AT the Court at Windsor, the 7th day of September 1838.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," reciting, amongst other things, that His said late Majesty was pleased, on the fourth day of February, and on the sixth day of June, in the year one thousand eight hundred and thirty-five, to issue two several commissions to certain persons therein respectively named, directing them to consider the state of the several dioceses in England and Wales, with reference to the amount of their revenues, and the more equal distribution of episcopal duties, and the prevention of the necessity of attaching, by commendam, to bishoprics, benefices with cure of souls; and to consider also the state of the several cathedral and collegiate churches in England and Wales, with a view to the suggestion of such measures as might render them conducive to the efficiency of the Established Church, and to devise the best mode of providing for the cure of souls, with special reference to the residence of the clergy on their respective benefices; and reciting, that the said Commissioners had, in pursuance of such directions, made four several reports to His said late Majesty, bearing date respectively the seventeenth day of March one thousand eight hundred and thirty-five, and the fourth day of March, the twentieth day of May, and the twenty-fourth day of June, one thousand

eight hundred and thirty-six; and reciting, that the said Commissioners had in their said reports, amongst other things, recommended that commissioners should be appointed by Parliament for the purpose of preparing and laying before His Majesty in Council, such schemes as should appear to them to be best adapted for carrying into effect the following, amongst other, recommendations; and that His Majesty in Council should be empowered to make Orders ratifying such schemes and having the full force of law; and that the sees of Saint Asaph and Bangor should be united; and that the bishops of the see of Saint Asaph and Bangor should be elected alternately by the dean and chapter of Saint Asaph and by the dean and chapter of Bangor; and that power should be given to determine the future mode of confirming such acts of the bishop of the united see as might require confirmation by a dean and chapter; and that upon the first avoidance of either of the sees of Saint Asaph or Bangor, the bishop of the other of the sees proposed to be united should become, *ipso facto*, bishop of the two sees, and thereupon become seized and possessed of all the property, advowsons, and patronage belonging to the see so avoided; and that two new sees should be erected in the province of York, one at Manchester, and the other at Ripon; and that the diocese of Manchester should consist of the whole county of Lancaster, except the deanery of Furness and Cartmel; and that the bishops of the two newly erected sees should be made bodies corporate, and be invested with all the same rights and privileges as were then possessed by the other bishops of England and Wales; and that they should be made subject to the metropolitan jurisdiction of the Archbishop of York; and that the collegiate churches of Manchester and Ripon should be made the cathedrals, and that the chapters thereof should be the chapters of the respective sees of Manchester and Ripon, and should be invested with all the rights and powers of other cathedral chapters, and that the

members of them; and of all other cathedral churches in England, should be styled deans and canons; and that, in order to provide for the augmentation of the incomes of the smaller bishoprics, such fixed annual sums should be paid to the Commissioners, out of the revenues of the larger sees respectively, as should, upon due inquiry and consideration, be determined on, so as to leave as an average annual income, to the Archbishop of Canterbury fifteen thousand pounds, to the Archbishop of York ten thousand pounds, to the Bishop of London ten thousand pounds, to the Bishop of Durham eight thousand pounds, to the Bishop of Winchester seven thousand pounds, to the Bishop of Ely five thousand five hundred pounds, to the Bishop of Saint Asaph and Bangor five thousand two hundred pounds, and to the Bishops of Worcester and Bath and Wells, respectively, five thousand pounds; and that, out of the fund thus accruing, fixed annual payments should be made by the Commissioners, in such instances and to such amount as should be in like manner determined on, so that the average annual incomes of the other bishops respectively should be not less than four thousand pounds, nor more than five thousand pounds; and that fit residences should be provided for the bishops of Lincoln, Llandaff, Rochester, Manchester, and Ripon; and that none of the proposed alterations affecting the boundaries or jurisdiction of any diocese, or the revenues belonging to any see, the bishop of which was in possession on the fourth day of March one thousand eight hundred and thirty-six, should take effect until the avoidance of the see, without the consent of such bishop:

