IT is this day ordered by His Majesty in Council, that the Parliament, which stands prorogued to Thursday the twentieth day of October instant, be further prorogued to Thursday the eighth day of December next.

AT the Court at *St. James's*, the 5th day of *October* 1836,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the last session of Parliament, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," reciting, amongst other things, that His Majesty was pleased, on the fourth day of February, and on the sixth day of June, in the year one thousand eight hundred and thirty-five, to issue two several commissions to certain persons therein respectively named, directing them to consider the

state of the several dioceses in England and Wales, with reference to the amount of their revenues, and the more equal distribution of episcopal duties, and the prevention of the necessity of attaching, by commendam, to bishoprics, benefices with cure of souls; and to consider also the state of the several cathedral and collegiate churches in England and Wales, with a view to the suggestion of such measures as might render them conducive to the efficiency of the Established Church, and to devise the best mode of providing for the cure of souls, with special reference to the residence of the clergy on their respective benefices; and reciting, that the said Commissioners had, in pursuance of such directions, made four several reports to His Majesty, bearing date respectively the seventeenth day of March one thousand eight hundred and thirty-five, the fourth day of March, the twentieth day of May, and the twenty-fourth day of June, one thousand eight hundred and thirty-six; and reciting, that the said Commissioners had in their said reports, amongst other things, recommended that commissioners should be appointed by Parliament for the purpose of preparing and laying before His Majesty in Council, such schemes as should appear to them to be best adapted for carrying into effect, amongst others, the following recommendations; and that His Majesty in Council should be empowered to make Orders ratifying such schemes and having the full force of law; and that the diocese of Oxford should be increased by the county of Buckingham,

now in the diocese of Lincoln, and by the county of Berks, now in the diocese of Salisbury; and that all parishes which are locally situate in one diocese, but under the jurisdiction of the bishop of another diocese, should be made subject to the jurisdiction of the bishop of the diocese within which they are locally situate; and that such variations should be made in the proposed boundaries of the different dioceses as might appear advisable, after more precise information respecting the circumstances of particular parishes or districts; and that none of the proposed alterations affecting the boundaries or jurisdiction of any diocese, the bishop of which was in possession on the fourth day of March one thousand eight hundred and thirty-six, should take effect until the avoidance of the see, without the consent of such bishop; and that all the archdeaconries of England and Wales should be in the gift of the bishops of the respective dioceses in which they are situate:

It is, amongst other things, enacted, that the Lord Archbishop of Canterbury for the time being, the Lord Archbishop of York, and the Lord Bishop of London for the time being, John Lord Bishop of Lincoln, James Henry Lord Bishop of Gloucester, the Lord High Chancellor of Great Britain, the Lord President of the Council, the Lord High Treasurer or the First Lord of the Treasury, and the Chancellor of the Exchequer for the time being respectively, and such one of His Majesty's Principal Secretaries of State as shall be for that purpose nominated by His Majesty under His royal sign manual (such Lord Chancellor, Lord President, Lord High Treasurer or First Lord of the Treasury, Chancellor of the Exchequer, and Secretary of State being respectively members of the United Church of Great Britain and Ireland), the Right Honourable Dudley Earl of Harrowby, the Right Honourable Henry Hobhouse, and the Right Honourable Sir Herbert Jenner, Knight, should, for the purposes of the said Act, be one body politic and corporate, by the name of "the Ecclesiastical Commissioners for England," and by that name should have perpetual succession and a common seal:

And it is further enacted, that the said Commissioners should, from time to time, prepare and lay before His Majesty in Council such schemes as should appear to the said Commissioners to be best adapted for carrying into effect the thereinbefore recited recommendations, and should in such schemes

recommend and propose such measures as might, upon further inquiry, which the said Commissioners are thereby authorised to make, appear to them to be necessary for carrying such recommendations into full and perfect effect; provided always, that nothing therein contained should be construed to prevent the said Commissioners from proposing, in any such scheme, such modifications or variations, as to matters of detail and regulation, as should not be substantially repugnant to any or either of the said recommendations; and, in particular, that it should be competent to the said Commissioners to propose in any such scheme that all parishes, churches, or chapelries which are locally situate in any diocese, but subject to any peculiar jurisdiction other than the jurisdiction of the bishop of the diocese in which the same are locally situate, shall be only subject to the jurisdiction of the bishop of the diocese within which such parishes, churches, or chapelries are locally situate:

