TUESDAY, OCTOBER 2, 1838.

AT the Court at *Windsor*, the 7th day of *September* 1838,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Order of His late Majesty King George the Fourth, made with the advice of His Privy Council, and bearing date the twenty-third of March one thousand eight hundred and twenty-five, after reciting, amongst other things; that it had been represented to His Majesty at the Council Board, by the Lords Commissioners of His Majesty's Treasury, that they had given directions that His Majesty's troops serving in the several British colonies and possessions abroad, should, in certain cases, be paid in British silver and copper money, and that with a view of securing the circulation of such money in those colonies, it would be expedient that an Order in Council should be issued, declaring that in all those colonies where the Spanish dollar was then either by law, fact, or practice, considered as a legal tender for the discharge of debts; or where the duties to the Government were rated or collected, or the individuals had a right to be paid in that description of coin, that a tender and payment of British silver money, to the amount of four shillings and four pence, should be considered as equivalent to the tender or payment of one Spanish dollar, and so in proportion for any greater or less amount of debt; His said late Majesty was pleased to approve of what was proposed in the said representation,

And whereas it is expedient that the said recited Order in Council should be revoked, so far as respects Her Majesty's colonies and possessions in America and the West Indies, be it therefore, and it is hereby Ordered, by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, that so far as respects Her Majesty's colonies and possessions in America, and in the West Indies, the said recited Order shall be, and the same is hereby rescinded.

And the Right Honourable Lord Glenelg, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

C. C. Greville.

AT the Court at *Windsor*, the 14th day of *September* 1838.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, the draft of a Proclamation, regulating the rate at which certain foreign coins are to pass current in Her Majesty's West India colonies; Her Majesty, having taken the same into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, as it is hereby ordered, that the said Proclamation do take effect and come into force, in each of Her Majesty's said colonies, upon, and from and after, such day as shall be, for that purpose, limited by the Governor, or Officer administering the Government, of each of

the said colonies respectively, by any Proclamations to be by them respectively, for that purpose, issued in each of such respective colonies:

And the Right Honourable Lord Glenelg, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions for causing publication to be made hereof within Her Majesty's said colonies.

C. C. Greville.

By the QUEEN.

A PROCLAMATION.

VICTORIA, R.

WHEREAS the coin current in Our West India colonies, including Our province of British Guiana, consisting partly of the current coin of the United Kingdom, and partly of Spanish, Mexican, and Columbian gold coin, called doubloons, and of Spanish, Mexican, and Columbian silver coin, called dollars; and it is expedient that the rate at which the said doubloons and dollars shall circulate in Our said colonies should be ascertained and fixed. Now, therefore, We, by the advice of Our Privy Council, have thought fit to declare and ordain, and, by the advice aforesaid, we do hereby declare and ordain, that throughout the whole of Our said colonies the said doubloon shall circulate and be received in payment as being of the full value of sixty-four shillings sterling, current money of the United Kingdom, and the said dollar shall circulate and be received in payment as being of the full value of four shillings and two pence sterling, like current money of the United Kingdom. And in all payments to be made in any of Our said colonies, tender of payment in doubloons and dollars, or either of them, at the rate aforesaid, shall be deemed and taken to be a lawful tender, in the same manner as if such tender had been made in the current coin of the United Kingdom.