It is enacted, amongst other things, that the Lord Archbishop of Canterbury for the time being, the Lord Archbishop of York, and the Lord Bishop of London for the time being, John Lord Bishop of Lincoln, James Henry Lord Bishop of Gloucester, the Lord High Chancellor of Great Britain, the Lord President of the Council, the Lord High Treasurer or the First Lord of the Treasury, and the Chancellor of the Exchequer for the time being respectively, and such one of His Majesty's Principal Secretaries of State as should be for that purpose nominated by His Majesty under His royal sign manual (such Lord Chancellor, Lord President, Lord High Treasurer or First Lord of the Treasury, Chancellor of the Exchequer, and Secretary of State being respectively members of the United Church of Great Britain and Ireland), the Right Honourable Dudley Earl of Harrowby, the Right Honourable Henry Hobhouse, and the Right Honourable Sir Herbert Jenner, Knight, should, for the purposes of the said Act, be one body politic and corporate, by the name of "the Ecclesiastical Commissioners for England," and by that name should have perpetual succession and a common seal:

And it is further enacted, that the said Commissioners should, from time to time, prepare and lay before His Majesty in Council such schemes as should appear to the said Commissioners to be best adapted for carrying into effect the thereinbefore recited recommendations, and should in such schemes recommend and propose such measures as might, upon further inquiry, which the said Commissioners were thereby authorised to make, appear

to them to be necessary for carrying such recommendations into full and perfect effect; provided always, that nothing therein contained should be construed to prevent the said Commissioners from proposing, in any such scheme, such modifications or variations, as to matters of detail and regulation, as should not be substantially repugnant to any or either of the said recommendations:

And it is further enacted, that when any scheme, prepared under the authority of the said Act, should be approved by His Majesty in Council, it should be lawful for His Majesty in Council to issue an Order or Orders ratifying the same, and specifying the time or times when such scheme, or the several parts thereof, should take effect, and to direct in every such Order that the same should be registered by the registrar of each of the dioceses the bishops whereof might or should be in any respect affected thereby:

And it is further enacted, that every such Order should, as soon as might be after the making and issuing thereof by His Majesty in Council, be inserted and published in the London Gazette.

And it is further enacted, that, so soon as any such Order in Council should be so registered and gazetted, it should in all respects, and as to all things therein contained, have and be of the same force and effect as if all and every part thereof were included in the said Act, any law, statute, canon, letters patent, grant, usage, or custom to the contrary notwithstanding:

And whereas the said Commissioners, pursuant to the authority vested in them by the said Act, have duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-eighth day of July one thousand eight hundred and thirty-eight, in the words and figures following, that is to say:

To the Queen's Most Excellent Majesty in Council.

We, the Ecclesiastical Commissioners for England, appointed and incorporated by an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage," have, in pursuance thereof, prepared, and now humbly lay before your Majesty in Council, the following scheme for carrying into effect part of the recommendations in the said Act contained, relating to the sees and dioceses of Saint Asaph, Bangor, Saint David's, and Llandaff, and to the erection of the bishopric of Manchester.

We humbly recommend and propose, that when either of the said sees of Saint Asaph and Bangor shall become vacant by death or translation, or otherwise, the bishop who shall succeed thereto shall take the same, subject to the provisions and conditions hereinafter recommended and proposed; and that every future bishop succeeding to the same see shall take the same, subject to the same pro-

visions and conditions; and that when the other of the said two sees shall then next become vacant, the said sees and dioceses of Saint Asaph and Bangor shall forthwith become and be permanently united, and shall, when so united, be called and known by the name of the see and diocese of Saint Asaph and Bangor.

And we further recommend and propose, that, upon such union as aforesaid, the Bishop of Saint Asaph or of Bangor, as the case may be, who shall be then in possession of the see which shall have first become vacant, shall become and be the bishop of the said see and diocese of Saint Asaph and Bangor, and shall, without any other act, deed, form, or proceeding whatsoever, other than such Order or Orders as it may please your Majesty in Council to issue in pursuance of this scheme, and under the authority of the said Act of Parliament, become absolutely confirmed in the bishopric of Saint Asaph and Bangor, and *ipso facto* seized and possessed of all the property, revenues, advowsons, and patronage then respectively belonging to both the said sees, and of all the episcopal jurisdiction, power, and authority then and theretofore possessed and exercised by the bishops thereof respectively.

