**A**T the Court at *Windsor*, the 11th day of *August* 1841,

PRESENT.

The **QUEEN**'s Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England, have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act, passed in the last session of Parliament, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council, a scheme, bearing date the thirteenth day of July one thousand eight hundred and forty-one, in the words and figures following, that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act passed in the session of Parliament, held in the third and fourth years of your Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act, passed in the last session of Parliament, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England,"

have prepared, and now humbly lay before your Majesty in Council, the following scheme for appropriating part of the revenues of the canonry in the collegiate church of Saint Peter, Westminster, to which the rectory of the parish of Saint John, Westminster, is annexed, towards making better provision for the cure of souls in the said parish."

"Whereas, in pursuance of an Act, passed in the session of Parliament held in the fifth and sixth years of the reign of His late Majesty King William the Fourth, intituled "An Act for protecting the revenues of vacant ecclesiastical dignities, prebends, canonries, and benefices, without cure of souls, and for preventing the lapse thereof during the pending inquiries respecting the state of the Established Church in England and Wales;" and of an Act, passed in the sixth and seventh years of the reign of His said late Majesty, intituled "An Act for suspending, for one year, appointments to certain dignities and offices in cathedral and collegiate churches, and to sinecure rectories;" the profits and emoluments of the said canonry were, during the vacancy thereof, paid to the Treasurer, for the time being, of the Governors of the Bounty of Queen Anne.

"And whereas, in pursuance of the said first recited Act, the said profits and emoluments were paid and delivered to us by the said treasurer, and now remain in our hands, and together with the in-

terest which has accrued thereon, amount to the sum of nine hundred and seventy pounds eighteen shillings and twopence.

“ And whereas by the said first recited Act, the rectory of the said parish of Saint John became and was permanently annexed and united to the canonry in the said collegiate Church of Saint Peter, Westminster, then held by John Jennings, Clerk, Master of Arts; and it was enacted that, when and so often as according to the statutes or usages of the chapter of the said collegiate church, any division should be made of any profit or emoluments, from whatever source accruing, or any stipend or other sum of money should become payable to the members of the said chapter, as such members, the share of such profits and emoluments which, according to such statutes or usages, should be found to belong to the said canonry or the incumbent thereof, and every such stipend or other sum of money so payable to such incumbent, instead of being paid to such incumbent, should, by the treasurer, for the time being, of the said chapter, be divided into twelve equal parts, and eight only of such parts should be paid to or for the use of the incumbent, for the time being, of the said canonry, and the remaining four parts should be paid in such manner, and to such uses, as should by the authority thereafter provided be directed.

“ And whereas by the said secondly recited Act, it was enacted that it should be lawful to apply such last mentioned moneys towards making a better provision for the cure of souls in the said parish of Saint John, in such manner as by the authority in the said first recited Act provided should be deemed best for the spiritual interests of the said parish; and that it should also be lawful, by the like authority, in the same manner, to apply the moneys so paid over to us by the Treasurer of the Bounty of Queen Anne as aforesaid.

“ Now, therefore, we humbly recommend and propose, that we shall be authorized and empowered to appropriate the said sum of nine hundred and seventy pounds eighteen shillings and twopence, being such principal and interest as aforesaid, toward erecting and building a house of residence for the minister of the district church of Saint Mary, within the said parish of Saint John, upon a site, the leasehold interest in which has been lately purchased by the said John Jennings out of his own proper mo-

neys, and the reversion of which has been duly assigned by the said Dean and Chapter for such house of residence.

“ And we further recommend and propose, as to the said four twelfth parts of the profits and emoluments of the said canonry, as well those which have already accrued, as those which may hereafter accrue, that the treasurer, for the time being, of the said chapter, do forthwith, and from time to time, pay two of such four parts to the minister, for the time being of the said district church of Saint Mary, and the other two of such parts, to the minister, for the time being, of the church now about to be erected in the district of Peter-street, in the said parish, so soon as such last mentioned church shall have been completed, and a district legally assigned thereto; and in the mean time, to the said John Jennings and his successors, as rectors of the said parish of Saint John, to be by him and them paid to such spiritual person, as shall be duly licensed by the Lord Bishop of London, for the time being, to officiate within such district of the said parish, as the said Bishop shall define and describe in the licence.

“ And we recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the matters to which this scheme relates, or any of them in conformity with the provisions of the said recited Acts, or either of them.

And whereas, notice of the said scheme has been duly given to the Dean and Chapter of Westminster, pursuant to the provisions of the said Act herein first recited, and no objection has been made thereto.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of London.

