GOD save the QUEEN.

AT the Court at Buckingham-Palace, the 29th day of November 1838,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the seventh year of the reign of His late Majesty King William the Fourth, intituled "An Act for rendering more easy the taking the poll at county elections," it was enacted, that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time, on petition from the justices of any county, riding, parts, or division in England or Wales, in quarter sessions assembled, representing, the number of polling places for such county, riding, parts, or division to be insufficient, and praying, that the place or places mentioned in the said petition might be a polling place or polling places for the county, riding, parts or division of the county within which such place or places might be situate, to declare that any place or places mentioned in the said petition should be a polling place or polling places for that county, riding, parts, or division; and that the justices of the peace for such county, riding, parts, or division, in quarter sessions or some special sessions assembled, as mentioned in the Act, passed in the third year of the reign of His said late Majesty, intituled "An Act to settle and determine the division of counties, and the limits of cities and boroughs, in England

“ and Wales, in so far as respects the election of “ Members to serve in Parliament,” should, conformably to the said last-mentioned Act, divide such county, riding, parts, or division into convenient polling districts, and assign one of such districts to each polling place :

And whereas the justices of the peace for the county of Stafford, assembled at the general quarter sessions of the peace holden in and for the said county, on the sixteenth of October one thousand eight hundred and thirty-eight, have presented their petition to Her Majesty, representing that the number of polling places for the northern division of the said county is insufficient, and therefore praying, that the town or place of Burslem may be a polling place for the said division :

Now, therefore, Her Majesty, having taken the said petition into consideration, doth, pursuant to the said Act of the seventh year of His late Majesty's reign, by and with the advice of Her Privy Council, declare, order, and direct, that the said town or place of Burslem shall be a polling place for the said division; and further, that the justices of the peace for the said county, assembled in quarter sessions or some special sessions, as mentioned in the said Act of the third year of His late Majesty's reign, shall, conformably to the said last-mentioned Act, divide the said division into convenient polling districts, and assign one of such districts to each polling place.

AT the Court, at *Windsor*, the 6th day of October 1838,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS in the colonies of British Guiana, Trinidad, St. Lucia, and Mauritius, divers persons, without probable claim or pretence of title, have taken possession of lands therein respectively situate, and it is necessary that provision be made for the prevention of such encroachments; it is therefore ordered, by the Queen's Most Excellent Majesty, by and with the advice of Her Privy Council, that the stipendiary justices of the peace within the said colonies respectively shall, in manner

hereinafter mentioned, exercise a summary jurisdiction for the removal of all persons who have so taken, or shall take, possession of any lands, from the lands of which they may so have taken, or shall take, possession in such colonies respectively, subject, nevertheless, to the provisions hereinafter mentioned :

And it is further ordered, that for the purposes, and within the meaning of this present Order, such persons only shall be considered and be entitled to act as stipendiary justices of the peace as are entitled to act in that capacity under certain Orders of Her Majesty in Council, bearing date the seventh day of September one thousand eight hundred and thirty-eight, for regulating contracts of hired service, and for the prevention and punishment of vagrancy within the colonies aforesaid.

And it is further ordered, that it shall be lawful for every such stipendiary justice of the peace to receive any information, which may be laid before him upon oath, charging any person or persons with having, without probable claim or pretence of title, entered upon, or taken possession of, any lands in any of the said respective colonies, provided that if the lands mentioned, or referred to, in any such information, shall belong to, or be vested in, Her Majesty, Her heirs or successors, such information shall be preferred by the Surveyor-General of the colony, or by some person acting under his authority, and on his behalf; but that if the lands mentioned, or referred to in any such information, shall belong to, or be vested in, any body politic or corporate, or in any persons or person other than Her Majesty, Her heirs or successors, such information shall be preferred by the owner or owners of such lands, or by some person or persons who, as general or special agents, attorney, trustee, or otherwise, may be authorized to represent and to act for, and on the behalf of, such owner or owners, or by some person or persons who may be authorized by the Supreme Court of Justice in such colony to prefer such information.

And it is further ordered, that every stipendiary justice before whom any such information shall be preferred, shall issue his summons for the appearance before him, of the party or parties alleged to have so illegally entered upon, or taken possession of, such land; and of any other person or persons whom it may be necessary or proper to examine as a witness or witnesses on the hearing of any such information, and shall proceed in a summary way in the

presence of the parties, or, in case of the wilful absence of any person against whom any such information shall have been laid, then in his absence to hear and determine such information; and in case on the hearing thereof, it shall be made to appear by sufficient evidence to the satisfaction of such justice, that the party or parties against whom the same shall have been laid, hath or have entered upon, or taken possession of, the land mentioned or referred to in such information, without any probable claim or pretence of title, then such justice is hereby authorized and required to make an order, directing such party or parties to deliver up to Her Majesty, Her heirs or successors, or other the owner or owners of such lands, or person preferring the information, as the case may be, to be named in such order, peaceable possession of such lands, together with all crops growing thereon, and all buildings, and other immoveable property upon, and affixed to, the said lands; and in case the party or parties against whom any such order shall have been made, shall not, within a fortnight after service thereof, deliver up possession of the said lands and premises, pursuant to the said order, then, and in such case, it shall be lawful for such justice to adjudge such party or parties to be imprisoned, with or without hard labour, for any time not exceeding fourteen days, and to make a further order for the immediate delivery over of the possession of such land and premises to Her Majesty, Her heirs or successors, or other the body politic or corporate, or person or persons whom such justices may have found to be entitled to the possession thereof, and who shall be named in such further order; and the Governor of the colony in which such lands are situate, shall thereupon cause possession thereof to be delivered to Her Majesty, Her heirs or successors, or to such other body politic or corporate, or person or persons accordingly.

