THE Corporation for preserving and improving the port of Dublin hereby give notice, that having submitted for consideration of His Majesty in Council, the following exemptions and alterations in the collection of Irish light dues, His Majesty has been graciously pleased, by and with the advice of His Privy Council, to approve thereof:

Exemptions.

All vessels when navigated wholly in ballast, and without passengers.

All vessels, as regards lights which they may pass or otherwise receive benefit by when driven out of their course by stress of weather, and vessels driven by stress of weather to seek shelter in any port, unless they shall break bulk or take in cargo at such port, or shall remain in port longer than the state of the weather, or the reparation of damages may render unavoidable.

The duties for vessels in the coasting trade of the United Kingdom to be paid at the port at which they deliver their cargoes, and not at the port of loading; and

For oversea traders and foreign vessels, previously to clearing outwards for an outward voyage, and inwards for a homeward voyage.

When two courses are open to a vessel outward bound to a foreign port, that course having the greater number of lights is to be charged; should the vessel, on her return, prove that she proceeded by the other course, the difference will be refunded.

By order of the Corporation,

H. Vereker, Secretary.

NOTICE TO WIDOWS OF NAVAL OFFICERS.

IN order to prevent inconvenience to Widows of Naval Officers attending to receive their pensions at the Office of His Majesty's Paymaster-General,

Whitehall, the payments for the quarter ending 31st December 1836, will be made in the following order, viz.

Widows of Boatswains, Gunners, and Carpenters, on Monday the 2d and Tuesday the 3d of January 1837.

Widows of Masters, Surgeons, Assistant-Surgeons, and Pursers, on Wednesday the 4th and Thursday the 5th of January 1837.

Widows of Lieutenants, on Friday the 6th of January 1837.

Widows of Admirals, Captains, and Commanders, on Monday the 9th of January 1837.

After which period, the payments will be made daily as usual.

By order of His Majesty's Paymaster-General,
T. Haultain, Assistant-Paymaster-General.

Admiralty, December 19, 1836.

NAVAL PENSIONS.

NOTICE is hereby given, that all applications for the payment of Naval Pensions, due for the quarter ending the 31st instant, and henceforward, are to be addressed to His Majesty's Paymaster-General, Whitehall.

All applications for the payment of arrears of Naval Pensions, due on or before the 30th of September 1836, are to be addressed to the Secretary of the Admiralty, as heretofore.

Admiralty, December 19, 1836.

HALF-PAY AND RETIRED-PAY TO NAVAL OFFICERS AND OFFICERS OF THE ROYAL MARINES.

NOTICE is hereby given, that the Half-pay and Retired-pay due for the quarter ending 31st December 1836, will be payable at the Office of His Majesty's Paymaster-General, Whitehall, on the following days, viz.

On the 10th and 11th of January next, to Masters, Surgeons, and Pursers, and their Attorneys.

On the 12th, 13th, and 16th of January, to Lieutenants at 5s. a day and under, and their Attorneys.

On the 17th and 18th of January, to Lieutenants at 7s. and 6s. a day, and Chaplains, and their Attorneys.

On the 20th, 23d, and 24th of January, to Admirals, Lieutenant-Generals, Major-Generals, Colonels, Lieutenant-Colonels, Majors, Captains, Commanders, and Retired Commanders, and their Attorneys.

Great inconvenience having been experienced by the claims of Officers, who have not chosen to receive their half-pay or retired-pay on the days fixed for their rank, being preferred on the days

appointed for the payment of half-pay and retired-pay to Officers of different ranks; notice is hereby given, that no such claims can in future be attended to on the days not appointed for Officers of those ranks; but for the accommodation of such Officers, and also for the convenience of those who may not have transmitted their declarations or certificates sufficiently early to admit of payment on the above-mentioned days, a recall will take place on the 26th and 27th of January.

After which the half-pay and retired-pay will be payable on the first and third Wednesday in every month, excepting during the general payment.

Officers residing in or near London, and wishing to receive their half-pay or retired-pay in person, are requested to deliver their declarations or certificates into the Office of, or transmit them to, His Majesty's Paymaster-General, immediately on the expiration of each quarter; and those employing agents are also requested to furnish their agents with their declarations or certificates, with the same dispatch, for unless such documents are delivered into that Office early, delay in the payment must unavoidably ensue.

As it sometimes happens that Officers apply personally for their half-pay or retired-pay, without having previously sent in their declarations or certificates as required by the usual advertisement, any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

Under the authority of the Statutes relating to the pay of the Navy, besides the above-mentioned modes, Officers may receive their half-pay or retired-pay in any of the following ways, viz.

1st. By drawing a bill for the amount, on a form of bill to be sent to them from the Paymaster-General's Office, after the receipt of the usual letter of application and declaration.

2d. By a remittance bill, or permanent remittance bill, payable to them at or in the neighbourhood of their residence, by the Collector of Customs or Excise.

3d. By payment at the Dock-yards at Portsmouth, Devonport, and Chatham, on presenting to the Pay Clerks the usual declaration or certificate on the days appointed for payment at the respective ports.

This mode will be found more convenient to Officers living near any of these ports, than either a bill of exchange or remittance.

In all cases, the Officer signifying his desire of payment is to state at the foot of his letter, his Christian and surnames, his rank, and a full description of his residence.

MEM.—Bills of exchange drawn under or by virtue of the Act of 11 Geo. 4, cap. 20, are not liable to the stamp duty.

No persons residing out of His Majesty's dominions are entitled to the privileges of this Act.

WEEKLY RETURNS of the Quantities and Price of BRITISH CORN, IMPERIAL Measure, as received from the Inspectors in the following Cities and Towns in ENGLAND and WALES, from which the Prices that govern Importation are calculated, conformably to the Act of the 9th Geo. IV. cap. 60.

and also to assent to or dissent from the said assignees paying to several of the mortgagees the moneys claimed by them arising from sale of the crops of hay, grass, aftermath, and winter eating, pursuant to notices, or resisting such claims and submitting the same to the decision of an opinion of counsel thereon, or otherwise as the said assignees shall think fit;
