

No tender for a less quantity than shall be equal to 300 tierces of beef, for 100 tierces of pork, will be admitted; but all tenders for such small quantities will be accepted, if at a lower price than that for which larger quantities are offered.

No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or some person on his behalf, duly authorised in writing; and it is to be expressly understood, that the tenders must contain a separate price for the beef and a separate price for the pork; and that every tender must also specify the prices both in figures and words at length, or the tenders will be rejected.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner of the envelope the words "Tender for Salt Meat," and "Comptroller for Victualling," and must also be delivered at Somerset-place, and be accompanied by a letter, signed by two responsible persons, engaging to become bound with the person tendering, in a sum equal to £25 per cent. on the amount of the contract, for the due performance of the same.