And it is further enacted, that when any scheme, prepared under the authority of the said Act, should be approved by His Majesty in Council, it should be lawful for His Majesty in Council to issue an Order or Orders ratifying the same, and specifying the time or times when such scheme, or the several parts thereof, should take effect, and to direct in every such Order that the same should be registered by the registrar of each of the dioceses the bishops whereof might or should be in any respect affected thereby:

And it is further enacted, that every such Order should, as soon as might be after the making and issuing thereof by His Majesty in Council, be inserted and published in the London Gazette:

And it is further enacted, that, so soon as any such Order in Council should be so registered and gazetted, it should in all respects, and as to all things therein contained, have and be of the same force and effect as if all and every part thereof were included in the said Act, any law, statute, canon, letters patent, grant, usage, or custom to the contrary notwithstanding:

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared, and laid before His Majesty in Council, a scheme, bearing date the fourth day of October one thousand eight hundred and thirty-six, in the words and figures following, that is to say:

To the King's Most Excellent Majesty in Council.

We the Ecclesiastical Commissioners for England, appointed and incorporated by an Act of Parliament, passed in this present year of your Majesty's reign, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme for carrying into effect so much of the recommendations in the said Act contained, respecting the bishoprics of Oxford and Salisbury, as relates to the county and archdeaconry of Berks.

We humbly recommend and propose, with the consent of the Right Reverend Thomas Bishop of Salisbury and Richard Bishop of Oxford, respectively, to such parts of this scheme as relate to their respective bishoprics, in testimony whereof they have respectively signed and sealed this scheme, that the whole county of Berks, and those parts of the county of Wilts which are insulated therein, forming together the archdeaconry of Berks and part of the diocese of Salisbury, shall be forthwith absolutely detached and dis severed from the said diocese, and shall be and become permanently annexed and united to and included in and form part of the diocese of Oxford; and that the said archdeaconry, and all parishes and places, churches and chapels, within the limits thereof, and the present and every future archdeacon thereof, and all rural deans, and the whole clergy, and others your Majesty's subjects within the same, shall be forthwith exempted and released from all jurisdiction, authority, and controul of the see of Salisbury, and of the present and every future bishop thereof, and shall be under and subject to the episcopal jurisdiction, authority, and controul of the present bishop of Oxford and his successors bishops of Oxford for the time being, as entirely and effectually, to all intents and purposes, as the county and archdeaconry of Oxford and the archdeacon thereof now are.

And we further recommend and propose, that the right of appointing the archdeacon of the said archdeaconry of Berks shall be vested in the Bishop of Oxford and his successors bishops of Oxford for ever.

And we further recommend and propose, that

nothing herein contained shall prevent us from recommending and proposing other measures relating to the bishoprics of Salisbury and Oxford, respectively, in conformity to the provisions of the said Act.

All which we humbly recommend and propose to your Majesty in Council.

In witness whereof we have hereunto set our common seal, this fourth day of October in the year one thousand eight hundred and thirty-six.

Now, therefore, His Majesty, having taken the said scheme into consideration, is pleased, by and with the advice of His Privy Council, hereby to approve thereof and to ratify the same; and it is hereby, by and with the advice aforesaid, ordered and directed, that this Order shall be forthwith registerered by the registrars of the dioceses of Oxford and Salisbury respectively in the registries of their respective dioceses; and that the said registrars do forthwith respectively certify to His Majesty in Council, that they have complied with these commands; and it is hereby further ordered and directed, by and with the advice aforesaid, that this Order shall be forthwith inserted and published in the London Gazette, and that the same, together with the said scheme and every part thereof, shall have full and perfect effect from and immediately after such registration and insertion and publication as aforesaid.

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared and laid before His Majesty in Council a scheme, bearing date the fourth day of October one thousand eight hundred and thirty-six, in the words and figures following, that is to say :

To the King's Most Excellent Majesty in Council.

We the Ecclesiastical Commissioners for England, appointed and incorporated by an Act of Parliament, passed in this present year of your Majesty's reign, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme for carrying into effect so much of the recommendations in the said Act contained, respecting the bishoprics of Salisbury and Bristol, as relates to the county and archdeaconry of Dorset.

