NOTICE.

COMMUNICATION WITH FRANCE.

General Post-Office, July 20, 1836.

NOTICE is hereby given, that henceforward persons desirous of sending letters from the United Kingdom to France, will have the option, first of sending them unpaid, allowing the whole of the postage to be charged to the receiver; secondly, of paying the whole of the postage, in advance, to the place of destination; thirdly, of paying the British postage only to the frontier of France, as at present.

The optional payment of postage applies equally to patterns of merchandise.

The British postage upon all letters to and from France, and passing through France, is reduced at the rate of 4d. each single letter, and so on in proportion for double and treble letters, and so forth (except the local letters between Dover and Calais). A considerable reduction has been made in the French postage also.

A letter consisting of one piece of paper, under the weight of one ounce, will be liable, as at present, to single postage only, so far as regards the British rates; but no letter will be chargeable with more than a single rate of postage, whatever the number of enclosures may be, if it does not exceed the weight of one quarter of an ounce; or double postage from one quarter of an ounce, and not ex-

ceeding half an ounce; and treble postage from half an ounce, and under one ounce weight.

The postage in France is charged wholly by weight, without reference to the composition of the letter, and is at the rate of a single postage, if under a quarter of an ounce, and so on in proportion. A single sheet of paper, weighing more than a quarter of an ounce, will therefore be liable, in France, to additional charge.

Registered Letters.

Persons desirous of registering letters and packets for France, and passing through France, may have them entered on the letter bill, such letters will be liable to a registration rate of 2s. 6d. each, in addition to the ordinary British rates, and to double the French postage, according to weight. The whole payment to the place of destination must be made in advance, and such letters must be brought to the General Post-office for the purpose of being registered before six o'clock in the evening, on ordinary post nights, and before ten o'clock on Tuesdays and Fridays.

In addition to the general reduction in the British rates of postage of 4d. upon all letters to and from France, and passing through France, there will be a further reduction at the rate of 3d. for each single letter, and so on in proportion, for all letters to and from Spain and Portugal, passing in transit through France; and of 2d. for each single letter, and so on in proportion, upon all letters to and from Switzerland, passing in transit through France.

The rate of postage on the local letters between Dover and Calais, is reduced from 6d. to 3d. for each single letter, and so on in proportion.

British rates upon a single letter from London for France, and for countries passing through France:

	Old Rate.		New Rate.	
	s.	d.	s.	d.
France	1	2	0	10
Spain and Portugal	2	2	1	7
Switzerland	1	8	1	2
Germany	1	8	1	4
Italy, Turkey, &c.	1	11	1	7
Dover and Calais	0	6	0	3

Ship Letters.

Ship letter bags will be made up at Southampton and Havre, Brighton and Dieppe for letters passing between those places, to be forwarded by the regular passage vessels.

The postage on such letters will be 8d. for each single letter, and so on in proportion, and the payment in advance will be at the option of the senders.

Newspapers.

English newspapers addressed to France may be forwarded (in covers open at the sides), and under the usual regulations as to writing and enclosures, free of charge to the sender. A rate of four centimes each paper (equivalent to one half-penny) will be charged upon delivery in France. French newspapers addressed to the United Kingdom and the colonies will be liable to a charge of one half-penny each upon delivery.

The public are specially requested to observe, that for the present, unpaid letters can only be sent to places within France, and not to any Foreign countries passing through France. Letters for Switzerland and Sardinia may be post paid, in advance, to the place of destination. Letters for Southern Italy may be post paid, in advance, to the Italian Frontier of Sardinia; and letters for Austria and Venetian Lombardy may be post paid, in advance, through France, but unpaid letters for those countries cannot be forwarded.

By command of His Majesty's Postmaster-General,

Henry Freeling, Assistant Secretary.
