AT the Court at *Windsor*, the 15th day of *January* 1842,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England, have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled " An Act to carry into effect, with certain modifi-

cations, the fourth report of the Commissioners " of Ecclesiastical Duties and Revenues;" and of another Act, passed in the session of Parliament holden in the fourth and fifth years of Her Majesty's reign, intituled " An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-first day of December one thousand eight hundred and forty-one, in the words and figures following, that is to say:

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled " An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act, passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled " An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for making a better provision for the cathedral churches of Chester and Ripon, and for regulating the number and emoluments of the minor canons thereof, and for confirming certain statutes and rules of the last-mentioned church.

" Whereas it is by the first recited Act, amongst other things, enacted, that so soon as conveniently may be, and by the authority therein provided, such fixed annual sums shall be determined on to be paid, and shall accordingly be paid to us, by the Dean and Canons of the cathedral churches of Durham and Saint Paul, in London, and of the collegiate churches of Westminster and Manchester, as after due enquiry and calculation of the present annual incomes of the Chapters of such churches respectively, shall leave to such deans and canons the respective incomes in the same Act mentioned; and that such other annual sums shall be determined on to be paid, and shall be accordingly paid by us, or such deductions shall be allowed to be made out of the proceeds of any suspended canonry or canonries, as, after the like enquiry and calculation, shall give to the dean of every cathedral church in England an average annual income of one thousand pounds, and to the respective canons of every cathedral church

in England an average annual income of five hundred pounds; and as shall also enable the respective Chapters of Chester and Ripon to provide for the efficient performance of all the duties of the said churches, and the maintenance of the fabrics thereof:

“ And whereas, by the said secondly recited Act, it is enacted, that it shall be lawful to carry such last-mentioned purposes, or any of them, into effect, by any mode of payment, contribution, augmentation, or endowment which may be deemed fit, as well as by the modes in the said first recited Act specified:

“ And whereas, in pursuance of the said recited provisions, an Order was issued by your Majesty in Council, on the eleventh day of August last, and has since been duly gazetted, whereby the incomes of the dean of the cathedral church of Durham and the canons of the same church, appointed after the passing of the said first recited Act, are charged with the yearly payment to us of certain proportions of such respective incomes; and other Orders may hereafter be made by your Majesty in Council for charging the incomes of other deans and canons under the same provisions:

“ And whereas it is also by the said first recited Act enacted, that, so soon as conveniently may be, and by the authority therein provided, regulations shall be made for fixing the number and emoluments of the minor canons in each cathedral church; and it is provided, that there shall not in any case be more than six nor less than two; and that the stipend of each such minor canon thereafter to be appointed shall not be less than one hundred and fifty pounds per annum; and that arrangements may, from time to time, be made by the like authority for securing to any minor canon, not otherwise competently provided for, such annual sum as shall make up to him an income as minor canon not exceeding, in any case, the said sum of one hundred and fifty pounds:

“ And whereas it is by the said first recited Act also enacted, that the chapters of the several cathedral and collegiate churches shall, from time to time, propose to their respective visitors such alterations in the existing statutes and rules as shall make them consistent with the constitution and duties of the chapters respectively, as altered under the authority of the same Act; and that all such

alterations may be confirmed by the authority of the visitor; and that all such statutes and rules when so altered shall be submitted to us, and may be confirmed by the authority in the same Act provided:

“ And whereas the Dean and Chapter of the said cathedral church of Ripon have proposed to the Right Reverend Charles Thomas Bishop of Ripon, as their visitor, certain alterations in the statutes of their said church, which have been confirmed by such visitor, as statutes and rules of the said church, and have been submitted to us, and are set forth in the schedule hereunto annexed; and it appears to us to be proper that the same should be confirmed:

“ We therefore humbly recommend and propose, that the said statutes and rules so contained in the said schedule shall be confirmed, and shall become and be statutes and rules of the said cathedral church of Ripon; but not so as to affect any law now in force relating to the licences of curates.

“ And whereas the said statutes and rules, amongst other things, make immediate provision for the due keeping of residence in the said cathedral church of Ripon; and it has been made to appear to us, that the existing statutes and rules of the said cathedral church of Chester already make provision for the due keeping of residence by the dean and canons thereof, and that such last-mentioned statutes and rules do not require any immediate alteration under the provisions of the said Acts:

“ And whereas, upon making the inquiry and calculation required by the said first recited Act, it appears to us, that the fabric of the said cathedral church of Ripon is in a very dilapidated and unsafe condition; and that the Dean and Chapter of the said church have already done as much towards the repair thereof as their limited resources enable them to effect; but that it will still require the outlay of a considerable sum of money to place the said fabric in such a state of security as will enable the said Dean and Chapter hereafter to maintain the same, from year to year, out of their future annual revenues, when such revenues shall be augmented as hereinafter recommended and proposed:

“ And whereas, upon like inquiry, it also appears to us, that the organ now belonging to the said cathedral church of Chester is in so decayed and imperfect a state as to render the choir inefficient for the proper

performance of the choral service of the said church, and that for the purpose of remedying this defect, a sum of money is required, in addition to the limited means now at the disposal of the Dean and Chapter of the said church :

“ We, therefore, further recommend and propose that, for the purpose of putting the fabric of the said cathedral church of Ripon into a condition of security, and also for making the choir of the said cathedral church of Chester efficient for the proper performance of the services thereof, there shall be paid by us to such persons, at such times and in such manner as we shall upon further inquiry deem expedient, such sum or sums of money as shall be necessary for such purposes ; but in the case of the said church of Ripon not exceeding in the aggregate four fifth parts of the whole monies which were paid to us, on the fifteenth day of December instant, under the authority of the before-mentioned Order, and in the case of the said church of Chester not exceeding in the aggregate the remaining one fifth part of such monies.

“ And whereas, upon like inquiry and calculation, it appears to us that, in order to carry into complete effect the enactments hereinbefore recited, so far as they apply to the said cathedral churches of Chester and Ripon, it will be necessary, that an annual payment should be made in augmentation of the revenues of the said church of Chester until the year one thousand eight hundred and fifty-four, inclusive, and a permanent annual payment in augmentation of the revenues of the said church of Ripon, to the respective amounts hereinafter mentioned :

“ We, therefore, further recommend and propose that our Treasurer shall, on or before the first day of January in the year one thousand eight hundred and forty-three, and in each succeeding year, take an account of all monies which, after making such payments as aforesaid on account of the fabric of the said church of Ripon and the choir of the said church of Chester, shall, on the sixteenth day of the month of December in the next previous year, have been in our hands, or subject to our order, arising from payments made to us under the said Order of the eleventh day of August last, or under any other such Order of your Majesty in Council as aforesaid : and that, on the fifteenth day of the said month of January in the said year one thousand

eight hundred and forty-three, and on the same day in every succeeding year, but in the case of the said cathedral church of Chester, not after the year one thousand eight hundred and fifty-four, there shall be paid by us, to the Treasurers, for the time being, of the said cathedral churches respectively, the following yearly sums ; that is to say, to the Treasurer of the said cathedral church of Chester the sum of three thousand pounds ; and to the Treasurer of the said cathedral church of Ripon the sum of three thousand three hundred pounds ; or so much thereof, in each of such cases (to be calculated according to the proportions which such yearly sums, and any other yearly sum, which may be charged upon and made payable out of such monies to the Treasurer of any other cathedral church by any Order which may be issued by your Majesty in Council under the aforesaid provisions of the said recited Acts, shall be found to bear to each other respectively) as shall, upon the account so to be taken as aforesaid, appear not to exceed in the whole the amount of such monies so in our hands, or subject to our order, arising as aforesaid.

“ And we further recommend and propose, that no vacancy among the present minor canons of the said cathedral church of Chester shall be filled up until the number of such minor canons shall be reduced below the number of four, and that the number of such minor canons shall from thenceforth be four ; and that the second, third, and fourth of the present minor canons in the said church, who are not otherwise competently provided for, and all minor canons hereafter appointed in the same church, shall, for and in respect of the year one thousand eight hundred and forty-two, and of every future year, respectively receive, out of the revenues of the said church, such sum of money as will secure to them in the whole, as such minor canons respectively, an annual stipend of one hundred and fifty pounds.

“ And we further recommend and propose, that the number of minor canons in the said cathedral church of Ripon shall be and continue to be two, and that the present minor canons in the said church, who are not otherwise competently provided for, and all minor canons hereafter appointed in the same church, shall, for and in respect of the same year one thousand eight hundred and forty-two, and of every future year, respectively receive, as such minor canons, an annual stipend of one

hundred and fifty pounds out of the revenues of the said church.

“ And we further recommend and propose, that the treasurer, for the time being, of each of the said cathedral churches shall apply, towards the efficient performance of the duties of his church, and the maintenance of the fabric thereof, so much at least, of the sum of money so to be received from us as aforesaid in respect of any year, as, together with the monies already applicable in the same year to such purposes respectively according to the custom of such church, will amount to two fifth parts of the whole annual revenues of such church for the same year, in such manner and proportions as shall be ordered by the chapter of such church, but so as to secure to the minor canons and the several officers and servants of such church, at the least, the incomes hereinbefore and by the statutes and rules of such church allotted to them respectively; and shall, out of the other three fifth parts, pay to the dean and canons of such church, any stipends payable to them respectively according to any statute custom or regulation of such church, and shall divide the residue of such three fifth parts among the dean and canons, so as to give to the dean a sum of money (including any such stipend) double in amount to that payable to each canon, and no more: provided that every such division shall be subject to any statute or regulation of such church, concerning the income of any member of chapter as affected by non-residence or otherwise; and provided also, that until the chapter of the said cathedral church of Ripon shall consist of a dean and four canons only, the treasurer of such church shall divide such residue, in the like proportion, among so many of the members of chapter as, during the year then last past, shall have duly kept residence in the said church, but subject to any such statute, custom, or regulation as aforesaid.