And we further recommend and propose, that the said Bishop of Saint Asaph or Bishop of Bangor, as the case may be, who shall succeed to the said see of Saint Asaph and Bangor, shall be exempted and relieved from the payment of first fruits, and of all costs, charges, fees, and expences whatsoever in respect of his becoming bishop of Saint Asaph and Bangor.

And we further recommend and propose, that the said bishop and his successors, bishops of the said see and diocese, shall be one body corporate, by the name of the bishop of Saint Asaph and Bangor, and by that name shall have perpetual succession and a common seal, and shall and may by that name sue and be sued, and shall and may take and hold all lands, tithes, advowsons, tenements, and hereditaments belonging, at the time of such union as aforesaid, either to the see of Saint Asaph or to the see of Bangor, or which may be granted to the said Bishop of Saint Asaph and Bangor, or to his successors, by your Majesty, your heirs, and successors, or by any other person or persons whatsoever, and may give or grant the same, and make leases, and enjoy and do all other rights and acts in respect of the same, in as full and perfect a manner as other bishops of England and Wales, but not otherwise.

And we further recommend and propose, that the said Bishop of Saint Asaph and Bangor, and his successors, bishops of Saint Asaph and Bangor, shall occupy a seat both in the cathedral church of Saint Asaph and in the cathedral church of Bangor, and shall possess and exercise the same authority and jurisdiction, ordinary and visitatorial, over the deans and chapters thereof respectively, as shall, previously to such union as aforesaid, have been possessed and exercised by bishops of Saint Asaph and bishops of Bangor respectively.

And we further recommend and propose, that all such episcopal acts, gifts, grants, and leases performed and made by the Bishop of Saint Asaph and Bangor, and by his successors, bishops of Saint Asaph and Bangor, as may require confirmation

under the common seal of a dean and chapter, shall be presented for confirmation to the dean and chapter of the cathedral church, either of Saint Asaph or of Bangor, accordingly as the right of confirmation thereof would have belonged to the one or to the other dean and chapter, if the union of the two sees had not taken place; and that every such act, gift, grant, and lease, being so confirmed by such dean and chapter, shall be good and valid.

And we further recommend and propose, that, upon the first avoidance of the said see of Saint Asaph and Bangor, the warrant for the election of a person to be the bishop thereof shall issue to the dean and chapter of the cathedral church of Saint Asaph; and that upon all future avoidances of the said see, the warrant for the election of a bishop thereof shall issue alternately to the dean and chapter of the cathedral church of Bangor and to the dean and chapter of the cathedral church of Saint Asaph.

And we further recommend and propose, that, for the purposes of the said Act, and so as to leave to the Bishop of Saint Asaph and Bangor the average annual income of five thousand two hundred pounds, as near as may be, the said Bishop of Saint Asaph and Bangor, and his successors, bishops of Saint Asaph and Bangor for the time being, shall pay, or cause to be paid, to our credit into the Bank of England to an account intituled "Account with the Ecclesiastical Commissioners for England," the fixed annual sum of four thousand seven hundred and fifty pounds in every year, by equal half yearly payments, the first of such payments to be made at the end of six calendar months from the day of such union as aforesaid; and that whenever a vacancy of the said see of Saint Asaph and Bangor shall happen on any other day than the half-yearly day of payment so calculated as aforesaid, then the next half yearly payment shall be apportioned between the bishop making the vacancy, or his representatives, and the bishop succeeding to the said see, according to the time which shall have elapsed from the last half yearly day of payment to the day of the vacancy inclusive; and such proportions shall be paid by the respective parties accordingly.

