Hamburgh, Aug. 1. . the King of Denmark as we are told parted yeiterday f om Gottorp i i his r. turn to Corenbigen. Our Letters from Slockholm tell us, that the Qu en of Sueden was brought to Bed the hrit Liffa, coFa young Prince, who was Ch illenet by the Name of Ulrich. The Count de Berka, the E operor's Amballador, pirted from hence yester-day on his journey for Sueden. From Berlin they write, That the Elector of Brandenburgh had received a Let er from the King of Poland, wherein he gives his Electoral Highnels an account that he was going to his Army in Podolia.

Cologne, Aug. 15. Several of the Regiments that were encamped at Zons are marched towards the River Erp, and it's believed the reft of the Army will follow in few days The States of the Circle of Suabia, who are now allembled at Ulm, have re-folved to 1 nd feveral Regiments to joyn the Empe-The States of the Circle ror's Army in Hungary.

Bruffels, Aug. 15. Monfieur de Chanlay arrived here last Tuejday in the evening, and the fame night had Audience of the Marquis de Grana; it's faid he came to adjust the Payment of the Contributions, and yesterday he parted again from hence: While he was here, his Excellency received an account by an Express from Ratinbonne, That the Truce between France and Spain was Signed there on Thursday last at night. We have advice that the Mareschal de Schomberg having passed the Meuse, is marched through Luxemburg towards Strasburgb, where he is to be the 20th Instant. The Marquis de Foyeufe continues with the Troops under his Command in the Country of Limburg. We are told that the Eleftor of Cologne's Forces march towards Liege; That his Electoral Highness has sent one of his Ministers to make fome Proposals to the Magistrates of that City; and that he has appointed the States of Liege to meet the 26th Inftant at Vifet, and that he will be himfelf prefent in their Affembly. The Siege of Buda proves a Work of longer time than was expected ; the Duke of Lorrain is, it's faid, refolved not to hazard his Men in forming of it, feeing the Place muft in a fhort time fall into his hands, having no expectation of Relief.

Hague, Aug. 18. Here passes little of moment in the absence of the States of Holland, who are not to re-affemble till the next month : But by an Exprefs from Ratubonne we have an account that the Treaty of Truce between France and Spain was Signed there the tenth Inflant, being the latt day of the fix weeks allowed by the Treaty Signed here the 29th of Fune; and that that between the Emperor and the Empire, and his Most Christian Majesty, was Mkewise concluded. They write from Amsterdam that the Directors of the East-India Company had advice of the arrival of nine of their Ships upon these Coalls, whereof four came from Batavia the 23. of December last, the rest from Ceylon and the Coaft.

Paris, Aug. 19. On Tuesday last arrived here an Express dispatched by the Count de Crecy, his Most Chriffian Majeflies Plenipotentiary at Ratisbonne, who brought an account that the Treaty for a Twenty Years Truce between this Crown and Spain was Signed there the tenth Inflant, with the Inclusion of the Republick of Genoua. It's not doubted the Truce with the Emperor and Empire will quickly follow. There are Letters from Lintz of the eighth Inflant, which fay they had the News there of the Surrender of Buda, which we hope our next will give us the confirmation of. There happened the last week about Poitiers a kind of a Hurricano, ac-

companied with Hail, which did a great deal of harm, some of the Hailstones are faid to have been bigger than Hen-Eggs, and the reft as big as large Nuts. Our Letters from Catalonia inform us, that the 18th of the laft month the French Flect commanded by Monfieur du Quefne, failed out of the Bay of Rofes, and took their courie towards Barcelona; and that the fame day the Marcfchal de Belfunds parted from his Camp near Rofes, to put his Troops into Quarters of Refreihment upon the Hills, during the great Heats; in his March three or four hundred Miquelets came and skirmished with his Rear-Guard, but leveral of them were killed, and the reft quickly forced to retire : The Town of Campredon fent to make their fubmiffion to the Marefchal de Belfonds, the Spanish Garifon that was there having retired into the Caffle. Seven Squadrons detached from the Spanish Army, which was en-camped on a Hill about a mile from *Campredon* fhewed themfelves near that place, but they foon after retired again : When thele Letters came away, the Marcichal de Belfonds was encamped at Esquieres de Rougea in l'Ampourdan.

Plimouth, Aug. 8. This afternoon failed from, hence His Majellies Ship the Constant Warwick to the Eaftward.