"Whereas, by the first recited Act, it was enacted, that the rectory of the parish of Saint Margaret, in the city of Westminster, should immediately become and be permanently annexed and united to the canonry in the said collegiate church of Saint Peter; Westminster, then held by Henry Hart Milman, Clerk, Master of Arts; and that when and so often, as according to the statutes or usages of the Chapter of the said collegiate church, any dividend or division should be made of any profits or emoluments, from whatsoever source accruing, or any stipend or other sum of money should become payable to the members of the said

Chapter as such members, the share of such profits and emoluments which, according to such statutes or usages, should be found to belong to the said canonry, or the incumbent thereof, and every such stipend or other sum of money so payable to such incumbent, instead of being paid to such incumbent, should, by the Treasurer, for the time being, of the said Chapter, be divided into twelve equal parts, and eight only of such parts should be paid to or for the use of the incumbent for the time being of the said canonry, and the remaining four parts should be paid in such manner and to such uses as should, by the authority thereafter provided, be directed:

"And whereas, by the said secondly recited Act, it was enacted, that it should be lawful to apply such last-mentioned moneys towards making a better provision for the cure of souls in the said parish of Saint Margaret, Westminster, in such manner as, by the authority in the said first recited Act provided, should be deemed best for the spiritual interests of the said parish:

"And whereas three new district churches are about to be erected within the said parish of Saint Margaret, one of which churches will be upon the site of the chapel called Broadway Chapel, another, in some convenient situation in the western part of the Westminster division of the said parish, and a third at Knightsbridge, in the same parish:

"We, therefore, recommend and propose, that all such moneys as aforesaid, as well those which have already accrued as those which may hereafter accrue, shall, by the Treasurer, for the time being, of the said Dean and Chapter of Westminster, be forthwith and, from time to time, divided and paid as hereinafter mentioned, that is to say, one seventh part thereof shall be paid to the Minister of the church so to be erected in Knightsbridge, so soon as the same shall be completed and a district legally assigned thereto; one moiety of the residue of such moneys (after such payment thereout) shall be paid to the Minister, for the time being, of the church so to be erected on the site of Broadway Chapel aforesaid, so soon as the same shall be completed and a district legally assigned thereto; and the remaining moiety of such residue shall be paid to the Minister, for the time being, of the church so to be erected in the western part of the Westminster division aforesaid, so soon as the same shall be completed and a district legally assigned thereto; and that, in the mean time, the said portions, respectively, shall be

paid to the said Henry Hart Milman, and his successors, as Rector of the said parish of Saint Margaret, to be by him and them paid to such spiritual persons, respectively, as shall be duly licensed by the Bishop of London, for the time being, to officiate within such districts of the said parish as the said Bishop shall define and describe in their respective licences :

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the distribution of such moneys as aforesaid.”

And whereas notice of the said scheme has been duly given to the Dean and Chapter of Westminster, pursuant to the provisions of the said Act herein first recited, and no objection has been made thereto :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of London.

PRESENT.

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled “ An Act for carrying into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues ;” and of another Act, passed in the last session of Parliament, intituled “ An Act to explain and amend two several Acts, relating to the Ecclesiastical Commissioners for England,” duly prepared and laid before Her Majesty in Council a scheme, bearing

date the thirteenth day of July one thousand eight hundred and forty-one, in the words and figures following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act for carrying into effect, with certain modifications, “ the fourth report of the Commissioners of Ecclesiastical Duties and Revenues ;” and of another Act, passed in the last session of Parliament, intituled “ An Act to explain and amend two several Acts “ relating to the Ecclesiastical Commissioners for “ England,” have prepared, and now humbly lay before your Majesty in Council the following scheme, for regulating the average annual incomes of the Dean and Canons of the Cathedral Church of Durham appointed, or to be appointed, after the passing of the said first recited Act.

“ Whereas, it is by the first recited Act enacted, that so soon as conveniently may be, and by the authority therein provided, such fixed annual sums shall be determined on to be paid, and shall accordingly be paid to us by the Dean and Canons of the cathedral church of Durham, as after due inquiry, and a calculation of the present average annual revenues of the Chapter of such church, shall leave to the said Dean an average annual income of three thousand pounds, and to each of the Canons of the same church, the average annual income of one thousand pounds; but such provision was not to affect any Dean or Canon in possession at the passing of the same Act :

“ And whereas, the present Dean and one of the present Canons of the said cathedral church of Durham, have been appointed since the passing of the same Act :

“ And whereas, by the said secondly recited Act, it is declared and enacted, that, notwithstanding such last recited provision, it shall be lawful to carry such purpose into effect by any mode of payment or contribution which may be deemed fit, as well as by the mode in the said first recited Act specified :

