TUESDAY, OCTOBER 6, 1835.

**A**T the Court at *St. James's*, the 30th day of September 1835.

PRESENT,

The KING's Most Excellent Majesty in Council.

*5th and 6th Wm. 4, c. 76, s. 140.*

**W**HEREAS by an Act, passed in the fifth and sixth year of His Majesty's reign, intituled "An Act to provide for the regulation of Municipal Corporations in England and Wales," it was, among other things, enacted, that it should be lawful for His Majesty, if He should think fit, by the advice of His Privy Council, to order any days and times before the first day of February next, for doing the several matters required or authorised by the said Act to be done, in lieu of the several days and times for the present year therein before specified, or any of them; and that in such case all matters mentioned in such Order should be done on and within such days and times as should be mentioned respectively in that behalf in such Order, as if the days and times mentioned in such Order had in every instance been mentioned in the said Act, instead of the days and times therein before respectively mentioned in that behalf, and not otherwise; provided always, that nothing therein contained should authorise His Majesty to appoint any days or times other than were therein before specified, for any matters required or authorised by the said Act to be done, after the expiration of this present year:

His Majesty is thereupon pleased, by the advice of His Most Honourable Privy Council, in pursuance of the power vested in His Majesty by the said Act, to order, and it is hereby ordered, as follows, that is to say:

*Section 39.*

His Majesty, by the advice aforesaid, does hereby order, that it shall be lawful for the barrister or barristers, appointed in pursuance of the provisions in the said Act contained, to determine and set out the extent, limits, and boundary lines of the wards into which it is provided by the said Act that certain boroughs of large population shall be divided, and what portions of such boroughs shall be included therein respectively, within the space of sixty days next after the passing of the said Act, instead of the space of six weeks next after the passing of the said Act.

*Section 58.*

And His Majesty, by the advice aforesaid, does hereby order, that the council of every borough named in either of the schedules (A) or (B), to the said Act annexed, shall appoint a fit person, according to the provisions of the said Act, to be the town clerk of such borough, on the first day of January in the year one thousand eight hundred and thirty-six, instead of the ninth day of November in this present year.

*Wm. L. Bathurst.*

**A**T the Court at *St. James's*, the 30th day

PRESENT,

The KING's Most Excellent Majesty in Council.

Now, therefore, in pursuance and exercise of the powers and authorities in His Majesty by the said Act in that behalf vested, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that the port of Castries, in His Majesty's island of *St. Lucia*, shall be a free warehousing port for all the purposes of the said Act:

**HALF-PAY AND RETIRED-PAY TO NAVAL OFFICERS  
AND OFFICERS OF THE ROYAL MARINES.**

**N**OTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the affidavit or certificate of identity required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay or retired-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 10th and 12th of October, to Masters, Surgeons, and Pursers, and their Attorneys.

On the 13th, 14th, and 15th of October, to Lieutenants at 5s. a day and under, and their Attorneys.

On the 16th and 17th of October, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 19th, 20th, and 21st of October, to Admirals, Lieutenant-Generals, Major-Generals, Colonels, Lieutenant-Colonels, Majors, Captains, Commanders, and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay or retired-pay on the days fixed for their rank, being brought forward on the days appointed for the payment of half-pay and retired-pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their affidavits or certificates sufficiently early to admit of payment on the above-mentioned days, a recall will take place on the 23d and 24th of October.

After which the half-pay and retired-pay will be payable on the first and third Wednesday in every month, excepting during the general payment.

Officers residing in or near London, and wishing to receive their half-pay or retired-pay in person, are requested to deliver their affidavits or certificates into the Wages-office at the Admiralty, Somerset-house, or transmit them to the Secretary of the Admiralty, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their affidavits or certificates with the same dispatch, for unless such documents are delivered into this Office early, delay in the payment must unavoidably ensue.

As it sometimes happens that Officers apply personally for their half-pay or retired-pay, without having previously sent in their affidavits or certificates as required by the usual advertisement, any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to

the pay of the Navy, besides the above-mentioned modes, Officers may receive their half-pay or retired-pay in any of the following ways, viz.

1st. By drawing a bill for the amount, in which case they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half pay, or Retired-pay, Accountant-General," and thereupon the proper form of a bill of exchange will be sent to them.

2d. By a remittance bill, or permanent remittance bill, payable to them at or in the neighbourhood of their residence, by the Collector of Customs or Excise.

3d. By extract or permanent remittance bill, at a Dock-yard, where there is an establishment of Pay Clerks.

In either of the two latter cases, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a remittance bill, or extract, will thereupon be made out and transmitted to them.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 20, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.