Provided always, and it is further ordered, that no such order for the delivery up of possession of any such lands shall be made by any such justice as aforesaid, if it shall appear to such justice that the party or parties against whom any such order is sought, hath or have been by himself, or themselves, or by those under whom he or they claim title, in the quiet possession of the land mentioned or referred to in any such information, for one year next before the date thereof, or that such party or parties hath or have any probable claim or pretence of lawful title to such lands, or to the occupation thereof.

And it is further ordered, that for the purpose of any such order to be made by any such justice as aforesaid, the adjudication of such justice shall be conclusive as to the title of the person to whom delivery of the said lands and premises may be directed to be made, but nothing herein contained shall extend to take away or abridge the jurisdiction by law vested in the superior courts of civil justice of the said colonies respectively, in taking cognizance of, and adjudicating upon, titles to land; and any person against whom any such order as aforesaid may have been made, may, notwithstanding such order, proceed by the ordinary course of law to recover possession of such lands in case he shall be able to establish a title thereto; and may also in such case recover a reasonable compensation for the damage he may have sustained by reason of his having been compelled to deliver up possession of the said premises; and in like manner, in case of the dismissal of any such information, the party having preferred the same, may proceed before the ordinary tribunals as if no such information had been preferred.

Provided always, that in case any such information shall be dismissed, it shall be lawful for the said justice, if he shall think fit, to order the person by whom the same may have been preferred, whether such information may have been preferred by the Surveyor-General or by any other person, to pay to the party or parties against whom the same may have been preferred, such sum as the said justice may consider to be the amount of costs fairly incurred by such party or parties, by reason of such information so dismissed; and the payment of such costs may be enforced in the same way as the payment of other debts may be enforced in such colonies respectively:

And for securing method and accuracy in the execution by the stipendiary justices of the jurisdiction hereby vested in them, it is hereby further ordered, that the governor of each of the said colonies shall prepare forms of the proceedings to be observed on lodging complaints, in issuing summonses, in the citation of witnesses, in the making orders, and generally for the complete carrying into execution of the powers hereby vested in the stipendiary justices; which forms shall be submitted by such governor to the Chief Civil Judge of each such colony respectively, and, being approved by

such judge, the same shall be observed in all proceedings before the said stipendiary justices :

And it is further ordered, that all such forms of proceeding shall, from time to time, be revised, repealed, or amended, by the authority, and in the manner aforesaid, as occasion may require :

And it is further ordered, that no order made by any stipendiary justice in the execution of the jurisdiction so vested in him, shall be liable to be reversed, set aside, appealed from, or questioned, by any court of justice in any of the said colonies, but the same shall, to all intents and purposes, be binding, final, and conclusive, subject, nevertheless, to the right of the parties to proceed as hereinbefore mentioned, before the ordinary tribunals of the said colonies respectively :

And it is further ordered, that for all acts done by any stipendiary justice in the exercise of the jurisdiction hereby vested in him, such justice shall have, and be entitled to, the same protection and indemnity as by any law in force in the colony any magistrate is entitled to claim, or to have, in respect of any Act by him done in execution of the powers vested by law in him :

And it is further ordered, that, for the purposes, and within the meaning of this present Order, the officer lawfully administering the government of any of the said colonies shall be deemed and taken to be the governor thereof, and the words Chief Civil Judge shall be construed and understood to mean, in the colony of British Guiana, the Chief Justice of the Court of Civil and Criminal Justice of Demerara ; and in the colony of Trinidad, the Chief Judge of the Court of First Instance ; and in the colony of St. Lucia, the First President of the Royal Court ; and in the colony of Mauritius, the First President of the Court of Appeal :

And it is further ordered, that all laws, statutes, and ordinances in force in the said colonies, or any of them, which are, or shall be, in anywise repugnant to, or inconsistent with, this present Order, shall be, and the same are, hereby repealed :

And it is further ordered, that the governor of each of the said colonies respectively shall, immediately upon the receipt by him of this present Order, publish, or cause to be published, a proclamation, reciting at length the whole of this present Order, and stating the day of the month and year

on which the same was so received by him ; and from the publication of such proclamation this Order shall take effect and have the force of law, in each of the said colonies respectively :

And the Right Honourable the Lord Glenelg one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

Wm. L. Bathurst.