We humbly recommend and propose, with the consent of the right Reverend Thomas Bishop of Salisbury and Henry Bishop of Exeter, respectively, to such parts of this scheme as relate to their re-

spective bishoprics, in testimony whereof they have respectively signed and sealed this scheme, that, except as hereinafter excepted, the whole county of Dorset, and the parish of Holwell, in the county of Somerset, now forming together the archdeaconry of Dorset and part of the diocese of Bristol, the see whereof is now vacant, and the parish of Thornecomb, in the county of Devon, but insulated in the said county of Dorset, and now in the diocese of Exeter, shall be forthwith absolutely detached and dissevered from the said dioceses of Bristol and Exeter respectively, and shall be and become permanently annexed and united to and included in and form part of the diocese of Salisbury ; and that the said parish of Thornecomb shall be included in the said archdeaconry of Dorset and within the deanry of Bridport, and that the said archdeaconry, and all parishes and places, churches, and chapels, within the limits thereof, and the present and every future archdeacon thereof, and all rural deans, and the whole clergy, and others your Majesty's subjects within the same, shall be forthwith exempted and released from all jurisdiction, authority, and control of the sees of Bristol and Exeter respectively, and shall be under and subject to the episcopal jurisdiction, authority, and control of the said Bishop of Salisbury, and of his successors bishops of Salisbury for the time being, as entirely and effectually, to all intents and purposes, as the archdeaconry of Salisbury and the archdeacon thereof now are.

And it is further enacted, that the said Commissioners should, from time to time, prepare and lay before His Majesty in Council such schemes as should appear to the said Commissioners to be best adapted for carrying into effect the thereinbefore recited recommendations, and should in such schemes

recommend and propose such measures as might, upon further inquiry, which the said Commissioners were thereby authorised to make, appear to them to be necessary for carrying such recommendations into full and perfect effect; provided always, that nothing therein contained should be construed to prevent the said Commissioners from proposing, in any such scheme, such modifications or variations, as to matters of detail and regulation, as should not be substantially repugnant to any or either of the said recommendations; and, in particular, that it should be competent to the said Commissioners to propose in any such scheme that all parishes, churches, or chapelries which are locally situate in any diocese, but subject to any peculiar jurisdiction other than the jurisdiction of the bishop of the diocese in which the same are locally situate, should be only subject to the jurisdiction of the bishop of the diocese within which such parishes, churches, or chapelries are locally situate:

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared and laid before His Majesty in Council, a scheme, bearing date the fourth day of October, one thousand eight hundred and thirty-six, in the words and figures following, that is to say:

To the King's Most Excellent Majesty in Council.

We the Ecclesiastical Commissioners for England, appointed and incorporated by an Act of Parliament, passed in this present year of your Majesty's reign, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme respecting so much of the recommendations in the said Act contained, relating to the union of the sees of Gloucester and Bristol, as it appears to us may be forthwith carried into effect,

Whereas by a scheme, bearing even date herewith, we have recommended and proposed that the whole archdeaconry of Dorset, now forming part of the diocese of Bristol, the see whereof is now vacant, shall be forthwith separated from the said diocese, and annexed to the dioceses of Salisbury and Exeter respectively,

We now humbly recommend and propose, with the consent of the Right Reverend James Henry Bishop of Gloucester, in testimony whereof he hath signed and sealed this scheme, that the remaining part of the said diocese of Bristol shall be forthwith permanently annexed and united to the diocese of Gloucester, and that the same, when so united, shall for ever hereafter be and be called and known by the name of the Diocese of Gloucester and Bristol,

And we further recommend and propose, that the sees of Gloucester and Bristol shall be forthwith permanently united, and shall, when so united, be and be called and known by the name of the See of Gloucester and Bristol, and that the said James Henry now Bishop of Gloucester shall be the Bishop of the said see of Gloucester and Bristol, and shall become absolutely confirmed in the said bishopric, and, ipso facto, seized and possessed of all the property, revenues, advowsons, and patronage now belonging to the said see of Bristol, and of all the episcopal jurisdiction, power, and authority heretofore possessed and exercised by bishops of Bristol, excepting so far as relates to the said county and archdeaconry of Dorset, without any other act, deed, form, or proceeding whatsoever, other than such Order or Orders as it may please your Majesty in

Council to make and issue in pursuance of this scheme, and under the authority of the said Act.

