PRESENT,

The **QUEEN's** Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament holden in the third and fourth years of the reign of His late Majesty King William the Fourth, intituled "An Act to regulate the trade of the British possessions abroad," it was, amongst other things, enacted, that no goods should be imported into, nor should any goods, except the produce of the fisheries in British ships, be exported from, any of the British possessions in America, by sea, from or to any place other than the United Kingdom, or some other of such possessions, excepting to or from the several ports in such possessions called free ports, enumerated or described in the table in the said Act contained; and it was thereby further enacted, that if any goods should be imported into any port or place in any of the said possessions, contrary to the said Act, such goods should be forfeited; and it was thereby provided, that, if His Majesty should deem it expedient to extend the provisions of the said Act to any port or ports not enumerated in the said table, it should be lawful for His Majesty, by Order in Council, to extend the provisions of the said Act to such port or ports; and that from and after the day mentioned in such Order in Council all the privileges

and advantages of the said Act, and all the provisions, penalties, and forfeitures therein contained, subject, nevertheless, to the limitations and restrictions thereafter provided, should extend, and be deemed and construed to extend, to any such port or ports respectively as fully as if the same had been inserted and enumerated in the said table at the time of passing the said Act:

And it was thereby also enacted, that the several ports therein in that behalf mentioned, should be free warehousing ports for all the purposes of the said Act; and that it should be lawful for His Majesty, by Order in Council, from time to time, to appoint any port in His Majesty's possessions in America to be a free warehousing port for all or any of the purposes of the said Act; and that every port so appointed should be, for all the purposes expressed in such Order, a free warehousing port under the said Act, as if appointed by the same:

And whereas Her Majesty doth deem it expedient to extend the before-mentioned provisions of the said Act, respecting such free ports, to the port of *George Town*, *Demerara*, in the colony of *British Guiana*:

And in further pursuance and exercise of the powers and authorities in Her Majesty by the said Act in that behalf vested, Her Majesty, by and with the advice of Her Privy Council, doth order, and it is hereby ordered, that the port of George Town, Demerara, in the colony of British Guiana, herein appointed a free port as aforesaid, shall also, from and after the twenty-sixth day of October one thousand eight hundred and thirty-nine, be a free warehousing port for all the purposes of the said Act:

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein accordingly.

AT the Court at *Buckingham-Palace*, the 26th day of *August* 1839,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the seventh year of the reign of His late Majesty King William the Fourth, intituled "An Act for rendering more easy the taking the poll at county elections," it was enacted, that it should be lawful for His Majesty, by and with the advice of His Privy Council, from time to time, on petition from the justices of any county, riding, parts, or division in England or Wales, in quarter

sessions assembled, representing, that the number of polling places for such county, riding, parts, or division is insufficient, and praying, that the place or places mentioned in the said petition might be a polling place or polling places for the county, riding, parts or division of the county within which such place or places is or are situate, to declare that any place or places mentioned in the said petition should be a polling place or polling places for that county, riding, parts, or division; and that the justices of the peace for such county, riding, parts, or division, in quarter sessions or some special sessions assembled, as mentioned in the Act, passed in the third year of the reign of His said late Majesty, intituled "An Act to settle and determine the division of counties, and the limits of cities and boroughs, in England and Wales, in so far as respects the election of Members to serve in Parliament," should, conformably to the said last-mentioned Act, divide such county, riding, parts, or division into convenient polling districts, and assign one of such districts to each polling place:

And whereas the justices of the peace of the county of Wilts, assembled at the general quarter sessions of the peace held at *Warrminster*, in and for the said county of Wilts, on the second day of July one thousand eight hundred and thirty-nine, have presented their petition to Her Majesty, representing that the number of polling places for the northern division of the said county is insufficient, and therefore praying, that the town of *Chippenham* may be a polling place for the said northern division:

Now, therefore, Her Majesty, having taken the said petition into consideration, doth, pursuant to the said Act of the seventh year of His late Majesty's reign, by and with the advice of Her Privy Council, declare, order, and direct, that the said town of *Chippenham* shall be a polling place for the said northern division; and further, that the justices of the peace for the said county, assembled in quarter sessions or some special sessions, as mentioned in the said Act of the third year of His late Majesty's reign, shall, conformably to the said last-mentioned Act, divide the said northern division into convenient polling districts, and assign one of such districts to each polling place.

NOTICE TO MARINERS.

Dock-Office, Liverpool, Sept. 5, 1839.

(ALL BEARINGS BY COMPASS.)

THE Trustees of the Liverpool Docks and
Harbour do hereby give notice, that the
following changes in the lighting, beaconing, and
buoying of the northern approaches to this Port,
will take place on and after the night of Thursday,
October 10, 1839, viz.

Crosby Lighthouse.

A new Light Tower has been erected about
a mile and a half S. S. W. of Formby Light-
house, towards Crosby Point; the light there-
from will be exhibited, for the first time, on the
evening of the above date, and continued every
night, from sunset to sunrise.

