*Wm. L. Bathurst.*

At the Court at *Buckingham-Palace*, the  
19th day of *June* 1844,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the eleventh day of June one thousand eight hundred and forty-four, in the words and figures following, that is to say :

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting two separate districts for spiritual purposes in the borough of Kingston-upon-Hull, in the east riding of the county and in the diocese of York.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district, not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such dis-

trict we shall recommend to your Majesty in Council, that the minister of such district, when duly licenced according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided :

"And whereas the parish of Sculcoates, within the said borough of Kingston-upon-Hull, and the parish of Sutton, partly within the same borough, are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of the said parish of Sculcoates hereinafter described, and the particular part of the said parish of Sutton, and of a certain extra-parochial place called Garrison Side, situate within the same borough, hereinafter also described, neither of which parts at present contains within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted separate districts in manner hereinafter set forth :

"Now, therefore, we humbly recommend and propose, with the consent of the Right Honourable and Most Reverend Edward Archbishop of York, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Sculcoates described in the schedule hereunto annexed, and therein numbered 1; and also that part of the said parish of Sutton, and of the said extra-parochial place called Garrison Side, in the same schedule also described and numbered 2, all which parts, together with the boundaries thereof, respectively, are delineated and set forth in the maps or plans hereunto also annexed, and respectively numbered in like manner, shall be constituted separate districts for spiritual purposes accordingly; and that the same shall be respectively named as follows, that is to say, the district, numbered 1 in the said schedule, shall be named, "The District of Saint Paul, Sculcoates;" and the district, numbered 2 therein, shall be named, "The District of Saint Mark, Hull."

"And we further recommend and propose, that, in order that the ministers of the districts so recommended to be constituted may be permanently endowed, according to the provisions of the said Act, there shall be paid by us, in each and every year, to the minister for the time being of each of such districts, when duly licenced according to the said Act, the sum of one hundred pounds; and upon any building within either of such districts, being duly licenced by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to the minister for the time being of such district, the further sum of thirty pounds, making in the whole the sum of

one hundred and thirty pounds; and that so soon as any church or chapel within either of such districts shall have been duly approved by us, and consecrated as the church or chapel of such district for the use and service of the minister and inhabitants thereof, and such district shall thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sums of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November, as the case may be, next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid; and that in case a vacancy in the ministry or perpetual curacy of either of such districts or new parishes shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the said parishes, or to the said districts or new parishes, or either of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.