And we further recommend and propose, that the said Bishop, and his successors bishops of Gloucester and Bristol, shall be one body corporate, by the name of the Bishop of Gloucester and Bristol, and by that name shall have perpetual succession and a common seal, and that he and his successors shall and may by that name sue and be sued, and shall and may take and hold all lands, tithes, advowsons, tenements, and hereditaments now held by the said James Henry as Bishop of Gloucester, or so transferred as aforesaid, or which may be given or granted to him or them by your Majesty, your heirs and successors, or by any other person or persons whatsoever, and may give or grant the same, and make leases and enjoy and do all other rights and acts in respect of the same, in as full and perfect a manner as other bishops of England Wales, but no otherwise,

And we further recommend and propose, that the said James Henry, as Bishop of Gloucester and Bristol, and his successors bishops of Gloucester and Bristol, shall occupy the same seat in the cathedral church of Bristol, and shall possess and exercise the same authority and jurisdiction, ordinary and visitatorial, over the dean and chapter thereof, as has heretofore been possessed and exercised by bishops of Bristol,

And we further recommend and propose, that the said James Henry Bishop of Gloucester and Bristol shall be exempted and relieved from the payment of first fruits, and of all costs, charges, fees, and expences whatsoever in respect of his so becoming Bishop of Gloucester and Bristol,

And we further recommend and propose, that upon the first avoidance of the said see of Gloucester and Bristol, the warrant for the election of a person to be the bishop thereof shall issue to the dean and chapter of the cathedral church of Bristol, and that upon all future avoidances of the said see, the warrant for the election of a bishop thereof shall issue alternately to the dean and chapter of the cathedral church of Gloucester, and to the dean and chapter of the cathedral church of Bristol.

And we further recommend and propose, that all such episcopal acts, gifts, grants, and leases performed and made by the said James Henry Bishop of Gloucester and Bristol, and by his successors bishops of Gloucester and Bristol, as may require

confirmation under the common seal of a dean and chapter, shall be presented for confirmation to the dean and chapter of the cathedral church either of Gloucester or of Bristol, accordingly as the right of confirmation thereof would have belonged to the one or to the other dean and chapter, if the union of the two sees had not taken place; and that every such act, gift, grant, and lease, being so confirmed by such dean and chapter, shall be good and valid.

And we further recommend and propose, that the deanery of the Forest, in the said diocese of Gloucester, but now within the archdeaconry of Hereford, shall forthwith be severed from the said archdeaconry, and exempted and released from the jurisdiction of the archdeacon thereof, and shall be included in the archdeaconry of Gloucester, and that those parts of the existing archdeaconry of Gloucester which now form the deaneries of Bristol, Cirencester, Fairford, and Hawkesbury shall be forthwith absolutely detached and dissevered from the said archdeaconry of Gloucester, and that the same and the rural deans of all the said deaneries respectively shall be exempted and released from all jurisdiction, authority, and control of the present and every future archdeacon of Gloucester; and that all the parishes within the city of Bristol shall be included in and form part of the deanery of Bristol; and that the said deaneries of Bristol, Cirencester, Fairford, and Hawkesbury shall be constituted and made one archdeaconry, and shall be called and known by the name of the Archdeaconry of Bristol; and that the Bishop of Gloucester and Bristol for the time being shall and may appoint some fit and proper person to be archdeacon thereof; and that the said archdeaconry and the archdeacon thereof, and all parishes and places, churches and chapels within the limits thereof, and all rural deans, and the whole clergy, and others your Majesty's subjects within the same, shall be under and subject to the episcopal jurisdiction, authority, and control of the Bishop of Gloucester and Bristol for the time being, as entirely and effectually, to all intents and purposes, as the archdeaconry and archdeacon of Gloucester are now subject to the episcopal jurisdiction, authority, and control of the said Bishop of Gloucester; provided that nothing herein contained shall affect any part of the parish of Bedminster.

And we further recommend and propose, that the right of appointing the archdeacons of both the said archdeaconries of Gloucester and Bristol, respectively,

shall be vested in the said Bishop of Gloucester and Bristol, and his successors bishops of Gloucester and Bristol for ever.

And whereas it is expedient that the Bishop of Gloucester and Bristol for the time being should reside sometimes at or near to Bristol, as well as at Gloucester; and that for this purpose a second house of residence should be provided for the said bishop in some convenient situation at or near to the said city of Bristol, we further recommend and propose, that the site of the episcopal palace heretofore possessed and occupied by bishops of Bristol for the time being, but lately so much injured and impaired as to be wholly unfit for habitation, shall be forthwith sold under our direction, and shall and may be conveyed by the said Bishop of Gloucester and Bristol to the purchaser thereof, and that the proceeds of such sale, together with such portion of the sum lately recovered as damages in an action for compensation for such injury, and the accumulations thereof, as shall remain, after payment of all proper expences incident thereto, shall be paid and transferred to us, for the purpose of being applied towards the purchase or erection, under our authority and direction, of a fit house of residence, to be situate as aforesaid; provided that such house, or the site whereupon any such house is proposed to be erected, shall be first submitted to and approved of by your Majesty in Council.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said bishopric of Gloucester and Bristol, in conformity to the provisions of the said Act.

