Wm. L. Bathurst.

At the Court at *Brighton*, the 4th day of *December* 1835,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the sixth year of the reign of His present Majesty, intituled " An Act " to provide for the regulation of municipal corporations in England and Wales," which received the Royal assent on the ninth of September last, after reciting that it was expedient that certain boroughs of large population should be divided into wards, before any election of councillors for such boroughs should take place, it was, among other things, enacted, that every borough in the schedule (A.) to the said Act annexed, should be divided into the number of wards mentioned in such schedule, in conjunction with the name of such borough ; and that it should be lawful for the barrister or barristers, appointed in pursuance of the provisions thereinbefore contained, to revise the burgess and councillors' lists of any borough in the present year, and he and they was and were thereby required, within the space of six weeks next after the passing of the said Act, to determine and set out the extent, limits, and boundary lines of such wards, and what portions of such boroughs should be included therein respectively, and the copy of the particulars of such division should be forthwith transmitted to one of His Majesty's Principal Secretaries of State, and (if His Majesty, by the advice of His Privy Council, should approve such determination) should be published in the *London Gazette*, and every such borough should, after such publication as aforesaid, be deemed to be divided into such wards as should be so determined and set out as aforesaid, and such division should continue and be in force until the same should be altered by authority of Parliament : and it is thereby further enacted, that the said barrister or barristers should, after the division of the borough into

such number of wards as is directed by the said Act, apportion among the several wards of such borough the number of councillors mentioned, in conjunction with the name of such borough, in the said schedule : provided always, that the number of councillors assigned to each ward should be a number divisible by three, and a copy of the particulars of the number of councillors so assigned to the several wards of the borough should be forthwith transmitted to one of His Majesty's Principal Secretaries of State, and (subject as aforesaid to the approval of His Majesty, by the advice of His Privy Council) should be published in the London Gazette, and the number of councillors so assigned to each ward of such borough should, after such publication as aforesaid, be the number to be elected in such ward, and should so continue until the same should be altered by authority of Parliament : and it was thereby further enacted, that it should be lawful for His Majesty (if he should think fit, by the advice of His Privy Council) to order any days and times, before the first of February next, for doing the several matters required and authorised by the said Act to be done, in lieu of the several days and times for the present year therein-before specified, or any of them : and, in such case, all matters mentioned in such order should be done on and within such days and times as should be mentioned respectively on that behalf in such order, as if the days and times mentioned in such order had in every instance been mentioned in the said Act, instead of the days and times therein-before respectively mentioned in that behalf : and whereas, by an Order in Council, dated the thirtieth day of September last, His Majesty (by advice of His Privy Council) did order, that it should be lawful for the barrister or barristers appointed, in pursuance of the provisions in the said Act contained, to determine and set out the extent, limits, and boundary lines of the wards into which it is provided, by the said Act, that certain boroughs of large population should be divided, and what portions of such boroughs should be included therein respectively, within the space of sixty days next after the passing of the said Act, instead of the space of six weeks next after the passing of the said Act : and whereas, John Boscawen Monro, Esq. and Frederic Gunning, Esq. the barristers appointed, in pursuance of the provisions of the said Act, to revise the Burgess and councillors' lists of the borough of King's Lynn, in the present year (the said borough of King's Lynn being one of the boroughs included in the said schedule), did, within sixty days next after the passing of the said Act, in due manner, determine and set out the extent, limits, and boundary lines of the wards of the said borough, according to the provisions of the said Act, and what portions of the said borough shall be included therein respectively : and the said barristers, after the division of such borough into such number of wards as is directed by the said Act, and within the said period of sixty days, did, in due manner, apportion among the several wards of such borough the number of councillors mentioned, in conjunction with the name of such borough, in the said schedule : and the said barristers have duly transmitted a copy of the particulars of such division, and of the particulars of the number of councillors so assigned to the several wards of the said borough, to one of His Majesty's Principal

Secretaries of State, in the words following, that is to say :