And we further propose and recommend, that in order to raise the average annual income of the Bishop of Saint David's, for the time being, to the sum of four thousand five hundred pounds, as near as may be, there shall be paid by us to the bishop, who, upon the first avoidance of the said see, shall succeed thereto, and to his successors bishops of Saint David's for the time being, out of such moneys as aforesaid, or out of such other moneys as shall from time to time be standing to our account in the Bank of England, being part of any payments from the larger sees respectively, towards the augmentation of the incomes of the bishops of the smaller sees, the fixed annual sum of one thousand six hundred pounds, by equal half-yearly payments in every year; and that, in order to raise the average annual income of the Bishop of Llandaff for the time being to the sum of four thousand two hundred pounds, as near as may be, there shall be paid by us to the bishop who, upon the first avoidance of the same see, shall succeed thereto, and to his successors, bishops of Llandaff for the time being,

out of the same moneys, the fixed annual sum of three thousand one hundred and fifty pounds, by equal half-yearly payments in every year; the first of such payments to be made at the end of six calendar months from the day of such avoidance in each case respectively; and that whenever thereafter a vacancy in either of the said sees of Saint David's and Llandaff shall happen on any other day than the half-yearly day of payment so calculated as aforesaid, the next half-yearly payment shall be apportioned between the bishop making the vacancy, or his representatives, and the bishop succeeding to the see, according to the time which shall have elapsed from the last half-yearly day of payment to the day of the vacancy inclusive, and such proportions shall be paid to the respective parties accordingly.

And we further recommend and propose, that, until an episcopal house of residence shall be provided for the said see of Llandaff, the bishop who, upon such avoidance as aforesaid, shall succeed to the same see, and his successors, bishops of Llandaff for the time being, shall, out of the same moneys, and in like manner and by like half-yearly payments, and subject to a like apportionment in case of a vacancy, receive the further fixed annual sum of three hundred pounds.

And whereas the amount of the moneys from time to time applicable to the purposes aforesaid, and to the augmentation of any other of the smaller sees upon vacancies occurring therein respectively, will depend on the contingency of vacancies occurring among the larger sees from which payments are hereafter to be made towards such purposes, and the amount of the demand upon such moneys will depend on the contingency of vacancies occurring among the said smaller sees; and it may, therefore, happen that the demands upon such moneys may for a time exceed the amount thereof, we further recommend and propose, that if at the commencement of any half year calculated from the first day of January to the last day of June, and from the first day of July to the last day of December respectively, it shall appear to us that there will, in the current half year, be a deficiency of the said moneys to pay the sums then charged thereon and payable in the same half year, it shall be lawful for us to resolve that a deduction be made from the sums payable in the same half year to the bishops of Saint David's and Llandaff respectively, and to each of the bishops of the other smaller sees who, by virtue of any other scheme prepared or to be prepared by us, and of any Order or Orders of your Majesty in Council for ratifying the same, shall then be entitled to payments in augmentation of their respective incomes, so as to keep the sums to be paid during the same half year within the amount of the moneys applicable as aforesaid, during such half year; and to calculate such deduction in proportion to the sums herein-named, and which may in each such other scheme as aforesaid be named as the amount of the future annual average income of each see respectively; and that upon the amount of every such deduction being certified, by us or by our secretary, to the bishop to be affected thereby, within fourteen days after the commencement of such half year, the said bishop shall have no present claim to

any greater sum than the residue of his half yearly payment, after such deduction as aforesaid, nor any future claim, except as is hereinafter mentioned; that is to say, that so soon thereafter as the sums to be paid to us in any half year, applicable to the purposes aforesaid, shall exceed the sums to be paid by us for those purposes within the same half year, we shall be authorized and bound to divide the surplus rateably among the bishops from whose payments such deductions shall have been made, or the representatives of such of them as shall be dead, and so from half year to half year until the whole sums deducted shall be paid; the deductions of one half year to be paid before any payment shall be made on account of the deductions of any subsequent half year.

And whereas the consent of the right Reverend John Bird, Bishop of Chester, has been obtained to such arrangements affecting his see and diocese, as are necessary to the erection of the proposed new bishoprick of Manchester, in testimony whereof he has signed and sealed this scheme; we humbly recommend and propose, that, upon such union of the sees of Saint Asaph and Bangor taking effect as aforesaid, the collegiate church of Manchester shall forthwith be constituted and become, and shall for ever thereafter be a cathedral church, and the seat of a bishop within the said province of York, and that the then warden and fellows thereof shall from thenceforth be called dean and canons, and that the said dean and canons shall be the dean and chapter of the said church, and shall be subject to all such future orders and regulations as may be thereafter made by competent authority touching the said cathedral church, or the said dean and chapter thereof.