All which we humbly recommend and propose to your Majesty in Council.

In witness whereof we have hereunto set our common seal, this fourth day of October in the year one thousand eight hundred and thirty-six.

Now, therefore, His Majesty, having taken the said scheme into consideration, is pleased, by and with the advice of His Privy Council, hereby to approve thereof and to ratify the same; and it is hereby, by and with the advice aforesaid, ordered and directed, that this Order shall be forthwith registered by the registrars of the dioceses of Gloucester and Bristol respectively in the re-

AT the Court at *St. James's*, the 5th day of October 1836,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the last session of Parliament, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," reciting, amongst other things, that His Majesty was pleased, on the fourth day of February, and on the sixth day of June, in the year one thousand eight hundred and thirty-five, to issue two several commissions to certain persons therein respectively named, directing them to consider the state of the several dioceses in England and Wales, with reference to the amount of their revenues, and the more equal distribution of episcopal duties, and the prevention of the necessity of attaching, by commendam, to bishoprics, benefices with cure of souls; and to consider also the state of the several cathedral and collegiate churches in England and Wales, with a view to the suggestion of such measures as might render them conducive to the efficiency of the Established Church, and to devise the best mode of providing for the cure of souls, with special reference to the residence of the clergy on their respective benefices; and reciting, that the said Commissioners had, in pursuance of such directions, made four several reports to His Majesty, bearing date respectively the seventeenth day of March one thousand eight hundred and thirty-five, the fourth day of March, the twentieth day of May, and the twenty-fourth day of June, one thousand

eight hundred and thirty-six; and reciting, that the said Commissioners had in their said reports, amongst other things, recommended that commissioners should be appointed by Parliament for the purpose of preparing and laying before His Majesty in Council, such schemes as should appear to them to be best adapted for carrying into effect, amongst others, the following recommendations; and that His Majesty in Council should be empowered to make Orders ratifying such schemes and having the full force of law; and that two new sees should be erected in the province of York, one at Manchester, and the other at Ripon; and that the diocese of Ripon should consist of that part of the county of York which is now in the diocese of Chester, of the deanry of Craven, and of such parts of the deanries of the Ainsty and Pontefract, in the county and diocese of York, as lie to the westward of the following districts, viz. the liberty of the Ainsty, and the wapentakes of Barkston, Ash, Osgoldcross, and Staincross; and that all parishes which are locally situate in one diocese, but under the jurisdiction of the bishop of another diocese, should be made subject to the jurisdiction of the bishop of the diocese within which they are locally situate; and that such variations should be made in the proposed boundaries of the different dioceses as might appear advisable, after more precise information respecting the circumstances of particular parishes or districts; and that the bishops of the two newly erected sees should be made bodies corporate, and be invested with all the same rights and privileges as are now possessed by the other bishops of England and Wales; and that they should be made subject to the metropolitan jurisdiction of the archbishop of York; and that the collegiate churches of Manchester and Ripon should be made the cathedrals, and that the chapters thereof should be the chapters of the respective sees of Manchester and Ripon, and should be invested with all the rights and powers of other cathedral chapters, and that the members of them, and of all other cathedral churches in England, should be styled Dean and Canons; and that none of the proposed alterations affecting the boundaries or jurisdiction of any diocese, or the patronage of benefices with cure of souls, or the revenues belonging to any see, the bishop of which was in possession on the fourth day of March one thousand eight hundred and thirty-six, should take effect until the avoidance of the see, without the consent of such bishop; and that a new archdeaconry of Craven should be created, and that a district should be assigned to the same; and that

the limits of the existing deanries and archdeaconries should be newly arranged, so that every parish and extra-parochial place should be within a rural deanry, and every deanry with an archdeaconry; and that no archdeaconry should extend beyond the limits of one diocese; and that all the archdeaconries of England and Wales should be in the gift of the bishops of the respective dioceses in which they are situate:

