**A**T the Court at *St. James's*, the 9th day of *September* 1835,

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by a certain Act of Parliament, passed in the session of Parliament held in the third and fourth years of His present Majesty's reign, intituled "An Act for the abolition of slavery "throughout the British colonies; for promoting "the industry of the manumitted slaves; and for "compensating the persons hitherto entitled to the "services of such slaves;" after reciting that it was necessary that provision should be made for the apportionment, amongst the proprietors of the slaves to be manumitted by virtue of the said Act in each of the said colonies respectively, of that part of the said compensation fund which should be so assigned as in the said Act is therein before recited to each of the respective colonies; and reciting that the necessary rules for that purpose could not be properly or safely established, until after full enquiry should have been made into the several circum-

stances which ought to be taken into consideration in making such apportionment; it was, amongst other things, enacted, that the Commissioners should, and were thereby required to, proceed to draw up and frame all such general rules, regard being had to the laws and usages in force in each colony respectively, as to them might seem best adapted in each colony respectively for securing the just and equitable distribution of the said funds amongst or for the benefit of such several persons as aforesaid, and for the protection of such funds, and for the appointment and indemnification of such trustees as aforesaid; and such general rules, when so framed and when agreed upon by the said Commissioners, should by them be subscribed with their respective hands and seals, and transmitted to the Lord President of His Majesty's Council, to be by him laid before His Majesty in Council, and so from time to time as often as any further general rules should be so framed and agreed to for the purposes aforesaid, or any of them :

And it was also enacted, that the general rules to be transmitted as aforesaid to the said Lord President should be forthwith published in the London Gazette, on three several occasions at least, together with a notice that all persons interested in, or affected by, any such general rules might, by a time to be in such notice limited, appeal against any such rules to His Majesty in Council; and that it should be lawful for the Lords and others of His Majesty's Privy Council, or for any three or more of them, by any further notice or notices to be for that purpose published in the London Gazette, to enlarge, as to them might seem meet, the time for receiving any such appeals :

And it was also enacted, that, at the expiration of the time limited for receiving such appeals as aforesaid, it should be lawful for His Majesty in Council to confirm and allow, or to rescind and disallow, in the whole or in part or to amend, alter, or vary any such general rule or rules, though not so appealed against, as to His Majesty might seem just, or to remit such rules to the said Commissioners for further consideration and revision :

And it was further enacted, that, when and so often as any such general rule or rules as aforesaid should, by His Majesty in Council, have been confirmed and allowed, an Order should be made by His Majesty in Council reciting at length any such rule or rules, with any alterations or amendments

which might have been therein made as aforesaid; and a copy of every such Order in Council should be duly certified by the Lord President of His Majesty's Council, for the time being, to the Lord High Chancellor or Keeper of the Great Seal, or to the Master of the Rolls for the time being, and should be duly enrolled among the records of the High Court of Chancery, and should there remain and be of record :

And whereas, in pursuance of the said Act of Parliament, His Majesty, by a Commission under the Great Seal, bearing date the twenty-fourth day of January in the fifth year of His Majesty's reign, did constitute John Bonham Carter, James Lewis, Robert William Hay, James Stephen, Samuel Duckworth, John George Shaw Lefevre, Thomas Amyot, Hastings Elwin, and Henry Frederick Stephenson, Esqrs. to be Commissioners of Arbitration for the purposes in the said Act mentioned :

And whereas, in pursuance of the said Act, the said Commissioners did frame certain general rules, which were transmitted and published, and were afterwards duly confirmed and allowed, in the manner prescribed by the said Act :

And whereas, in pursuance of the said Act, the said Commissioners did also frame a further general rule, for the purpose of providing for the payment of a certain amount of the compensation monies, which may be adjudged to belong to, or vested in, persons labouring under certain disabilities; which further general rule, being subscribed with the hands and with the seals of the said Commissioners, were by them, on the twenty-seventh day of May last, transmitted to the Lord President of His Majesty's Council, to be by him laid before His Majesty in Council :

And whereas the said further general rule, so transmitted as aforesaid to the Lord President, has been published in manner and form in the said Act in that behalf required, together with a notice, that all persons interested in or affected by such further general rule might, within three months from the date of such notice, appeal therefrom to His Majesty in Council :

And whereas such notice bore date the twenty-ninth day of May one thousand eight hundred and thirty-five, and the said term of three months expired on the twenty-ninth day of August last, and no appeal has been preferred against the said further general rule :

And whereas His Majesty hath this day taken

into consideration the propriety of confirming and allowing such further general rule :

Now, therefore, in pursuance of the said Act of Parliament, and in exercise of the powers thereby in His Majesty in that behalf vested, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that the said further general rule, so made as aforesaid, shall be, and the same is hereby, confirmed and allowed :

And, in further pursuance of the said Act of Parliament, the said further general rule is recited at length in the schedule subjoined to this present Order; which schedule His Majesty doth hereby declare is and shall be taken as part of this Order :

And the Lord President is to give the necessary directions herein accordingly.