And we further recommend and propose, that the whole county of Lancaster, in the diocese of Chester, excepting the deanry of Furnes, shall, at the same time, be detached and dissevered from the said diocese of Chester, and shall be made and constituted, and shall become and be, and for ever thereafter be called and known by the name of the diocese of Manchester; and that all parishes and places, churches and chapels, and the whole clergy and others your Majesty's subjects within the limits thereof shall be exempted and released from all jurisdiction, authority, and control of the see of Chester, and shall be under and subject to the episcopal jurisdiction, authority, and control of the bishop of Manchester, to be duly constituted as hereinafter provided, and of his successors, bishops of Manchester, for ever.

And we further recommend and propose, that such person as shall be duly elected by the said dean and chapter in pursuance of a warrant from your Majesty in that behalf, and shall be duly confirmed, and consecrated according to law, shall become bishop of the see and diocese of Manchester, and shall be invested with all the same and the like rights, privileges, dignities, power, jurisdiction, and authority as have heretofore been, and now are, possessed by the respective bishops of England and Wales.

And we further recommend and propose, that the

said bishop, and his successors, bishops of the said new see, shall be one body corporate, by the name of the Bishop of Manchester, and by that name shall have perpetual succession, and a common seal, and shall and may by that name sue and be sued, and shall have power and authority to take and hold all lands, tithes, advowsons, tenements, and hereditaments, whatsoever and wheresoever, which may be given or granted to him or them by your Majesty, your heirs and successors, or by any other person or persons whatsoever, and may give or grant the same, and make leases, and enjoy and do all other rights and acts in respect of the same in as full and perfect a manner as other bishops of England and Wales, but not otherwise.

And we further recommend and propose, that the said collegiate church shall become, and shall for ever thereafter be the cathedral church of the said bishop, and of his successors, bishops of Manchester, and shall be invested with all the honours, dignities, and privileges of an episcopal seat, and that the said Bishop of Manchester, and his successors, bishops of Manchester, shall enjoy and exercise the like episcopal pre-eminence, jurisdiction, power, and authority within and over the said cathedral church, and the aforesaid diocese of Manchester, in as full and ample a manner as other bishops of England and Wales within and over their respective dioceses, and the cathedral churches thereof, and shall be subject to the jurisdiction of the Archbishop of York, and his successors; and that the said bishop, and the said dean and chapter of Manchester, and all archdeacons, and the whole clergy, and others your Majesty's subjects within the said diocese of Manchester, shall own obedience to the said Archbishop of York as their metropolitan.

And we further recommend and propose, that the said Bishop of Manchester, and his successors, bishops of Manchester, and the said dean and chapter of the cathedral church of Manchester, and their successors, shall have full power and authority to do all acts and deeds, whether jointly or severally, as the case may be, within the said diocese of Manchester, in like manner, and as fully and effectually as any other bishop, and the dean and chapter of any other cathedral church may now do, either jointly or severally, as the case may be, within the said province of York.

And we further recommend and propose, that, upon the foundation of the see of Manchester as aforesaid, the bishop thereof, and his successors, bishops of Manchester, shall be endowed with an average annual income of four thousand five hundred pounds, by the transfer of lands, tithes, or other hereditaments, from some other see or sees, or partly by such transfer, and partly by a fixed annual payment out of any moneys which shall be in our hands applicable to such purpose.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing further measures relating to the said sees or dioceses of Saint Asaph and Bangor, Saint David's, Llandaff, Chester, and Manchester respectively, in conformity with the provisions of the said Act.

All which we humbly recommend and propose to your Majesty in Council.

In witness whereof we have hereunto set our common seal, this twenty-eighth day of July one thousand eight hundred and thirty-eight.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall take effect immediately from and after the time when the same shall have been registered as hereinafter directed, and shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the several Registrars of the several dioceses of Saint Asaph, Bangor, Saint David's, Llandaff, and Chester.