The light in this tower will be stationary, of a
red colour, elevated 96 feet above the sea at half-
tide level, and will be visible between the points of
S. W. by W. $\frac{3}{4}$ W. and N. by W. $\frac{3}{4}$ W., which
limits will indicate respectively when a vessel is
westward of Mad Wharf, and when she ought to
shape her fairway course up Crosby Channel.

A 2

The Formby Light Vessel,

Will be moved one fifth of a mile S. by E.
 $\frac{1}{2}$ E. of her present berth, into 30 feet at low
water. Her application through the half-tide Swatch-
way, when brought in a line with the Rock
Lighthouse, will remain as heretofore, and when
brought in a line with the New Crosby Shore
Light, will lead in from Seaward through the
New Cut, now called Victoria Channel, on a course
of S. E. by E. $\frac{1}{2}$ E.

Crosby Land Mark.

In order to render the line of leading objects into
the Victoria Channel more available in hazy weather,
or accidental absence of the Light Vessel, a Beacon,
surmounted by a black ball, has been erected on the
low water shore, towards Crosby Point, in line of
Light Vessel and Lighthouse.

The Bell Beacon,

Will be shifted a little more than $\frac{3}{4}$ of a mile
N. by E. $\frac{1}{2}$ E. of her present station, into 39 feet at
low water, with the Formby Light Vessel and
Crosby Shore Light in one, and bearing from the
North West Lightship N. E. $\frac{1}{2}$ E. $4\frac{1}{4}$ miles, indicat-
ing the Fairway of the Channel.

These Buoys will bear N. E. and S. W. of each
other, rather more than a $\frac{1}{4}$ of a mile apart, the
width of the Channel entrance:

V. 1 Red (Can) on N. W. Spit of Victoria
Channel. In 10 feet at low water, bearing from
the Bell Beacon S. E. $\frac{1}{2}$ E., $\frac{3}{4}$ of a mile.

V. 1 Black (Nun) on N. E. Spit of Victoria
Channel. In 11 feet at low water, bearing from
the Bell Beacon E. S. E. $\frac{1}{4}$ E., a little more than
 $\frac{3}{4}$ of a mile.

These Buoys bear from each other N. E. $\frac{1}{4}$ N. and
S. W. $\frac{1}{4}$ S., $\frac{1}{3}$ of a mile apart:

V. 2 Red (Can) on S. W. Spit of Victoria
Channel. In 12 feet at low water, bearing from
V. 1 Red S. E. $\frac{3}{4}$ E., $\frac{2}{3}$ of a mile.

V. 2 Black (Nun) on S. E. Spit of Victoria
Channel. In 12 feet at low water, bearing from
V. 1 Black S. E. by E., $\frac{2}{3}$ of a mile.

N. 2, Red (Can) on North Edge of North Burbo,

Will be altered to V. 3, Red (Can), and shifted
about $\frac{1}{3}$ of a mile E. $\frac{1}{4}$ S. of its present position,
into 20 feet at low water, bearing from Formby
Light Vessel W. N. W. $\frac{1}{4}$ W., $\frac{3}{4}$ of a mile.

N. 3, Red (Can) with Perch, on N. Edge of West
Middle,

Will be altered to V. 4, Red (Can) with Perch,
and shifted $\frac{1}{2}$ a mile S. E. of its present position, in
17 feet at low water, bearing from Formby Light
Vessel S. W. $\frac{1}{4}$ S., about $\frac{1}{3}$ of a mile.

N. 3, Black Nun, will be altered to V. 3, remaining
in its present position.

A Nun Buoy, quartered Red and White, and marked N. Fy.,

Will be placed in the position at present occupied by N. 1, Red Can, for the guidance of such mariners and pilots as may choose to take the New Channel, of which it will indicate the fairway.

C. 1 Black (Nun) on N. W. Spit of Formby Middle Middle Bank (Taylor's Buoy),

Will be moved 1 cable N. W. by W. into 20 feet at low water, bearing from Formby Light Vessel E., $\frac{1}{3}$ of a mile.

On the foregoing alterations taking place, Formby Shore Light will be discontinued, and the Buoy N. 1, Black, will be taken away, but Formby Light-house will remain as an object, in conjunction with the N. W. mark, for a leading line into the Formby Channel by day.

The Light Ships will, from the above date, be distinguished by carrying balls at their mast heads, instead of flags. The Formby Light Ships to be painted red; the North West Light Ships black.

Point Lynus Light.

In order to effect a distinction between this light and that of the Skerries, Point Lynus Light, which has hitherto been known to mariners as a fixed light, will, on and after the night of Friday, November 1, 1839, be changed to a flashing light, becoming instantaneously obscured to the mariner at intervals of ten seconds, and remaining so obscured two seconds.

By order of the Committee,
Wm. Lord, Marine Surveyor.