It is enacted, amongst other things, that the Lord Archbishop of Canterbury for the time being, the Lord Archbishop of York, and the Lord Bishop of London for the time being, John Lord Bishop of Lincoln, James Henry Lord Bishop of Gloucester, the Lord High Chancellor of Great Britain, the Lord President of the Council, the Lord High Treasurer or the First Lord of the Treasury, and the Chancellor of the Exchequer for the time being, respectively, and such one of His Majesty's Principal Secretaries of State as should be for that purpose nominated by His Majesty under His royal sign manual (such Lord Chancellor, Lord President, Lord High Treasurer or First Lord of the Treasury, Chancellor of the Exchequer, and Secretary of State being respectively members of the United Church of Great Britain and Ireland), the Right Honourable Dudley Earl of Harrowby, the Right Honourable Henry Hobhouse, and the Right Honourable Sir Herbert Jenner, Knt. should, for the purposes of this Act, be one body politic and corporate, by the name of the Ecclesiastical Commissioners for England, and by that name should have perpetual succession and a common seal:

And it is further enacted, that the said Commissioners should, from time to time, prepare and lay before His Majesty in Council such schemes as should appear to the said Commissioners to be best adapted for carrying into effect the thereinbefore recited recommendations, and should in such schemes recommend and propose such measures as might upon further enquiry, which the said Commissioners are thereby authorised to make, appear to them to be necessary for carrying such recommendations into full and perfect effect; provided always, that nothing therein contained should be construed to prevent the said Commissioners from proposing in any such scheme such modifications or variations, as to matters of detail and regulation, as should not be substantially repugnant to any or either of the said recommendations; and, in particular, that it should be competent

to the said Commissioners to propose in any such scheme that all parishes, churches, or chapelries which are locally situate in any diocese, but subject to any peculiar jurisdiction other than the jurisdiction of the bishop of the diocese in which the same are locally situate, should be only subject to the jurisdiction of the bishop of the diocese within which such parishes, churches, or chapelries are locally situate:

And it is further enacted, that when any scheme, prepared under the authority of the said Act, should be approved by His Majesty in Council, it should be lawful for His Majesty in Council to issue an Order or Orders ratifying the same, and specifying the time or times when such scheme, or the several parts thereof, should take effect, and to direct in every such Order that the same should be registered by the registrar of each of the dioceses, the bishops whereof might or should be in any respect affected thereby; and in any newly created diocese by such person as should be for that purpose named in any Order, which person should, in such last mentioned diocese, become registrar there, and so continue as long as he should demean himself well in his office:

And it is further enacted, that every such Order should, as soon as may be after the making and issuing thereof by His Majesty in Council, be inserted and published in the London Gazette:

And it is further enacted, that, as soon as any such Order in Council should be so registered and gazetted, it should in all respects and as to all things therein contained have and be of the same force and effect as if all and every part thereof were included in the said Act, any law, statute, canon, letters patent, grant, usage, or custom to the contrary notwithstanding:

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared and laid before His Majesty in Council a scheme, bearing date the fourth day of October one thousand eight hundred and thirty-six, in the words and figures following, that is to say:

To the King's Most Excellent Majesty in Council.

We the Ecclesiastical Commissioners for England, appointed and incorporated by an Act of Parliament, passed in the present year of your Majesty's reign, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and

"Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme for carrying into effect so much of the recommendations in the said Act contained, relating to the erection of two new sees, in the province of York, as it appears to us may be forthwith carried into effect.

Whereas by a scheme, bearing even date herewith, we have recommended and proposed that the sees of Gloucester and Bristol shall be united and become one see, and be held by one bishop, to be styled the Bishop of Gloucester and Bristol whereby the number of the bishoprics in England and Wales will be reduced.

And whereas the consent of the Right Honourable and Most Reverend Edward Archbishop of York and the Right Reverend John Bird Bishop of Chester, respectively, have been obtained to such arrangements affecting their respective sees, as are necessary to the erection of the proposed new bishopric of Ripon, and as are set forth in this scheme, in testimony whereof they have respectively signed and sealed this scheme; we, therefore, humbly recommend and propose, that the collegiate church of Ripon shall be forthwith constituted, and shall become and for ever hereafter be, a cathedral church and the seat of a bishop within the province of York; and that the present dean and prebendaries thereof shall from henceforth be called and styled Dean and Canons; and that the said dean and canons shall be the dean and chapter of the said church, and shall be subject to all such future orders and regulations as may be hereafter made by competent authority, touching the said cathedral church, or the said dean and chapter thereof.

