TUESDAY, FEBRUARY 8, 1842.

AT the Court at *Buckingham-Palace*, the 2d day of *February* 1842,

PRESENT,

The **QUEEN's** Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session of Parliament held in the third and fourth years of His late Majesty King William the Fourth, intituled "An Act to regulate the trade of the British possessions abroad," it is, amongst other things, enacted, that the several ports therein in that behalf mentioned shall be free warehousing ports for all the purposes of the said Act; and it is thereby further enacted, that it shall be lawful for His Majesty, by Order in Council, from time to time, to appoint any port in His Majesty's possessions in America to be a free warehousing port for all or any of the purposes of the said Act, and that every port so appointed shall be, for all the purposes expressed in such Order, a free warehousing port, under the said Act, as if appointed by the same:

And whereas Her Majesty doth deem it expedient to appoint the ports of Saint John, in the island of Antigua, and Plymouth, in the island of Montserrat, free warehousing ports under the said Act, subject to the provisions hereinafter contained:

Now, therefore, in pursuance and exercise of the powers and authorities in Her Majesty by the said Act in that behalf vested, Her Majesty, by and with the advice of Her Privy Council, doth order, and it

is hereby ordered, that the said ports of Saint John, in the island of Antigua, and Plymouth, in the island of Montserrat, shall be free warehousing ports for all the purposes of the said Act:

Provided always, and it is hereby ordered, that nothing herein contained shall exempt any goods, wares, or merchandize imported from the said ports of Saint John and Plymouth, respectively, into any of the British possessions in the West Indies, or on the Continent of South America, or into the Bahama Islands, from the payment of the duties now chargeable thereon in such places under the said Act:

And the Right Honourable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein accordingly.

Wm. L. Bathurst.

AT the Court at *Windsor*, the 15th day of *January* 1842,

PRESENT,

The **QUEEN's** Most Excellent Majesty in Council.

WHEREAS it is probable that the laws now in force in British India, for preventing the emigration of the inhabitants thereof to Her Majesty's colonial possessions, will be shortly repealed, so far as respects emigration to the island of Mauritius; and that such last-mentioned emigration will be

sanctioned by laws to be for that purpose enacted in India, subject to various provisions to be in such laws made for the protection of such emigrants, and for the prevention of abuses: and whereas it is probable that, amongst the provisions so to be made as last aforesaid, will be a provision for enabling the Governor General of India to appoint, at ports or places in India, officers charged with the care, protection, and superintendence of all persons proposing to emigrate as Labourers from India to Mauritius: and whereas it is probable that provision will be made by law, at Mauritius, for defraying, from the public revenue of that island, the expence of introducing immigrants thither from British India: and whereas it is necessary that effectual provision should be made by law, at Mauritius, for regulating any such expenditure, and for the prevention of abuses in the introduction of immigrants from British India into that island:

It is, therefore, hereby ordered by the Queen's Most Excellent Majesty, by and with the advice of Her Majesty's Privy Council, that, in the event of any law being made in British India authorizing the immigration to Mauritius of the natives of India, and repealing the restrictions now in force there in regard to such immigration; and in the event of any such law containing provisions enabling the Governor General of India to appoint, at the several ports of embarkation in India, officers charged with the protection of persons emigrating from such ports to Mauritius, the various rules and regulations comprized and set forth in the schedule to this present Order subjoined shall, within the island of Mauritius, have the force and effect of law, and shall be observed and carried into effect by all Her Majesty's officers, civil and military, in Mauritius, and by all Her Majesty's subjects within the said island, as to them may respectively appertain.

And the Right Honourable Lord Stanley, one of Her Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

Wm. L. Bathurst.

The SCHEDULE referred to in the preceding Order, comprising the Rules and Regulations to be observed at Mauritius, in regard to Emigrants from British India resorting to, and arriving at, that Island.

1st. The Governor of Mauritius may, from time

to time, nominate such persons as he shall see fit to act as emigration agents at any port or place in India, which the Governor General of India may designate as a port or place for the embarkation of emigrants to Mauritius, and may also, from time to time, nominate a proper person to act as protector of immigrants at Mauritius.

2d. The remuneration to be given to any such agent in India, shall not depend upon, or be regulated by, the number of the emigrants sent to Mauritius by him, but shall be in the nature of an annual salary.

