**A**T the Court at *Buckingham-Palace*, the 2d day of *February* 1842,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third

and fourth years of Her Majesty's reign, intituled " An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues ;" and of another Act, passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled " An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council, a scheme, bearing date the twenty-first day of December one thousand eight hundred and forty-one, in the words and figures following, that is to say :

We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled " An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues ;" and of another Act, passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled " An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," have prepared, and now humbly lay before your Majesty in Council, the following scheme for transferring to the University of Durham, certain property held in trust for the said University, by the Dean and Chapter of Durham.

Whereas, it was by the said secondly recited Act enacted, that it should be lawful by the authority in the said first recited Act provided, with the consent of the said University, and of the said Dean and Chapter, to make any such arrangements as might be deemed fit by the like authority, for varying, transferring, or annulling any of the trusts upon which any moneys or securities for money, or any lands, tenements, tithes, or other hereditaments, were then held by the said Dean and Chapter for the benefit of the said University, and for transferring and vesting such moneys, securities for money, lands, tenements, tithes, or other hereditaments, or any part thereof, in such other manner, and in such other persons or body corporate, as might be deemed by the like authority most beneficial to the said University ;

And whereas, after due inquiry and consideration, it appears to us expedient and most beneficial to the said University, that all the moneys or securities for

money, and all the lands, tenements, tithes, and other hereditaments, vested in the said Dean and Chapter, in trust for the said University, should be transferred to and vested in the Warden, Masters, and Scholars of the said University of Durham, and their successors, upon the trusts hereinafter mentioned;

We, therefore, humbly recommend and propose with the consent of the said Warden, Masters, and Scholars, and also of the said Dean and Chapter, testified by their common seals being hereunto respectively affixed, that all the moneys and securities for money, and all the lands, tenements, tithes, and other hereditaments, which were, at the passing of the said recently recited Act of your Majesty's reign, held by the said Dean and Chapter, in trust for the said University, under and by virtue of an Act of Parliament, passed in the session of Parliament held in the second and third years of the reign of His late Majesty King William the Fourth, intituled "An Act to enable the Dean and Chapter of Durham to appropriate part of the property of their church to the establishment of a University in connexion therewith, for the advancement of learning," and also any land, tenement, or hereditament which may have been, since the passing of the secondly recited Act, purchased under the powers of the last recited Act, out of any monies so held in trust as aforesaid, shall be forthwith transferred to and vested in the said Warden, Masters, and Scholars of the said University of Durham, and that the same be held by them and their successors upon, with, under, and subject to the same trusts as are mentioned in the said Act of His late Majesty's reign, and in the said secondly recited Act of your Majesty's reign, or such of the said trusts as now remain unperformed and are capable of taking effect, and shall have, enjoy, and perform all powers and duties whatsoever by the said Acts, or either of them, conferred or imposed on the said Dean and Chapter, or on the said University, in respect of the said monies, securities for money, lands, tenements, tithes, and hereditaments, or any part thereof, or of any messuages, lands, tenements, tithes, or other hereditaments given, conveyed, or assured in trust for the said University, or for any Professor or other officer thereof, under the provisions of the said Act of His late Majesty's reign, and in lieu of the accounts required by the said Act of His late Majesty's reign to be kept by the said Dean and Chapter, and that the said Warden, Masters, and Scholars shall at all times thereafter keep, or cause to be kept, a true and complete account,

showing the receipt and application of all monies which shall be received by them as aforesaid, and shall, on or before the first day of January in every year, transmit, or cause to be transmitted, to the Lord Bishop of Durham for the time being, one copy of such account made up to the twenty-ninth day of September then last past, and signed by the Warden of the said University, and one other like copy to the said Dean and Chapter of Durham, and their successors.

"And we further humbly recommend and propose, that from the time when the said monies, securities for money, lands, tenements, tithes, and hereditaments shall be vested in the said Warden, Masters, and Scholars, the said Dean and Chapter of Durham and their successors shall be absolutely exonerated and discharged of and from the trusts and powers relating to the said monies or securities for money, lands, tenements, tithes, and hereditaments vested in them in and by the said Act of His late Majesty's reign, and shall no longer be obliged to keep, make up, or transmit the accounts thereby required, nor be responsible for the misapplication or nonapplication of any of the trust monies, or of any of the rents, dividends, or proceeds arising from, or payable in respect of, the lands, tenements, tithes, and hereditaments vested in them, in and by the said Act of His late Majesty's reign.

"And we humbly recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the University of Durham, in conformity with the provisions of the said secondly recited Act of your Majesty's reign."

And whereas, the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Durham.

**A**T the Court at *Buckingham-Palace*, the 2d day of *February* 1842.

PRESENT.

The **QUEEN'S** Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales with reference to Ecclesiastical Duties and Revenues, so far as they relate to Episcopal Dioceses, Revenues, and Patronage," duly prepared and laid before Her Majesty in Council a scheme, bearing date the first day of February in the year one thousand eight hundred and forty-two, in the words and figures following, that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales with reference to Ecclesiastical Duties and Revenues, so far as they relate to Episcopal Dioceses, Revenues, and Patronage," have prepared, and now humbly lay before your Majesty in Council, the following scheme for completing a fit episcopal residence for the Bishops of Ripon.

"Whereas under and by virtue of two several Orders of your Majesty in Council, hearing date, respectively, the 11th day of July one thousand eight hundred and thirty-nine, and the first day of April one thousand eight hundred and forty-one, there have been, from time to time, paid by us, out of the moneys therein specified, divers sums of money amounting, in the whole, to the sum thereby limited, in and about the erection and completion of an episcopal residence for the Bishops of Ripon.

"And whereas the said residence is now fully completed, and is in the occupation of the Bishop of Ripon.

"And whereas, upon the final settlement of the various charges incurred for such erection and completion of the said house, and for putting the grounds adjacent thereto in a state to render the said house

habitable, it appears that there still remain to be paid certain sums of money amounting, in the whole, to about the sum hereinafter mentioned.

"We, therefore, recommend and propose, that, out of such moneys as shall, from time to time, be standing to our credit and account in the Bank of England, being part of payments from the larger sees, respectively, for the purposes of the said Act, there shall be paid by us such further sum or sums of money as shall be necessary for the purposes aforesaid, not exceeding, in the aggregate, the sum of one thousand five hundred pounds.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the bishoprick of Ripon in conformity with the provisions of the said recited Act."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Ripon.

C. C. Greville.

PRESENT.

The **QUEEN'S** Most Excellent Majesty in Council.

**W**HEREAS by a certain Act of Parliament, made in the session of Parliament holden in the third and fourth years of the reign of His late Majesty King William the Fourth, intituled "An Act to regulate the trade of the British possessions abroad," it is, amongst other things, enacted, that it shall be lawful for His Majesty, by and with the advice of His Privy Council, by any Order or Orders in Council to be issued, from time to time, to give such directions and make such regulations, touching the trade and commerce of, to, and from any British

the powers so vested in Her as aforesaid by the Act of Parliament so passed in the session of Parliament, held in the third and fourth years of the reign of His late Majesty King William the Fourth as aforesaid, order, and it is hereby ordered, that upon goods, wares, and merchandize, imported into the Cape of Good Hope, the duties respectively imposed by the hereinbefore recited Orders in Council of the tenth day of August one thousand eight hundred and thirty-two, and the tenth day of May one thousand eight hundred and forty-one, shall cease and be no longer payable, and that, in lieu of the same, there shall be levied and paid the several duties set forth in the table hereinafter contained :