“ We, therefore, having made the inquiry and calculation required by the said first recited Act, humbly recommend and propose, that in order to leave to the Dean and Canons of Durham respectively, appointed after the passing thereof, the average annual incomes in the said Act specified, there shall

be paid to us, in the manner, and at the times hereinafter mentioned, and for the purposes of the said recited Acts, five equal seventeenth parts of all monies at any time accruing, and payable to such Dean, and one moiety of all monies at any time accruing and payable to any such Canon :

“ And to this end, we recommend and propose, that the Treasurer of the said cathedral church of Durham shall, from time to time, divide each and every sum of money from whatever source arising, which, according to the statutes or usage of the said cathedral church, or the Chapter thereof, would be payable to the Dean, or to the representatives of any Dean, in respect of the deanery of the said cathedral church, into seventeen equal parts, and that twelve of such parts shall be paid to the Dean, for the time being, or the representatives of the preceding Dean, as the case may be, and the remaining five parts shall be set apart and paid to us as hereinafter recommended and proposed ; and that the said Treasurer shall, from time to time, divide each and every sum of money from whatever source arising, which, according to the statutes or usage aforesaid, would be payable to any Canon appointed, after the passing of the said first recited Act, or to the representatives of any such Canon, in respect of any canonry of the said cathedral church, into two equal moieties ; and that one of such moieties shall be paid to the Canon for the time being, or the representatives of the preceding Canon, as the case may be, and the remaining moiety shall be set apart and paid to us as hereinafter recommended and proposed :

“ And we recommend and propose, that such Treasurer shall, on or before the first day of December, in the present and every succeeding year, deliver to us an account of all monies which would, according to the statutes or usage aforesaid, be payable to the Dean or to any such Canon aforesaid, or their representatives respectively, during the year ending on the twenty-ninth day of the month of September preceding, and of the several sources from whence such monies shall have arisen, and of the proportion of such monies set apart for us according to this scheme, and shall, on or before the fifteenth day of the same month of December pay, or cause to be paid, to us, or to our order, the whole amount of the monies so set apart for us :

“ And we recommend and propose, that nothing herein contained shall prevent us from recommend-

ing and proposing any other measures relating to the Dean and Canons of the said cathedral church of Durham, in conformity with the provisions of the said recited Acts, or either of them.”

And whereas, previously to laying the said scheme before Her Majesty in Council, notice thereof was duly given to the Dean and Canons of the Cathedral Church of Durham, and no objection was made thereto :

And whereas, the said scheme has been approved by Her Majesty in Council ; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this order shall have been duly published in the London Gazette, pursuant to the said Act ; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Durham.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of “ Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the sixth day of July one thousand eight hundred and forty-one, in the words and figures following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical “ Duties and Revenues,” have prepared, and now

humbly lay before your Majesty in Council, the following scheme for the endowment of the archdeaconry of Craven, in the diocese of Ripon :

“ Whereas by virtue of an Act, passed in the seventh year of the reign of His late Majesty, intituled “ An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage ;” and by an Order of His said Majesty in Council, dated the fifth day of October, in the year one thousand eight hundred and thirty-six, ratifying a scheme which we prepared and laid before His said Majesty in Council, under the provisions of the same Act, the archdeaconry of Craven was duly founded in the diocese of Ripon, and a district was assigned thereto :

“ And whereas the Venerable Charles Musgrave, Doctor in Divinity, was thereupon duly collated to the same archdeaconry, and has since been, and now is, Archdeacon thereof, and is resident within the said diocese, but no endowment has been, or is possessed or enjoyed by him as such Archdeacon :

“ We, therefore, humbly recommend and propose, with the consent of the Right Reverend Charles Thomas Bishop of Ripon, testified by his having signed and sealed this scheme, that the said archdeaconry of Craven, in the diocese of Ripon, shall be endowed by augmentation, out of the common fund in the first recited Act mentioned, and that accordingly there shall be paid by us to the said Charles Musgrave, and his successors, archdeacons of Craven, for the time being, so long as he and they respectively shall continue to hold the office of archdeacon of Craven, and shall duly reside within the said diocese, according to the provisions of the said first recited Act; the annual sum of one hundred and eighty pounds, out of the moneys from time to time carried over to such common fund, on the first day of January in every year, on production to us of a certificate, under the hand of the bishop of the said diocese for the time being, that such archdeacon has duly resided during the preceding year, and that the first of such payments shall be made on the first day of January next ensuing ; and that whenever a vacancy in the said archdeaconry shall happen on any other day than the first day of January, the next yearly payment shall be apportioned between the

archdeacon making the vacancy, or his representatives, and the archdeacon succeeding to the said archdeaconry, according to the time which shall have elapsed on the last day of payment to the day of the vacancy, inclusive, and such proportion shall be paid to the respective parties accordingly :

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measure relating to the endowment of the said archdeaconry of Craven, in conformity with the provisions of the said Acts, or either of them, or of an Act, passed in the last session of Parliament, intituled “ An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same, and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Ripon.

