgment, charge, incumbrance, or lien upon any slave or slaves included in such claims, or any right, title, or interest thereto, under or by virtue of any deed, will, testamentary instrument, or conveyance whatsoever, or in any other manner whatsoever, and claiming to receive the compensation for such slave or slaves, or any of them, in opposition to the original claimant, shall prefer a counter claim before the Assistant Commissioners in the said colonies on or before the first day of September one thousand eight hundred and thirty-five at the Cape of Good Hope, and on or before the first day of November one thousand eight hundred and thirty-five at Mauritius.

6th. That in case no original claim shall have been filed before the Assistant Commissioners in the said colonies within the times limited by the first rule for that purpose, any person claiming a right to receive the compensation, or any part thereof, under the fifth rule, may prefer his claim thereto before the said Assistant Commissioners, instead of a counter claim, and such claim shall be deemed and taken and be made in the same form, and be subject to the same rules of proceeding in all respects as a

counter claim, and with the same liberty of replying thereto as herein after directed, as if an original claim had been preferred.

7th. That in cases in which no counter claim shall have been preferred in the said colonies within the respective times in the fifth rule mentioned, the Assistant Commissioners within the said colonies shall report the amount of compensation which may appear to them to be due upon each of the several claims, on application of the parties or their agents, and transmit forthwith copies or lists of such several reports to the Commissioners in London, who may thereupon proceed to award the compensation according to the several claims upon the application of the parties or their agents.

8th. That in all cases in which a counter claim for the whole or any part of the compensation shall be preferred, such counter claim shall set forth the estate or interest, right or title, intended to be insisted on, and the dates, parties, and legal effect of the deeds or other instruments under which the counter claim is made, with the date of registration in the proper office in the colony; and in all cases of mortgage, judgment, charge, incumbrance, or lien, such counter claim shall also set forth for what sum the same was granted or recovered, what payments (if any) have been made thereon, and the dates of such payments, and what remains due thereon, whether the same is the prior lien or otherwise, on the property included therein, and also the legal effect of such securities upon slaves, according to the law and usage of the colony in which such slaves have been registered or settled; and that in addition thereto the substance of such counter claim be embodied and arranged in the tabular form hereunto annexed, marked (C).

9th. That upon such counter claim being filed within the limited periods aforesaid, notice thereof be forthwith given by the party making the same to the party against whom it is made, or his agent, and a copy thereof be furnished to such party or his agent, on application to the Assistant Commissioners in the colony.

10th. That within two months after such counter claim has been filed, and such notice given, the original claimant may file a replication to the said counter claim before the Assistant Commissioners, and give notice forthwith of such replication to the counter claimant or his agent, and a copy thereof be furnished to such counter claimant or his agent, on application to the Assistant Commissioners in the colony.

11th. That in case no replication be filed within the time aforesaid, the Assistant Commissioners may, on proof of notice of the counter claim having been served on the original claimant or his agent proceed to consider the claim and counter claim, and report the amount of compensation which may appear to them to be due upon each of the several claims and counter claims, upon application of any of the parties or their agents, and transmit copies or

lists of such several reports to the Commissioners in London, who may thereupon proceed to award the compensation accordingly, upon the application of any of the parties or their agents.

12th. That in case a replication shall be filed within the times hereinbefore limited, the Assistant Commissioners may, either upon application of any of the parties interested, or their agents for such purpose, or if to the said Assistant Commissioners it shall seem fit, direct proof to be adduced in support of such claim, counter claim, or replication, by the production of deeds or other documents, or by interrogatories on oath or affirmation, to be drawn and exhibited to the parties or witnesses, or by affidavits, or by *vis à voce* examination of witnesses, as the case may require.

13th. That on such proof as aforesaid being made, the Assistant Commissioners shall, on the application of any of the parties interested, or their agents, cause a notice to issue to all the claimants and counter claimants in such proceedings named, that the said Assistant Commissioners will, on a day in such notice to be named, proceed to consider and ascertain the amount of compensation which may appear to be due to the parties respectively; copies of such notice to be served by the party applying for the same on all such claimants and counter claimants, or their agents.

14th. That the said Assistant Commissioners shall thereupon proceed according to the several rules hereinbefore stated, and according to the general rules framed by the Commissioners under the 47th clause, when they shall be confirmed, allowed, and enrolled as directed by the said Act, to ascertain and report the amount of compensation appearing to be due to any of the litigant parties, and transmit forthwith lists or copies of their proceedings and reports to the Commissioners.

15th. That the Commissioners shall, upon such proceedings and reports being received from the Assistant Commissioners, proceed to the adjudication and award of the compensation which shall appear to be due according to such lists, reports, and proceedings.

16th. That all persons claiming to act on behalf of any party interested in the said compensation monies shall lodge with the Commissioners, or Assistant Commissioners, as the case may be, a power of attorney, or other authority, under the hand of the party or parties so interested, to be registered in the proceedings of the said Commissioners, or Assistant Commissioners, and no other than the person or persons named in such power of attorney or authority shall be entitled to act in that behalf so long as such power shall continue in force.