3d. Every such emigration agent shall ascertain, by personal communication with every emigrant, previously to his or her embarkation from the port or place for which such agent shall be appointed, that such emigrant has not been induced to emigrate by any fraud or false or unreasonable representation, and is aware of the distance of Mauritius from the place where he or she is about to emigrate; and such agent shall explain the real advantages likely to be derived by such emigrant from a removal to Mauritius, at the same time cautioning such emigrant against unreasonable and unwarranted expectations; and such agent shall also ascertain that every such emigrant is in good health, and not incapacitated for labour by old age, bodily infirmity, or disease.

4th. It shall not be lawful to ship on board of any ship or vessel carrying any emigrants from India to Mauritius, any number of passengers exceeding the proportion of one person for every two tons of the registered burden of such ship or vessel; and no such ship or vessel carrying emigrants, and having more than one deck, shall have less than the height of six feet at the least, between decks; and in case such ship or vessel shall have only one deck, a platform shall be laid beneath such deck in such manner as to afford a space of the height of six feet at the least; and that such platform shall not be so laid as that the lower beams shall project above the same; and that no such ship or vessel shall have more than two tiers of berths, and that no such ship or vessel shall carry passengers on any such voyage to Mauritius unless there shall be an interval of six inches, at the least, between the deck or platform and the floor of the lower tier, throughout the whole extent thereof; and, whatever may be the tonnage of the ship or vessel, no greater number of passengers shall be

taken on board of such ship or vessel than shall be after the rate of one such person for every twelve superficial feet of the lower deck or platform unoccupied by goods or stores, not being the personal baggage of such persons.

5th. In the computation of the number of passengers within the meaning of these regulations, two children, under the age of ten years, shall be considered as equal to, and shall be reckoned as, one person only.

6th. There shall be actually laden and on board of every ship or vessel bringing emigrants into Mauritius, at the time of the departure of such ship or vessel from the port or place at which such labourers shall be embarked, good and wholesome provisions for the use and consumption of the said passengers, over and above the victualling of the crew, to the amount or in the proportion following, that is to say, a supply of water to the amount of five gallons to every week of the computed voyage for every passenger on board such ship or vessel, such water being carried in tanks or sweet casks; and a supply of rice, bread, biscuit, flour, oatmeal, or bread stuffs, to the amount of seven pounds weight to every week of the computed voyage for every such passenger; provided always, that when any such ship or vessel shall be destined to call at a port or place in the course of her voyage, for the purpose of filling up her water casks, a supply of water, at the rate before mentioned, for every week of an average voyage to such port or place of calling, shall be deemed to be a compliance with this regulation; and provided that the preceding regulations regarding food shall be deemed to have been complied with in any case where it shall be made to appear that, by the special authority of the Governor General of India, any other articles of food were substituted for the articles above enumerated as being in his judgment equivalent thereto.

7th. The number of weeks which shall be deemed necessary for the voyage to Mauritius from any port or ports in India, shall be such as shall, from time to time, be determined by any law or ordinance to be promulgated for that purpose by the Governor General of India in Council, and according to any such law or ordinance, shall and may be further determined whether, at different periods of the year, different estimations are to be made of the probable length of any such voyage; and, if by any such law or ordinance, the removal of emigrants should, during

any particular period of the year, be prohibited altogether, then any such removal, during such prohibited period, shall, in Mauritius, be regarded, dealt with, and punished as an infringement of these present regulations.

8th. Before any such ship or vessel shall be cleared out on any such voyage, the agent appointed under this Ordinance, for the port or place from which such ship or vessel shall be cleared out, shall survey, or cause to be surveyed by some competent person, the provisions and water hereinbefore required to be on board for the consumption of the passengers, and shall ascertain that the same are in good and sweet condition; and also that, over and above the same, there is on board an ample supply of water and stores for the victualling of the crew of the ship or vessel; and shall also ascertain that such ship or vessel is generally reputed seaworthy, and that the directions hereinbefore contained for ensuring the health and safety of the passengers have been complied with; and shall grant a certificate thereof under his hand to the master of such ship or vessel.

9th. The master of every ship or vessel bringing emigrants to Mauritius, shall be bound to provide for, and furnish to, every such emigrant and his wife and children, a sufficient quantity of good and wholesome provisions, for his, her, and their daily maintenance, during such voyage, and during the space of forty-eight hours next after the arrival of such ship or vessel in Mauritius.

