AT the Court at *Buckingham-Palace*, the
31st day of *January* 1844,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage;" and of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act, passed in the session of Parliament held in the fifth and sixth years of Her Majesty's reign, intituled "An Act to alter and amend the law relating to ecclesiastical houses of residence," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-third day of January one thousand eight hundred and forty-four, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of His late Majesty King William the Fourth, intituled "An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage;" and of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;" and of another Act, passed in the session of Parliament held in the fifth and sixth years of your Majesty's reign, intituled "An Act to alter and amend the law relating to ecclesiastical houses of residence," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for authorising the application of certain monies, and a sale of certain stock belonging to the Dean and Chapter of Worcester, and for enabling the said Dean and Chapter to purchase therewith certain premises near the cathedral church of Worcester, for the improvement of the precincts thereof.

"Whereas by the secondly-recited Act it is enacted, that, by the authority therein provided,

and for the purpose of fully carrying into effect any of the provisions thereof, any sum of money which shall have been invested in the public funds, or in other security or securities, in trust, for any ecclesiastical body corporate, aggregate or sole, may, upon an application, in writing, to us, under the hand and seal of such body corporate, and in case of any chapter, with the consent of the visitor thereof, be directed to be sold, and the same shall be sold accordingly, and the produce of such sale shall be applied to such purpose and in such manner as shall appear most conducive to the permanent benefit of such body corporate :

“ And whereas by the thirdly-recited Act it is enacted, that it shall be lawful for the dean and chapter of any cathedral church, under the authority provided in the herein first-recited Act, to purchase any house or site, being contiguous or near to such cathedral church, and to add to, alter, or improve any such house, or to take down the same, and to build another house, or more houses than one, upon the site thereof, or to apply the site of any such house, or any part thereof, by and with the authority aforesaid, to the improvement of the cathedral or the precincts thereof :

“ And whereas by the same Act it is declared and enacted, that the provisions of the said secondly-recited Act, relating to the sale and application of any sum of money invested in trust for any ecclesiastical body corporate, do and shall include and apply to all monies and securities for money, and to all stock in the Government Funds, or elsewhere, standing in the name of the Accountant-General of the Court of Chancery, or in the name or names of any other public officer, or of any individual or individuals, for or to the credit or for the benefit of or in trust for any dean and chapter, whether for the purpose of being laid out in land or otherwise; and that the same provisions shall extend and may be applied to any of the purposes of the Act now in recital :

“ And whereas the sum of four hundred and fifty-eight pounds, being the amount of the purchase money of certain lands in the parishes of Bredicot and Tibberton, in the county of Worcester, sold by the said Dean and Chapter to the Birmingham and Gloucester Railway Company, under the authority of an Act, passed in the session of Parliament held in the sixth year of

the reign of His said late Majesty, intituled “ An Act for making a railway from Birmingham to Gloucester, with a branch therefrom,” has been paid by the said Company into the Bank of England, in the name and with the privity of the Accountant-General of the Court of Chancery, and placed to his account there :

“ And whereas certain other sums of money, amounting together to the sum of two hundred and seventy pounds, the purchase moneys of certain other lands sold by the said Dean and Chapter to the said Company, in the parishes of Stoke Prior and Himbleton, in the said county of Worcester, have been, under the authority of the same Act, paid to Edmund Hungerford Lechmere, of Great Malvern, in the county of Worcester, Esquire, and John Whitmore Isaac, of Boughton, in the parish of Saint John in Bedwardine, in the said county of Worcester, Esquire, as Trustees for the said Dean and Chapter :

“ And whereas certain other sums of money, being the purchase monies of lands sold by the said Dean and Chapter to the Stratford and Moreton Railway Company, under the authority of an Act, passed in the session of Parliament held in the first and second years of the reign of His Majesty King George the Fourth, intituled “ An Act for making and maintaining a railway or tramroad from Stratford-upon-Avon, in the county of Warwick, to Moreton in Marsh, in the county of Gloucester, with a branch to Shipston-upon-Stour, in the county of Worcester;” and of another Act, passed in the session of Parliament held in the third year of His late Majesty King William the Fourth, intituled “ An Act for enabling the Stratford and Moreton Railway Company to make a new branch of railway to Shipston-upon-Stour, in the county of Worcester,” have been also paid to the said Edmund Hungerford Lechmere and John Whitmore Isaac, as Trustees for the said Dean and Chapter, and have been invested in their names in the purchase of one hundred and twenty-two pounds seven shillings and five pence Three per Cent. Consolidated Bank Annuities, and the dividends thereof have been, from time to time, paid to the said Dean and Chapter, in accordance with the provisions of the same Acts :

“ And whereas the said Dean and Chapter are entitled, subject to a certain lease, bearing date the

first day of December one thousand eight hundred and thirty-one, and made between the said Dean and Chapter, of the one part, and Ann Wylde, widow, of the other part, to the fee simple and inheritance of and in the dwelling-house, garden, and premises described in the schedule hereunto annexed, which dwelling-house and premises were, by the said indenture of lease, demised to the said Ann Wylde for the term of forty years from the twenty-fifth day of November next before the making thereof, and the residue of the said term is now vested in Edward Oldnall, of the city of Worcester, Gentleman:

" And whereas the said dwelling-house and premises are near the west end of the said cathedral church, and it has been represented to us by the said Dean and Chapter, and it appears to us, that it will be most conducive to the permanent benefit of the said Dean and Chapter, and to the improvement of the said cathedral church and the precincts thereof, that all the estate and interest of the present lessee in the said dwelling-house and premises should be forthwith purchased by the said Dean and Chapter, and to that end that the said sums of four hundred and fifty-eight pounds, and two hundred and seventy pounds sterling, and the produce of so much of the said sum of one hundred and twenty-two pounds seven shillings and five pence Three per Cent. Consolidated Bank Annuities, as shall be necessary for that purpose, should be applied by the said Dean and Chapter in the purchase of such leasehold estate as aforesaid, and that the said Dean and Chapter should thereupon be empowered to apply such premises to the purposes hereinafter mentioned; and an application, accordingly, has been duly made to us, in writing, by the said Dean and Chapter:

Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Henry Bishop of Worcester, as Visitor of the said Chapter, in testimony whereof he hath hereunto set his hand and episcopal seal, that the said sum of four hundred and fifty-eight pounds, standing in the name of the Accountant-General of the Court of Chancery in the Bank of England as aforesaid, and also the said sum of two hundred and seventy pounds, in the hands of the said Edmund Hungerford Lechmere and John Whitmore Isaac, shall be forthwith paid to the said Dean and Chapter of

Worcester, and shall be applied by them in the purchase of all the leasehold estate and interest in the dwelling-house and premises described in the said schedule, and that so much of the said sum of one hundred and twenty-two pounds seven shillings and five-pence Three per Cent. Consolidated Bank Annuities, standing in the names of the said Edmund Hungerford Lechmere and John Whitmore Isaac in the Bank of England, as shall be necessary, shall be forthwith sold by them, and the produce paid to the said Dean and Chapter, to be by them applied for the purposes aforesaid; and that thereupon it shall be lawful for the said Dean and Chapter to take down the said dwelling-house and buildings, or any part thereof, and to apply the site thereof, or of any part thereof, to the improvement of the said cathedral church of Worcester, and the precincts thereof.

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the matters to which this scheme refers, in conformity with the provisions of the said recited Acts, or either of them.

SCHEDULE.