**A**T the Court at *St. James's*, the 11th day of September 1835.

PRESENT,

The KING's Most Excellent Majesty in Council.

5th and 6th Wm. 4, c. 76, s. 140.

**W**HEREAS by an Act, passed in the fifth and sixth year of His Majesty's reign, intituled "An Act to provide for the regulation of Municipal Corporations in England and Wales," it was, among other things, enacted, that it should be lawful for His Majesty, if he should think fit, by the advice of His Privy Council, to order any days and times before the first day of February next, for doing the several matters required or authorised by the said Act to be done, in lieu of the several days and times for the present year therein before specified, or any of them; and that in such case all matters mentioned in such Order should be done on and within such days and times as should be mentioned respectively in that behalf in such Order, as if the days and times mentioned in such Order had in every instance been mentioned in the said Act, instead of the days and times therein before respectively mentioned in that behalf, and not otherwise; provided always, that nothing therein contained should authorise His Majesty to appoint any days or times other than were therein before specified, for any matters required or authorised by the said Act to be done, after the expiration of this present year:

His Majesty is thereupon pleased, by the advice of His Most Honourable Privy Council, in pursuance of the power vested in His Majesty by the said Act, to order, and it is hereby ordered, as follows, that is to say:

## Section 15.

His Majesty, by the advice aforesaid, does hereby order, that the overseers of the poor of every parish wholly or in part within any borough named in either of the schedules (A) or (B), to the said Act annexed, shall make out, and shall deliver to the town clerk of the borough, the Burgess list according to the provisions of the said Act, on the seventh day of November in this year, instead of the fifth day of September as provided in the said Act; and that the said overseers shall keep a true copy of such lists, to be perused by any person, without payment of any fee, at all reasonable hours, between the said seventh day of November and the seventeenth day of November in this year, instead of the time between the fifth and fifteenth days of September; and that the town clerk shall cause a copy of all such lists to be fixed on or near the outer door of the town-hall, or in some public and conspicuous situation within the borough, on every day during the week next preceding the seventeenth day of November in this

year, instead of the week next preceding the fifteenth day of September.

*Section 17.*

And His Majesty, by the advice aforesaid, does hereby order, that every person whose name shall have been omitted in any such burgess list, and who shall claim to have his name inserted therein, and every person authorised by the said Act to object to any other person as not being entitled to have his name retained in any burgess list, shall give such notice thereof respectively, as by the said Act is required, on or before the seventeenth day of November in this year, instead of the fifteenth day of September; and that the town clerk of every such borough shall cause copies of the lists to be made out by him of all such persons so claiming and so objected to, according to the provisions of the said Act, to be fixed on or near the outer door of the town-hall, or in some public and conspicuous situation within such borough, during the eight days next preceding the first day of December in this year, instead of the eight days next preceding the first day of October, and that the town-clerk shall likewise keep a copy of the names of all the persons so claiming as aforesaid, and also a copy of the names of all persons so objected to as aforesaid, to be perused by any person, without payment of any fee, at all reasonable hours during the eight days (Sunday excepted) next preceding the first day of December in this year, instead of the eight days (Sunday excepted) next preceding the first day of October.

*Sections 18, 20.*

And His Majesty, by the advice aforesaid, does hereby order, that the barristers to be appointed to revise the lists of burgesses of the said boroughs, according to the provisions of the said Act, shall hold their courts as directed by the said Act, for the purpose of revising the said burgess lists at some time between the first day of December inclusive and the fifteenth day of December inclusive in this year, instead of the time between the first day of October inclusive and the fifteenth day of October inclusive.

*Section 22.*

And His Majesty, by the advice aforesaid, does hereby order, that the town clerk of every such borough shall cause the burgess roll of the burgesses of such borough to be completed on or before the twenty-second day of December in this year, instead of causing it to be completed on or before the twenty-second day of October.

*Section 30.*

And His Majesty, by the advice aforesaid, does hereby order, that the councillors of every such borough shall be elected, according to the provisions of the said Act, on the twenty-sixth day of December in this year, instead of the first day of November.

*Section 25.*

And His Majesty, by the advice aforesaid, does hereby order, that the aldermen of every such borough shall be elected, according to the provisions of the said Act, on the thirty-first day of December in this year, instead of the ninth day of November.

*Sections 49, 61, 69.*

And His Majesty, by the advice aforesaid, does hereby order, that the first quarterly meeting of the council of every such borough shall be holden at noon, on the first day of January in the year one thousand eight hundred and thirty-six, instead of the ninth day of November in this year; and that the mayor of every such borough shall be elected, according to the provisions of the said Act, on the said first day of January, instead of the said ninth day of November; and that the sheriff to be appointed in any such borough, according to the provisions of the said Act, shall be appointed accordingly on the said first day of January, instead of the first day of November in this year.