10th. Two copies of these regulations, authenticated by the signature of the agent at the port or place from which such emigrants shall come, shall be delivered to the master, by such agent, on demand, at the time of clearance, and shall be kept on board of every ship or vessel carrying such emigrants as aforesaid, and one of such copies shall, upon request made at seasonable times to the master of the ship or vessel, be produced to any passenger for his perusal.

11th. The master of every ship or vessel carrying emigrants from India to Mauritius shall, before clearing out such ship or vessel, deliver to such agent, at the port or place from which such ship or vessel shall be cleared out, a list in writing, together with a duplicate of the same, specifying, as accurately as may be, the names, ages, and occupations of all and every the emigrants on board such ship or vessel; and such agent shall thereupon deliver to the said master a counterpart of such list signed by such agent; and

the said master shall, on the arrival of such ship or vessel at Mauritius, and previous to the disembarkation of any such emigrants, give notice of the arrival of such ship or vessel, and deliver the said counterpart of such list to the protector of immigrants hereinbefore mentioned; and such protector of immigrants shall forthwith proceed on board of such ship or vessel, and shall ascertain, as far as possible, by personal inspection of the ship or vessel and passengers, whether the directions hereinbefore contained, with regard to the situation of the berth of such ship or vessel, the proportion of the passengers to the burthens and measurement of such ship or vessel, and the maintenance of the emigrants during such passage, have been complied with; and such protector of immigrants shall personally muster such emigrants, and compare the numbers and names of such emigrants with the said counterpart of such lists, and shall certify in writing under his hand, upon such counterpart, the total number of emigrants then living and being on board of such vessel; and in case any such emigrant shall have died during the passage, or the number of names of the emigrants shall differ from the number or names stated in such counterpart, the protector of immigrants shall note such death or difference upon such counterpart, and thereupon shall grant a licence under his hand for the disembarkation and landing of such emigrants.

12th. If the protector of immigrants, on such personal inspection of the ship or vessel and emigrants, shall be satisfied that the preceding regulations have been complied with, he shall grant a certificate, under his hand, of the arrival in Mauritius of such emigrants respectively, and the place from which, and the ship or vessel in which, such emigrants shall have arrived.

13th. No money shall be payable by the Colonial Treasurer of Mauritius, in respect of any such emigrants as aforesaid, except on the warrant of the Governor of that island, which warrant shall not be issued except on such certificate as aforesaid, of the said protector of immigrants.

14th. The protector of immigrants shall keep a register of all persons in respect of whom any such certificate as aforesaid shall be granted, and of the ship or vessel in which, the port from which, and the time at which, such person shall have arrived in this colony; a copy of which registry shall be laid before the Council of Government on the thirty-first

day of March, the thirtieth day of June, the thirtieth day of September, and the thirty-first day of December in each year.

15th. If any ship or vessel, bringing emigrants from India to Mauritius, shall carry any number of passengers exceeding the proportion authorized and allowed by these regulations, a penalty of five pounds per head shall be payable in respect of each passenger so carried in excess of such proportion, or if such ship or vessel shall not be of the height between decks hereinbefore required; or if such a platform as hereinbefore directed, shall not be laid and continued throughout the whole duration of any such voyage, in such manner as is hereinbefore required; or if there shall be more than two tiers of berths; or if there shall not be, throughout the whole duration of any such voyage, such an interval as is hereinbefore prescribed, between the deck and the floor of the lower tier of berths; or if any such ship or vessel shall clear out and put to sea not having on board such water and provisions as aforesaid, for the use and consumption of the passengers, of the kind, and to the amount, and in the proportion, hereinbefore directed; or if any such ship or vessel shall be cleared out before such lists of emigrants shall have been delivered in manner and form aforesaid; or if any such list shall be wilfully false; or if the copy of these regulations be not produced as hereinbefore required; or if any emigrant shall not be maintained during such voyage, and for forty-eight hours after his arrival; the master of any such ship or vessel shall, for and in respect of each and every such offence, be liable, on summary conviction before any stipendiary magistrate, at any time within the space of twelve calendar months next after the arrival of such master within the colony of Mauritius, to the payment of a fine, not less than five pounds, nor more than twenty pounds, British sterling; and in default of payment of the fines above mentioned, either immediately or at the time fixed by such stipendiary magistrate, at the time of making such conviction, to imprisonment for any time not less than one, nor more than three, calendar months.

