MARINE BARRACK CANTEENS.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, November 11, 1843.

NOTICE is hereby given, that, on Thursday the 14th of December next, at one o'clock, the Canteens in the under-mentioned Barracks will be let, from the 31st of December next to the 1st of January 1847, by order of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character, nor any person for more than one Canteen, or who will not undertake, *bonâ fide*, to reside in or occupy the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and of all sums which may become due in respect to the said Canteen, and for the due performance of the several conditions and stipulations of the indenture of lease. The Revenue or other licences to be paid by the tenant.

The person whose proposal shall be accepted and his sureties must execute an indenture of lease and covenants relating thereto, the particulars whereof may be known by applying to this Office, or to the Barrack-Masters at the several Barracks.

The Christian and surnames of two respectable persons, with their professions and places of abode, who will join the tenant in executing the indenture of lease as his sureties, must be inserted in the proposals. The tenant is to pay half the value of the stamps on the indenture of lease upon executing the same; and it is to be understood, that the said Commissioners will not undertake to procure the tenant a licence.

A printed form of the tender and conditions may be had at this Office, or on application to the respective Barrack-Masters. No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or an agent for him duly authorized in writing.