“ And we humbly recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters to which this our scheme applies, or any of them, in conformity with the provisions of the said recited Acts, or either of them.”

SCHEDULE.

“ We, the Dean and Chapter of the cathedral church of Ripon, do, in pursuance of an Act, passed

in the session of Parliament held in the third and fourth years of the reign of Her present Majesty, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;” propose to the Right Reverend Charles Thomas Lord Bishop of Ripon, the Visitor of the same cathedral church, that the following alterations be made in the statutes thereof, that is to say :

“ We propose, that so much of the said statutes as relates to the nomination of candidates, to be appointed to any prebend on the vacancy thereof, be repealed.

“ And whereas, by the only statute which relates to residence, it is decreed, that the choice of residence shall rest with the dean, and that upon his declining to keep residence one of the canons shall be elected into residence; but no canon is, in any other case, required by the said statute to reside; and whereas the periods of residence to be kept by all future deans and canons are expressly provided for by the said recited Act;

“ And whereas we are desirous of immediately making better provision for residence, in conformity with the spirit of the said recited Act; and it has been intimated to us by the Ecclesiastical Commissioners for England, that it is in contemplation to make such a grant of monies, in augmentation of our revenues, as will ultimately not only enable us to provide for the efficient performance of all the duties of our said church, and the maintenance of the fabric thereof, but as will also ultimately secure to the several members of Chapter the incomes intended for them by the said recited Act; which grant will begin to accrue from the first day of January one thousand eight hundred and forty-two, and will, from time to time, increase, until it reaches its total annual amount;

“ And whereas, in addition to the only house of residence heretofore belonging to the said church, which has been and now is in the sole occupation of the dean, we have recently procured a house of residence for the canons, nearly adjoining to the said church;

“ We, therefore, propose, that the whole of the said statute relating to residence, shall be repealed; and that instead thereof, it shall be decreed as follows, that is to say, that, from and after the

first day of January one thousand eight hundred and forty-two, the dean shall reside eight months in every year; and that, as well during his residence as during his absence, there shall at all times be one of the canons in residence, in the canonical house of residence; the turns of their residence, and, so far as relates to existing canons, the periods thereof also, for each year, being, from time to time, fixed in chapter; and that the house so occupied by the dean shall be the deanery, and shall belong exclusively to the dean for the time being; and that it shall not be necessary for any dean to make any formal claim thereto, as heretofore required.'

"And we propose, that so much of the said statutes, as decrees that the Residentiary shall be the Treasurer, be altered as follows, that is to say; that the dean and the canon in residence, for the time being, shall be joint Treasurers.'

"And whereas one of the duties of the said church is the cure of souls within the parish of Ripon, and such duty has been heretofore, and now is, performed by the minor canons of the said church, and it is expedient that the same should continue to be so performed by them, as curates of us the Dean and Chapter of the said church, with the sanction and under the authority and jurisdiction of the Bishop, and that they should be adequately remunerated for the performance of such duty;

"We, therefore, propose, that it be decreed as follows, that is to say;

"That the minor canons for the time being shall be respectively nominated to the Lord Bishop of Ripon, for the time being, as curates of the Dean and Chapter; to be by him respectively licenced as such curates within the parish of Ripon, and that upon being so licenced they shall respectively be such curates so long as they shall continue to hold the said office of minor canon, and no longer; and that in consideration of their duty as such curates, they shall respectively receive from the Treasurer of the said church, in addition to their incomes as minor canons, the stipend or salary of one hundred and fifty pounds per annum, so soon as the grant hereinbefore-mentioned shall reach its full annual amount, and, in the mean time, such portion of the said annual stipend or salary of one hundred and fifty pounds as shall correspond with the proportion which each annual sum, paid to the said Treasurer

by the said Commissioners, shall bear to such total annual amount of the said grant.

"In witness whereof we, the said Dean and Chapter, have hereunto set our common or chapter seal the eighth day of December, in the year one thousand eight hundred and forty-one.

"I, the Right Reverend Charles Thomas, by Divine permission, Lord Bishop of Ripon, the Visitor of the cathedral church of Ripon, do approve of the alterations proposed to be made in the statutes of the said church hereinbefore contained, and do hereby confirm the same as statutes and rules of the said church.

"In witness whereof I have hereunto set my hand and episcopal seal this thirteenth day of December, in the year one thousand eight hundred and forty-one."

And whereas notice of the said scheme has been duly given to the Deans and Chapters of the cathedral churches of Chester and Ripon respectively, and no objection has been made thereto:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said recited Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be registered by the Registrars of the several dioceses of Chester and Ripon.