AT the Court at Windsor, the 11th day of August 1841, -

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council, a scheme, bearing date the thirteenth day of July one thousand eight hundred and forty-one, in the words and figures following, that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of your Majesty's reign, intituled " An Act to carry " into effect, with certain modifications, the fourth " report of the Commissioners of Ecclesiastical " Duties and Revenues," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for relieving the present canons of the cathedral church of Worcester from additional duty by reason of the suspension of the canonries therein :

" Whereas it was by the said Act enacted, that, out of the proceeds of the suspended canonries in any chapter provision might, from time to time, be made by the authority therein provided, for relieving the then existing canons of such chapter, from the performance of any additional duty by reason of such suspension, by the employment of substitutes to be approved by the respective bishops :

" And whereas application has been made to us by the Dean and Chapter of the cathedral church of Worcester, to make provision for a substitute or substitutes to be employed and approved according to the said Act, to perform the duties which, by reason of the present suspension of two canonries, and of the future suspension of four other canonries in the said church, would otherwise be imposed on the present canons :

" We, therefore, humbly recommend and propose, that the said dean and chapter be empowered, from time to time, to appoint a substitute or substitutes, to be approved by the Bishop of Worcester, for the time being, to perform the duties of a canon in residence, for such calendar month or months in this present and each succeeding year as shall remain unprovided for after the periods of statutable and customary residence by all the existing canons shall have been fixed :

" And we further recommend and propose that, until the said chapter shall consist exclusively of canons appointed after the passing of the said recited Act, it shall be lawful for the treasurer or other proper officer, for the time being, of the said dean and chapter to retain, out of the first moneys payable to us as such proceeds as aforesaid in each year, the sum of fifty pounds for every calendar month, to be so provided for as aforesaid, and to pay the same to the person or persons so

appointed and approved, in such proportions, if more than one person as shall be equal to the period of residence and duty by each of them actually kept and performed :

" And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said cathedral church of Worcester, in conformity with the provisions of the said Act."

And whereas notice of the said scheme has been duly given to the present canons of the cathedral church of Worcester, pursuant to the provisions of the said Act, and no objection has been made thereto.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Worcester.

C. C. Greville.

AT the Court at Windsor, the 11th day of August 1841.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the sixth year of the reign of His late Majesty King George the Fourth, but repealed and re-enacted by third and fourth William Fourth, cap. fifty-nine, intituled " An " Act to regulate the trade of the British possessions abroad," after reciting that, " by the law of " navigation foreign ships are permitted to import " into any of the British possessions abroad, from " the countries to which they belong goods, the " produce of those countries, and to export goods " from such possessions, to be carried to any foreign " country whatever, and that such permission should " be subject to certain conditions," it is enacted,

“ that the privileges thereby granted to foreign  
 “ ships shall be limited to the ships of those  
 “ countries which, having colonial possessions, shall  
 “ grant the like privileges of trading with those  
 “ possessions to British ships, or which, not having  
 “ colonial possessions, shall place the commerce  
 “ and navigation of this country, and of its pos-  
 “ sessions abroad, upon the footing of the most  
 “ favoured nation, unless His Majesty, by His  
 “ Order in Council, shall in any case deem it ex-  
 “ pedient to grant the whole or any of such privi-  
 “ leges to the ships of any foreign country, although  
 “ the conditions aforesaid shall not, in all respects,  
 “ be fulfilled by such foreign country :”

And whereas Her Majesty, by and with the advice of Her Privy Council, doth deem it expedient to grant, pending negotiations for a treaty of commerce between Chili and Great Britain, the privileges aforesaid to the ships of Chili, recognized as such by the British navigation laws; Her Majesty doth, therefore, by the advice aforesaid, and in pursuance and exercise of the powers and authority in Her vested by the said last recited Act of Parliament, declare and grant, that it shall and may be lawful for Chilian ships (recognized as aforesaid) to import into any of the British possessions abroad, from the dominions of Chili, goods, the produce of those dominions, and to export goods from such possessions, to be carried to any foreign country whatever; provided, that, if British subjects and commerce in Chili shall, at any time, cease to enjoy all the privileges, whatever they may be, which the subjects and commerce of any other foreign nation may enjoy in Chili, then such permission to trade with the British colonies shall immediately be withdrawn :

Provided always, that the privileges granted shall be confined to Chilean vessels, built, owned, and navigated in manner required by the British laws of navigation.

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein accordingly.