" We the undersigned, John Boscawen Monro and Frederic Gunning, being the barristers appointed, in pursuance of the provisions contained in an Act of Parliament, passed in the present year of the reign of His Majesty King William the Fourth, intituled " An Act to provide for the regulation of " municipal corporations in England and Wales," to revise the Burgess list of the borough of King's Lynn, in the county of Norfolk, do hereby determine and set out the extent, limits, and boundary lines of the three wards into which the said borough is, under the said Act, to be divided, and what portions of the said borough shall be included in each of such wards, in manner hereinafter mentioned, that is to say ; we do hereby determine, that the boundary line of one of the said three wards shall commence at the westernmost extremity of the said borough, opposite the centre of the Purfleet fleet, and shall thence proceed, in a northern direction, along the outer boundary line of the said borough till it comes round to a point on the eastern side of the said borough, opposite to the centre of Littleport-street, and shall proceed thence westward along the centre of Littleport and Norfolk-streets to a point in the centre of High-street, opposite the centre of Norfolk-street ; thence southward along the centre of High-street to a point opposite the southern side of Purfleet-street, thence westward to the western side of the house No. 97, High-street ; then in a southerly direction, past the said house, and immediately at the back of the premises known as No. 98, High-street, to the centre of the Purfleet-fleet ; thence westward along the centre of Purfleet-fleet to the point at the westernmost extremity of the said borough first described. in an Act of Parliament, passed in the present year of the reign of His Majesty King William the Fourth, intituled "An Act to provide for the regulation of municipal corporations in England and Wales," to revise the Burgess list of the borough of King's Lynn, in the county of Norfolk, have divided the said borough into three wards, as is directed by the said Act. Now we, having regard, as far as in our judgment we deem it to be practicable, as well to the number of persons rated to the relief of the poor in each of such three wards, as to the aggregate amount of the sums at which all the said persons are so rated, do hereby apportion the number of councillors mentioned, in conjunction with the name of the said borough, in the schedule (A.) to the said Act annexed, being eighteen, in manner following, that is to say: we hereby assign six councillors to each of the said three wards. Witness our hands this 31st day of October 1835.

and that such surname and arms may be in like manner taken, used, and borne by his issue; the said arms being first duly exemplified according to the laws of arms, and recorded in the Heralds' Office, otherwise the said licence and permission to be void and of none effect:

HALF-PAY AND RETIRED-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the declaration or certificate of identity required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay or retired-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 11th and 12th of January next, to Masters, Surgeons, and Pursers, and their Attorneys.

On the 13th, 14th, and 15th of January, to Lieutenants at 5s. a day and under, and their Attorneys.

On the 16th and 18th of January, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 19th, 20th, and 21st of January, to Admirals, Lieutenant-Generals, Major-Generals, Colonels, Lieutenant-Colonels, Majors, Captains, Commanders, and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay or retired-pay on the days fixed

for their rank, being brought forward on the days appointed for the payment of half-pay and retired-pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their declarations or certificates sufficiently early to admit of payment on the above-mentioned days, a recall will take place on the 23d and 25th of January.

After which the half-pay and retired-pay will be payable on the first and third Wednesday in every month, excepting during the general payment.

Officers residing in or near London, and wishing to receive their half-pay or retired-pay in person, are requested to deliver their declarations or certificates into the Wages-office at the Admiralty, Somerset-place, or transmit them to the Secretary of the Admiralty, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their declarations or certificates with the same dispatch, for unless such documents are delivered into this Office early, delay in the payment must unavoidably ensue.

As it sometimes happens that Officers apply personally for their half-pay or retired-pay, without having previously sent in their declarations or certificates as required by the usual advertisement, any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to the pay of the Navy, besides the above-mentioned modes, Officers may receive their half-pay or retired-pay in any of the following ways, viz.

1st. By drawing a bill for the amount, in which case they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half-pay, or Retired-pay, Accountant-General," and thereupon the proper form of a bill of exchange will be sent to them.

2d. By a remittance bill, or permanent remittance bill, payable to them at or in the neighbourhood of their residence, by the Collector of Customs or Excise.

3d. By extract or permanent remittance bill, at a Dock-yard, where there is an establishment of Pay Clerks.

In either of which two latter cases, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a remittance bill, or extract, will thereupon be made out and transmitted to them.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 29, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.
