C. C. Greville.

AT the Court at Buckingham-Palace, the 25th day of February 1841.

#### PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HĒREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the sixteenth day of February one thousand eight hundred and forty-one, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," have prepared, and now humbly lay before your Majesty in Council, the following scheme:

"Whereas the Dean and Chapter of the cathedral church of Worcester have duly prepared and submitted to us a plan, for the disposal of a residence-house attached to a suspended canonry in the cathedral church of Worcester, in the precincts of the said church, which plan has been duly approved

by the Visitor of the said church, and is in the words and figures following, that is to say:

"Whereas by an Act, passed in the last session of Parliament, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," it was enacted, "that, so soon as conveniently might be, measures should be taken by the deans and chapters of the several cathedral and collegiate churches for the disposal of such residence-houses then under their controul, and houses attached to any dignity, office, or prebend, in the precincts of the respective cathedral and collegiate churches as might no longer be required, in such way as they should deem fit, according to plans to be, from time to time, prepared by the respective chapters, and, when approved by the Visitors, submitted to the Ecclesiastical Commissioners for England, and confirmed by the authority therein-after provided;" and whereas there is a house, formally attached to one of the prebendal stalls, situate within the precincts of the cathedral church of Worcester, and abutting against the same, which it is very desirable to remove, the said house being a very unsightly object, and dangerous, in case of fire, to the safety of the cathedral; we, therefore, the Dean and Chapter of the said cathedral church, are desirous that the said house may be taken down, and having obtained the approval of the Lord Bishop of Worcester, as Visitor of the said cathedral church, we humbly submit the said plan to you, the Ecclesiastical Commissioners of England, in order that the same may be confirmed according to the provisions of the Act above mentioned; in witness whereof we have hereunto set our common seal this twenty-third day of January, in the year of our Lord one thousand eight hundred and forty-one."

"We, therefore, humbly recommend and propose to your Majesty in Council, that the said plan should be confirmed and ratified."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same, and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London
