WHEREAS under or by virtue of an Act of Parliament, passed in the sixth year of the reign of His late Majesty King George the Fourth, intituled "An Act to regulate the trade of the "British possessions abroad," containing the like recitals and conferring the like powers as are hereinafter mentioned to be contained and conferred by the Act hereinafter recited, and under or by virtue of an Order in Council, bearing date the sixteenth day of December one thousand eight hundred and

twenty-six, issued in pursuance of the first hereinbefore mentioned Act, His said late Majesty King George the Fourth, by and with the advice of His Privy Council, did declare and grant that it should be lawful for French ships to import into the island of the Mauritius from the dominions of His Most Christian Majesty, such goods being the produce of those dominions, as in the Order now in recital are referred to:

And whereas by a certain Act of Parliament, passed in the session of Parliament held in the third and fourth years of the reign of His late Majesty King William the Fourth, intituled "An Act to regulate the trade of the British possessions abroad," after reciting, that "by the law of navigation, foreign ships are permitted to import into any of the British possessions abroad from the countries to which they belong, goods, the produce of those countries, and to export goods from such possessions to be carried to any foreign country whatever; and that it is expedient that such permission should be subject to certain conditions;" it is enacted, that the privileges thereby granted to foreign ships shall be limited to the ships of those countries which, having colonial possessions, shall grant the like privileges of trading with those possessions to British ships; unless His Majesty by His Order in Council shall in any case deem it expedient to grant the whole or any of such privileges to the ships of any foreign country, although the conditions aforesaid shall not, in all respects, be fulfilled by such foreign country:

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the seventh year of the reign of His late Majesty King William the Fourth, intituled "An Act for rendering more easy the taking the poll at county elections," it is enacted, that it shall be lawful for His Majesty, by and with the advice of His Privy Council, from time to time, on petition from the justices of any county, riding, parts, or division in England or Wales, in quarter sessions assembled, representing, that the number of polling places for such county, riding, parts, or division is insufficient, and praying, that the place or places mentioned in the said petition may be a polling place or polling places for the county, riding, parts, or division of the county within which such place or places is or are situate, to declare that any place or places mentioned in the said petition shall be a polling place or polling places for that county, riding, parts, or division; and that the justices of the peace for such county, riding, parts, or division, in quarter sessions or some special sessions assembled, as mentioned in the Act, passed in the third year of the reign of His said late Majesty, intituled "An Act to settle and determine the divisions of counties, and the limits of cities and boroughs, in England and Wales, in so far as respects the election of Members to serve in Parliament," shall, conformably to the said last-mentioned Act, divide such county, riding, parts, or division into convenient polling districts, and assign one of such districts to each polling place:

And whereas the justices of the peace for the county of Cornwall, at a general quarter session of the peace holden at Bodmin, in and for the said county, on the fifth day of April in the year of our Lord one thousand eight hundred and forty-two, have presented their petition to Her Majesty, representing that the number of polling places for the eastern division of the said county is insufficient, and therefore praying that

the borough of Lostwithiel, within the said division, may be appointed a polling place for the said division:

Now, therefore, Her Majesty, having taken the said petition into consideration, doth, pursuant to the said Act of the seventh year of His late Majesty's reign, by and with the advice of Her Privy Council, declare, order, and direct, that the said place mentioned in the said petition, namely, the borough of Lostwithiel, shall be a polling place for the eastern division of the said county of Cornwall; and further, that the justices of the peace for the said county of Cornwall, assembled at the general quarter sessions or some special sessions, as mentioned in the said Act of the third year of His late Majesty's reign, shall, conformably to the said last-mentioned Act, divide the said eastern division of the said county of Cornwall into convenient polling districts, and assign one of such districts to each polling place.

AT the Court at *Buckingham-Palace*, the 3d day of *June* 1842,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the third day of May one thousand eight hundred and forty-two, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for relieving the present canons of the cathedral church of Winchester from the performance of additional duty, by reason of the suspension of canonries in the said cathedral church.