And we further recommend and propose, that the town and borough of Ripon, and all such parts of the deaneries of the Ainsty and of Pontefract, respectively, now forming part of the archdeaconry of York, otherwise called the archdeaconry of the west riding, in the county and present diocese of York, as adjoin to the western boundaries of the liberty of the Ainsty, and of the wapentakes of Barkston Ash, Osgoldcross, and Staincross, respectively, and all that part of the county of York which now forms part of the archdeaconry of Richmond and diocese of Chester; and the whole of the parish of Aldborough, in the said county of York, shall be forthwith

absolutely separated and dis severed from the respective dioceses of York and Chester, and exempted and released from all episcopal jurisdiction, authority, and controul of the archbishop of York and the bishop of Chester, and of their successors archbishops of York and bishops of Chester respectively, and shall be made and constituted, and shall become and be for ever hereafter called and known by the name of, the Diocese of Ripon; and all episcopal jurisdiction, authority, and controul within and over the same, and every part thereof, shall belong to, and be exercised by, the bishop of Ripon, to be duly constituted as hereinafter provided, and to his successors bishops of Ripon.

And we further recommend and propose, that such person as shall be duly elected by the said dean and chapter, in pursuance of a warrant from your Majesty in that behalf, and shall be duly confirmed and consecrated according to law, shall become bishop of the see and diocese of Ripon, and that the said bishop, and his successors bishops of Ripon, shall be invested with all the same and the like rights, privileges, dignities, power, jurisdiction, and authority as have heretofore been and now are possessed by the respective bishops of England and Wales, and shall be subject to the metropolitan jurisdiction of the Archbishop of York, for the time being, as entirely and effectually to all intents and purposes as the other bishops within the province of York now are.

And we further recommend and propose, that the said Bishop of Ripon and his successors shall be one body corporate, by the name of the Bishop of Ripon, and by that name shall have perpetual succession and a common seal, and that he and his successors shall and may by that name sue and be sued, and shall have power and authority to take and hold all lands, tithes, advowsons, tenements and hereditaments, whatsoever and wheresoever, which may be given or granted to him or them by your Majesty, your heirs, and successors, or by any other person or persons whatsoever, and may give or grant the same, and make leases, and enjoy and do all other rights and acts in respect of the same in as full and perfect a manner as other bishops of England and Wales, but no otherwise.

And we further recommend and propose, that the said collegiate church shall become, and shall for ever hereafter be, the cathedral church of the said bishop and of his successors bishops of Ripon, and shall be

invested with all the honours, dignities, and privileges of an episcopal seat; and that the said bishop of Ripon and his successors for ever shall enjoy and exercise the like episcopal pre-eminence, jurisdiction, power, and authority within and over the said cathedral church and the aforesaid diocese of Ripon in as full and ample a manner as other bishops of England and Wales within and over their respective dioceses and the cathedral churches thereof, and shall be subject to the jurisdiction of the Archbishop of York and his successors; and that the bishop and the said dean and chapter of Ripon, and all archdeacons, and the whole clergy, and others your Majesty's subjects within the said diocese of Ripon, shall own obedience to the said Archbishop of York as their metropolitan.

And we further recommend and propose, that the said bishop of Ripon and his successors bishops of Ripon, and the said dean and chapter of the cathedral church of Ripon, and their successors shall have full power and authority to do all acts and deeds, whether jointly or severally as the case may be, within the said diocese of Ripon, in like manner and as fully and effectually as any other bishop, and the dean and chapter of any other cathedral church may now do, either jointly or severally as the case may be, within the province of York.

And we further recommend and propose, that the said diocese of Ripon shall be divided into two archdeaconries, to be called the Archdeaconry of Richmond, and the Archdeaconry of Craven, and that the archdeaconry of Richmond, in the diocese of Ripon, shall consist of the deaneries of Richmond, Catterick, and Boroughbridge, and so much of the deanery of Kirkby Lonsdale as is in the county of York; and that the archdeaconry of Craven shall consist of the deaneries of Pontefract and Craven; and that the archdeacon of York, otherwise called the archdeacon of the west riding, in the diocese of York, shall be discharged from all jurisdiction over those parts of his present archdeaconry, which will be within the diocese of Ripon; and that the said bishop of Ripon shall forthwith appoint some fit and proper person to be the archdeacon of the said archdeaconry of Craven; and that the right of appointing the archdeacons of the said archdeaconries respectively shall be vested in the bishop of Ripon and his successors for ever; and that both the said archdeaconries, and the archdeacons thereof for the time being, shall be under and subject to the episcopal jurisdiction, authority, and controul of the bishop of

Ripon for the time being, as entirely and effectually to all intents and purposes, as the archdeaconries of the east riding, and of Cleveland, and the archdeacons thereof, are now subject to the episcopal jurisdiction, authority, and controul of the archbishop of York.

