**A**T the Court at *Buckingham-Palace*, the 11th day of *December* 1837.

PRESENT,

The **QUEEN'S** Most Excellent Majesty in Council.

**W**HEREAS by an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," reciting, amongst other things, that His said late Majesty was pleased, on the fourth day of February, and on the sixth day of June, in the year one thousand eight hundred and thirty-five, to issue two several commissions to certain persons therein respectively named, directing them to consider the state of the several dioceses in England and Wales, with reference to the amount of their revenues, and the more equal distribution of episcopal duties, and the prevention of the necessity of attaching, by commendam, to bishoprics, benefices with cure of souls; and to consider also the state of the several cathedral and collegiate churches in England and Wales, with a view to the suggestion of such measures as might render them conducive to the efficiency of the Established Church, and to devise

the best mode of providing for the cure of souls, with special reference to the residence of the clergy on their respective benefices; and reciting, that the said Commissioners had, in pursuance of such directions, made four several reports to His said late Majesty, bearing date respectively the seventeenth day of March one thousand eight hundred and thirty-five, the fourth day of March, the twentieth day of May, and the twenty-fourth day of June, one thousand eight hundred and thirty-six; and reciting, that the said Commissioners had in their said reports, amongst other things, recommended that commissioners should be appointed by Parliament for the purpose of preparing and laying before His Majesty in Council, such schemes as should appear to them to be best adapted for carrying into effect, amongst other things, the following recommendations; and that His Majesty in Council should be empowered to make Orders ratifying such schemes and having the full force of law; and that if, in determining the mode of regulating the episcopal incomes, either in the first instance or on any future revision of them, it should be deemed expedient to make the alteration required, in any case, by the subtraction or addition of any real estates, such real estates be transferred accordingly; and that none of the proposed alterations affecting the boundaries or jurisdiction of any diocese, or the revenues belonging to any see, the bishop of which was in possession on the fourth day of March one thousand eight hundred and thirty-six, should take effect until the

next avoidance of the see, without the consent of such bishop; and that fit residences should be provided for the bishops of Lincoln, Llandaff, Rochester, Manchester, and Ripon; and that, for the purpose of providing the bishop of any diocese with a more suitable and convenient residence than that which now belongs to his see, sanction be given for purchases or exchanges of houses or lands, or for the sale of lands belonging to the respective sees:

It is enacted, amongst other things, that the Lord Archbishop of Canterbury for the time being, the Lord Archbishop of York, and the Lord Bishop of London for the time being, John Lord Bishop of Lincoln, James Henry Lord Bishop of Gloucester, the Lord High Chancellor of Great Britain, the Lord President of the Council, the Lord High Treasurer or the First Lord of the Treasury, and the Chancellor of the Exchequer for the time being, respectively, and such one of His Majesty's Principal Secretaries of State as should be for that purpose nominated by His Majesty under his royal sign manual (such Lord Chancellor, Lord President, Lord High Treasurer or First Lord of the Treasury, Chancellor of the Exchequer, and Secretary of State being respectively members of the United Church of Great Britain and Ireland), the Right Honourable Dudley Earl of Harrowby, the Right Honourable Henry Hobhouse, and the Right Honourable Sir Herbert Jenner, Knight, should, for the purposes of the said Act, be one body politic and corporate, by the name of "the Ecclesiastical Commissioners for England," and by that name should have perpetual succession and a common seal:

And it is further enacted, that the said Commissioners should, from time to time, prepare and lay before His Majesty in Council such schemes as should appear to the said Commissioners to be best adapted for carrying into effect the thereinbefore recited recommendations, and should in such schemes, recommend and propose such measures as might, upon further inquiry, which the said Commissioners are thereby authorised to make, appear to them to be necessary for carrying such recommendations into full and perfect effect; provided always, that nothing therein contained should be construed to prevent the said Commissioners from proposing, in any such scheme, such modifications or variations, as to matters of detail and regulation, as should not be substantially repugnant to any or either of the said recommendations:

And it is further enacted, that when any scheme prepared under the authority of the said Act should be approved by His Majesty in Council, it should be lawful for His Majesty in Council to issue an Order or Orders ratifying the same, and specifying the time or times when such scheme, or the several parts thereof, should take effect, and to direct in every such Order that the same should be registered by the registrar of each of the dioceses the bishops whereof might or should be in any respect affected thereby:

