MASTER OF THE ROLLS.—Saturday the 22d day of June, in the third year of the reign of Her Majesty Queen Victoria, 1839, between William Wilmoughby Gunston, Plaintiff; Mary Smith and Eliza Smith, Defendants.

UPON motion this day made unto this Court, by Mr. Hall, of Counsel for the plaintiff, it was alleged that the plaintiff, on the 13th day of May 1839, filed his bill in this Court against the defendants, and took out process of subpoena requiring them to appear to and answer the same, but the defendant Mary Smith has not appeared thereto; that upon enquiry at the defendant's usual place of abode she cannot be found, so as to be served with such process, and there is just ground to believe that the said defendant Mary Smith is purposely absconding to avoid being served with such process, as appears by the affidavit of Chestyn Hall, now produced and read: that the said defendant has been in England within two years before issuing the said subpoena, as by the affidavit it also appears; it is thereupon ordered, that the defendant, Mary Smith, do appear to the said bill, on or before the 20th day of July next.
