NOTICE is hereby given, that a separate building, named the Brunswick Chapel, situated in North-street, in Bury, in the parish of Bury, in the county of Lancaster, in the district of Bury, being a building certified according to law as a place of religious worship, was, on the 26th day of December 1839, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th William 4, chap. 85.

NOTICE is hereby given, that we the undersigned, the Right Honourable Charles Herbert Earl Manvers, Impropiator, and the Honourable and Reverend Thomas Erskine, Vicar of the parish of Beighton, in the county of Derby, in pursuance of the powers and authorities given to us, as such Impropiator and Vicar, under and by virtue of an Act of Parliament, made and passed in the thirty-sixth year of the reign of His late Majesty King George the Third, intituled "An Act for dividing and inclosing the commons and waste lands within the manor and parish of Beighton, in the county of

Derby," do intend to make application at the next general quarter sessions of the peace to be holden in and for the county of Derby, in the week after the feast of Easter, now next ensuing, to have two persons named and appointed by the justices then and there assembled, to be, together with a third person to be named and chosen by such two persons, arbitrators or referees for inquiring into and ascertaining by or from or by means of the London Gazette (or by such other means as they shall think fit), the average price of a Winchester bushel of good marketable wheat within the said county of Derby, for the fourteen years then last past, in order and to the intent that such arbitrators or referees, or the major part of them, may and shall, by their report, to be made and delivered to the court of quarter sessions to be held in and for the said county of Derby, in the first week after the feast of the translation of Saint Thomas the Martyr then next ensuing, set forth such average price; and that in case it shall by such report appear, that such average price of a bushel of such wheat is more or less than the average price thereof set for in the award of the commissioners appointed for carrying into execution the powers of the said Act of Parliament, by the value of threepence, or upwards, then that the several and respective annual rents or yearly sums of money charged upon and payable, by virtue of the said Act of Parliament and award, out of the lands, tenements, and hereditaments in the said parish of Beighton, in lieu of all great and small tithes (except mortuaries, Easter offerings, and surplice fees), may and shall be increased or diminished in such manner as shall be declared by order of the said court; and in order and to the intent that the same yearly rent or sums of money so increased or diminished may and shall, from the quarterly day of payment preceding such order, remain and continue issuing and payable in manner by the said Act directed, out of the several lands and estates charged by the said award with such respective yearly rents or sums of money, until the same shall, at or after the end of fourteen years then next ensuing, be again varied, pursuant to the powers for that purpose contained in the said Act.