And it is further enacted, that every such Order, should, as soon as might be after the making and issuing thereof by His Majesty in Council, be inserted and published in the London Gazette:

And it is further enacted, that so soon as any such Order in Council should be so registered and gazetted, it should in all respects, and as to all things therein contained, have and be of the same force and effect as if all and every part thereof were included in the said Act, any law, statute, canon, letters patent, grant, usage, or custom to the contrary notwithstanding:

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of November one thousand eight hundred and thirty-seven, in the words and figures following, that is to say:

*To the Queen's Most Excellent Majesty in Council.*

We, the Ecclesiastical Commissioners for England, appointed and incorporated by an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme, towards carrying into effect the recommendation in the said Act contained, with respect to providing a fit residence for the bishops of Ripon.

Whereas by an agreement, bearing date the fifteenth day of November instant, and made between Elizabeth Sophia Lawrence, of Studley Royal, in the

parish of Ripon, in the west riding of the county of York, spinster, of the one part, and the Right Reverend Charles Thomas Bishop of Ripon of the other part; the said Elizabeth Sophia Lawrence hath agreed to sell, and the said Charles Thomas Bishop of Ripon hath agreed to purchase, at and for the price or sum of one thousand one hundred and eleven pounds five shillings and six pence, all the right, title, and interest now possessed by her, the said Elizabeth Sophia Lawrence, to and in certain lands, tenements, and hereditaments belonging to the see of York, situate in the township of North Stainley, in the parish, riding, and county aforesaid, being part and parcel of a certain farm, called Bramley Grange Farm, and now held by the said Elizabeth Sophia Lawrence, under a lease granted to her by the Right Honourable and Most Reverend Edward Archbishop of York, for three lives, that is to say, for the lives of the said Elizabeth Sophia Lawrence, the Right Honourable Thomas Philip Earl de Grey, and Maria Trelawney Breerton, Spinster, containing together one hundred and nine acres, one rood, and twenty-six perches, more or less, and being of the yearly value of eighty pounds nineteen shillings, or thereabouts; and in the said agreement it was expressed, that the said lands, tenements, and hereditaments were intended to be applied for the purpose of building a house of residence for the said bishop and his successors Bishops of Ripon, and allotting an appropriate demesne thereto; and it was provided that the said agreement should be void if we should not lay before your Majesty in Council a scheme for transferring, with the consent of the said Edward Archbishop of York, the said lands, tenements, and hereditaments from the said see of York to the said see of Ripon for the purposes aforesaid, or if such scheme should not be ratified by your Majesty in Council, within certain periods in the said agreement respectively mentioned: and whereas we are satisfied that an eligible and convenient site for such house of residence and demesne will be afforded by the said lands, tenements, and hereditaments, and that the same may be transferred from the said see of York to the said see of Ripon, consistently with the provisions of the said Act and of the recommendations therein contained; now, therefore, we do hereby humbly recommend and propose, with the consent of the said Edward Archbishop of York (in testimony whereof he has signed and sealed this scheme), that the said lands, tenements, and hereditaments shall, according to the

provisions of the said Act, be transferred from the said Edward Archbishop of York, and his successors in the said see of York, to the said Charles Thomas Bishop of Ripon, and his successors Bishops of Ripon, as a site for an episcopal house of residence, and for a demesne thereto, to be by him and them held and enjoyed in right of the see of Ripon for ever.

And we further recommend and propose, that, out of the moneys now standing to our credit and account in the Bank of England, being part of payments from the larger sees respectively for the purposes of the said Act, there shall be paid by us to the said Charles Thomas Bishop of Ripon, on his completing the said purchase to him and his successors in the said see of Ripon, the sum of one thousand one hundred and eleven pounds five shillings and sixpence, being the amount of the consideration money so as aforesaid agreed to be paid by him to the said Elizabeth Sophia Lawrence for her right, title, and interest to and in the said lands, tenements, and hereditaments.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said sees of York and Ripon, or either of them, in conformity with the provisions of the said Act.

All which we humbly recommend and propose to your Majesty in Council.

In witness whereof we have hereunto set our common seal this twenty-third day of November one thousand eight hundred and thirty-seven.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall take effect immediately from and after the time when the same shall have been registered as hereinafter directed, and shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the several registrars of the several dioceses of York and Ripon.