And we further recommend and propose, that the said deanery of Pontefract, in the said archdeaconry of Craven, shall consist of all those parishes and places now within the respective deaneries of Pontefract and the Ainsty, which will be within the said diocese of Ripon; provided that nothing herein contained shall prevent us from recommending and proposing any such plan as, upon further enquiry and consideration, shall appear to us to be expedient for newly arranging the limits of the existing deaneries within the said archdeaconries respectively.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the said bishopric of Ripon, and the endowment thereof, in conformity to the provisions of the said Act.

All which we humbly recommend and propose to your Majesty in Council.

In witness whereof we have hereunto set our common seal, this fourth day of October in the year one thousand eight hundred and thirty-six.

Now, therefore, His Majesty having taken the said scheme into consideration is pleased, by and with the advice of His Privy Council, hereby to approve thereof, and to ratify the same, and it is hereby, by and with the advice aforesaid, ordered and directed that this Order shall be forthwith registered by the registrars of the dioceses of York and Chester, respectively, in the registries of their respective dioceses, and also by John Burder, of Parliament-street, Gent. in a book, to be by him provided and kept for the purpose, and which shall from thenceforth become and be the registry of the diocese of Ripon, and that the said registrars, and the said John Burder, do forthwith respectively certify to His Majesty in Council, that they have complied with these commands; and it is further ordered and directed, by and with the advice aforesaid, that this Order shall be forthwith inserted and published in the London Gazette, and that the same, togethe

with the said scheme and every part thereof, shall have full and perfect effect from and immediately after such registration and insertion and publication as aforesaid.

HALF-PAY AND RETIRED-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that on the receipt in the Wages Department at the Admiralty-office, Somerset-place, of the declaration or certificate of identity required from each Officer by His Majesty's Orders in Council, a bill for the amount of the half-pay or retired-pay due will be made out in this Department, which will be payable by the Treasurer of His Majesty's Navy, on the following days, viz.

On the 10th and 11th of October next, to Masters, Surgeons, and Pursers, and their Attorneys.

On the 12th, 13th, and 14th of October, to Lieutenants at 5s. a day and under, and their Attorneys.

On the 15th and 17th of October, to Lieutenants at 7s and 6s. a day, and Chaplains, and their Attorneys.

On the 19th, 20th, and 21st of October, to Admirals, Lieutenant-Generals, Major-Generals, Colonels, Lieutenant-Colonels, Majors, Captains, Commanders, and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay or retired-pay on the days fixed for their rank, being brought forward on the days appointed for the payment of half-pay and retired-

pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their declarations or certificates sufficiently early to admit of payment on the above-mentioned days, a recall will take place on the 24th and 25th of October.

After which the half-pay and retired-pay will be payable on the first and third Wednesday in every month, excepting during the general payment.

Officers residing in or near London, and wishing to receive their half-pay or retired-pay in person, are requested to deliver their declarations or certificates into the Wages-office at the Admiralty, Somerset-place, or transmit them to the Secretary of the Admiralty, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their declarations or certificates with the same dispatch, for unless such documents are delivered into this Office early, delay in the payment must unavoidably ensue.

As it sometimes happens that Officers apply personally for their half-pay or retired-pay, without having previously sent in their declarations or certificates as required by the usual advertisement, any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to the pay of the Navy, besides the above-mentioned modes, Officers may receive their half-pay or retired-pay in any of the following ways, viz.

1st. By drawing a bill for the amount, in which case they are to give notice thereof, by letter, to the Secretary of the Admiralty, marked, in the corner, "Half-pay, or Retired-pay, Accountant-General," and thereupon a proper form of a bill of exchange will be sent to them.

2d. By a remittance bill, or permanent remittance bill, payable to them at or in the neighbourhood of their residence, by the Collector of Customs or Excise.

3d. By extract, at a Dock-yard, where there is an establishment of Pay Clerks.

In either of which two latter cases, they must give a like notice to the Secretary of the Admiralty, marked in the same manner, and a remittance bill, or extract, will thereupon be made out and transmitted to them.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 20, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act,