“Whereas, it was by the said Act enacted, that out of the proceeds of the suspended canonries in any chapter, provision might from time to time be made, by the authority therein provided, for relieving the then existing canons of such chapter from the performance of any additional duty by reason of such suspension, by the employment of substitutes, to be approved by the respective bishops:

“And whereas, application has been made to us by the Dean and Chapter of the cathedral church of Winchester, to make provision for a substitute or substitutes, to be employed and approved according to the said Act, to perform the duties which, by reason of the present suspension of one canonry, and of the future suspension of six other canonries, in the said church, would otherwise be imposed on the remaining canons:

“We, therefore, humbly recommend and propose, that the said Dean and Chapter be empowered, from time to time, to appoint a substitute or substitutes, to be approved by the Bishop of Winchester for the time being, to perform the duties of a Canon in residence, for such calendar month or months in this present and each succeeding year, as shall remain unprovided for, after the periods of statutable and customary residence by all the existing canons shall have been fixed.

“And we further recommend and propose, that until the said Chapter shall consist exclusively of Canons to be appointed after the passing of the said recited Act, it shall be lawful for the Treasurer or other officer for the time being of the said Dean and Chapter, to retain, out of the monies payable to us as such proceeds as aforesaid, in each year, the sum of fifty pounds for every calendar month to be so provided for as aforesaid, and to pay the same to the person or persons so appointed and approved, in such proportions if more than one person as shall be equal to the period of residence and duty by each of them actually kept and performed.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said cathedral church of Winchester, in conformity with the provisions of the said Act.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said

Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Winchester.

Wm. L. Bathurst.

AT the Court at *Buckingham-Palace*, the 13th day of *June* 1842,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the seventh day of June, in the year one thousand eight hundred and forty-two, in the words and figures following, that is to say:

“We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for fixing the number and emoluments of the Minor Canons in the Cathedral Church of Gloucester.

“Whereas it is by the said recited Act enacted, that, so soon as conveniently may be, and by the authority therein provided, regulations shall be made for fixing the number and emoluments of the Minor Canons in each Cathedral and Collegiate Church, provided that there shall not in any case be more than six nor less than two, and that the stipend of each such Minor Canon hereafter to be appointed shall not be less than one hundred and fifty pounds per annum; and that arrangements may from time to time be made, by the like authority, for securing to any Minor Canon, not otherwise competently

provided for, such annual sum as shall make up to him an income, as Minor Canon, not exceeding in any case the said sum of one hundred and fifty pounds :

“ And whereas application has been made to us by the Dean and Chapter of the Cathedral Church of Gloucester, to fix the number and emoluments of the Minor Canons in the said Church as hereinafter mentioned :

“ And whereas it has been represented to us, by the said Dean and Chapter, that the number of Minor Canons in the said Church has hitherto been four, but is now reduced to three, and that it is expedient that there should continue to be three Minor Canons only therein ; and it has been further represented to us by the said Dean and Chapter that they have assigned to the junior of the present Minor Canons, who has been appointed since the passing of the said recited Act, a fixed annual stipend, as such Minor Canon, of one hundred and fifty pounds, and that the senior of such Minor Canons, although receiving a smaller stipend as Minor Canon, is otherwise competently provided for ; but that the Reverend Edward Vaughan, who is the second of the present Minor Canons, receives an annual stipend of ninety pounds only, and is not otherwise competently provided for ; and it has been further represented to us, by the said Dean and Chapter, that the collective amount of the stipends so paid to the three present Minor Canons exceeds the aggregate annual sum which has heretofore been paid out of the revenues of their Church to the Minor Canons thereof :

“ Now, therefore, we humbly recommend and propose, with the consent of the said Dean and Chapter, testified by their having hereunto affixed their Chapter seal, that the number of Minor Canons in the said Cathedral Church of Gloucester shall from henceforth be three, and that there shall be paid to each Minor Canon appointed in the said Church, after the passing of the said recited Act, a fixed annual stipend, as such Minor Canon, of one hundred and fifty pounds out of the revenues of the said Church.

“ And we further recommend and propose, that so long as the said Edward Vaughan shall continue to be a Minor Canon in the same Church, and shall not hold any other office therein or any benefice,

there shall be paid to him by the Treasurer of the said Church, in addition to his aforesaid stipend of ninety pounds, the annual sum of sixty pounds, by equal half-yearly payments, the first of such payments to be made at the expiration of six calendar months from the day of the general audit of the said Dean and Chapter now last past, and that the said Treasurer shall and may from time to time retain, out of any monies payable to us in respect of any Canonry or Canonries suspended in the said Church, such sum of money as may have been so paid to the said Edward Vaughan.

And whereas the said scheme has been approved by Her Majesty in Council ; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act ; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Gloucester.

Wm. L. Bathurst.