16th. Provided, nevertheless, that nothing herein contained shall take away or abridge any right of suit or action which may accrue to any emigrant in any such ship or vessel, or to any other person, in respect of the breach or non-performance of any contract made or entered into between or on the behalf of any such emigrant or other person and

the master, owner or owners of any such ship or vessel.

17th. Provided always, that nothing in these regulations contained shall apply to any ship or vessel in the service of the Lords Commissioners of the Admiralty, or to any of Her Majesty's ships of war.

18th. No emigrant, arriving from India at Mauritius, shall be capable of entering into any contract of service to be performed in that island, until he shall have been, at least, forty-eight hours on shore there; and every such contract of service, made before that time, shall be null and void to all intents and purposes.

19th. No emigrant, arriving from India at Mauritius, and engaging to labour in that island, shall, within Mauritius, be liable to any action, suit, or demand, for or in respect of any debt contracted, or any contract made by such emigrant, before his arrival in the said island.

20th. No emigrant, arriving from India at Mauritius, shall, in Mauritius, be capable of entering into any contract for service, except for the period, in the manner, and under the superintendence which, by a law in force there, is required in the case of contracts for service made by other labourers in agriculture or manufactures within the said island.

21st. No payment shall be made from the treasury of the said island in respect of any emigrants introduced there from India, unless, on proof to the satisfaction of the Governor of Mauritius, that all rules and regulations which may be established by law in India, for the advantage and protection of such emigrants, have been duly complied with; such rules and regulations not being repugnant to any thing in these regulations contained.

22d. In every case in which the penalties hereby denounced against offences are imposed by the use of words in the masculine gender, or in the singular person, such words shall be understood as extending to the feminine gender also, and to any number of persons, unless when the opposite construction is required in order to meet the object, and to accomplish the ends, with a view to which these regulations are established and made.

*Copyhold Commission, Somerset-House
February 4, 1842.*

NOTICE is hereby given, that an agreement for the commutation of the rents, fines, and heriots, in the manor of the vicarage of Fareham, in the county of Southampton, was duly confirmed by the Copyhold Commissioners, on the 4th day of February 1842; and that copies thereof have been deposited with the Steward of the said manor and the Clerk of the Peace for the said county, respectively, according to the provisions of the Statute, 4 and 5 Victoria, c. 35, sec. 33.

By order of the Board,
James Stewart, Secretary.

Office of Colonial Lands and Emigration, 9, Park-Street, Westminster, February 7, 1842.

THE Colonial Land and Emigration Commissioners have been instructed, by the Secretary of State for the Colonies, to issue the following notice:

1. The latest official advices from New South Wales, on the subject of finance, having shewn reason to anticipate that, in consequence of the great extent of emigration on bounty last year, there will not be any disposable funds until a very advanced period of this year, and then only a very limited amount, emigration to New South Wales, free of expence, will continue to be suspended until further notice.

2. The orders of the Colonial Government for bounty, conditional upon the existence of funds available for their discharge, are cancelled; since it has become apparent that no means could accrue to provide for them, within the time to which such orders are limited.

3. All other orders or authorities for bounty are to be produced at the office of the Colonial Land and Emigration Commissioners, on or before the 1st of March next; but it is to be distinctly understood, that in calling for these orders, Her Majesty's Government does not pledge itself to any particular course respecting them, and only requires them to be produced, in order to ascertain the whole amount of permissions outstanding in this country for the introduction of emigrants, and to be the better enabled to determine what measures may hereafter become proper on the subject.

By order of the Board,
S. Walcott, Secretary.

NOTICE is hereby given, that a separate building, named the Independent Chapel, situated in Pound-lane, in the parish of Martock, in the county of Somerset, being a building certified according to law as a place of religious worship, was, on the 1st day of February 1842, duly registered for solemnizing marriages therein, pursuant to the Act of the 6th and 7th William 4, chap. 85. Witness my hand this 2d day of February 1842,
Elias Whitby, Superintendent Registrar.

NOTICE is hereby given, that a separate building, named Newton Chapel, situated at Newton, in the parish of Clodock, in the county of Hereford, in the district of Hereford and Dore, being a building certified according to law as a place of religious worship, was, on the 31st day of January 1842, duly registered for solemnizing marriages therein, pursuant to the Act of 6th and 7th William 4, chap. 85.

Witness my hand this 3d day of February 1842,
Nicks. Lanwarne, Superintendent Registrar.
