WHEREAS the Ecclesiastical Commissioners
for England have, in pursuance of an Act,
passed in the session of Parliament held in the
sixth and seventh years of the reign of Her pre-
sent Majesty, intituled "An Act to make better
provision for the spiritual care of populous
parishes," duly prepared and laid before Her
Majesty in Council a scheme, bearing date the

thirteenth day of August in the year one thousand
eight hundred and forty-four, in the words and
figures following, that is to say:

"We, the Ecclesiastical Commissioners for
England, in pursuance of an Act, passed in the
last session of Parliament, intituled "An Act
to make better provision for the spiritual
care of populous parishes," have prepared,
and now humbly lay before your Majesty in
Council, the following scheme, for constituting
two separate districts for spiritual purposes out of
the chapelry of Newton, otherwise named the
district of All Saints in Newton, in the parish of
Manchester, in the county of Lancaster, and in
the diocese of Chester.

"Whereas it is by the said Act enacted, that
if at any time it shall be made to appear to us,
that it would promote the interests of religion, that
any part or parts of any parish or parishes, chapelry
or chapelries, district or districts, of great extent,
and containing a large population, and wherein, or
in parts whereof, the provision for public worship
and for pastoral superintendence is insufficient for
the spiritual wants of the inhabitants thereof, or
any extra-parochial place or places, or any part or

parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council, that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided :

“ And whereas the said chapelry of Newton, otherwise All Saints in Newton, is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular parts of such chapelry hereinafter

mentioned and described, neither of which parts at present contains within its limits any consecrated church or chapel in use for the purposes of divine worship, should be respectively constituted separate districts in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bird Bishop of Chester, in testimony whereof he has signed and sealed this scheme, that all those parts of the said chapelry of Newton, otherwise All Saints in Newton, described in the schedule hereunto annexed, and therein respectively numbered 1 and 2,—all which parts, together with the boundaries thereof, respectively, are delineated and set forth in the maps or plans hereunto also annexed, and respectively numbered in like manner,—shall be constituted separate districts for spiritual purposes accordingly; and that the same shall be respectively named as follows; that is to say, the district numbered 1 in the said schedule, shall be named “ The District of Droylsden;” and the district numbered 2, therein shall be named “ The District of Failsworth.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of each of the districts so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within either of such districts, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within either of such districts shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said respective sums of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on

the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November, as the case may be, next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid; and that in case a vacancy in the ministry or perpetual curacy of either of such districts or new parishes shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish:

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE.

“ No. 1.—The District of DROYLSDEN, being

“ All that part of the chapelry of Newton, otherwise named the district of All Saints in Newton, in the parish of Manchester, in the county of Lancaster, and in the diocese of Chester, comprised within the township of Droylsden.

“ No. 2.—The District of FAILSWORTH, being

“ All that part of the said chapelry of Newton, otherwise All Saints in Newton, comprised within the township of Failsworth.”

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patrons of the Church and church or chapel of the parish and chapelry out of which it is intended that the districts therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act, and such incumbents and patrons have consented to the said scheme:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every

part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Chester.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of the reign of Her present Majesty, intituled “ An Act to make “ better provision for the spiritual care of populous “ parishes,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of August, in the year one thousand eight hundred and forty-four, in the words following, that is to say:

“ Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and

an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council, that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided :

“ And whereas the said district of Saint George, in the said parish of Manchester, is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendance therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such district hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should

be constituted a separate district in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bird Bishop of Chester, in testimony whereof he has signed and sealed this scheme, that all that part of the said district of Saint George, in the said parish of Manchester, described in the schedule hereunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named, “ The District of Saint Barnabas, Manchester.”

“ And we further recommend and propose, that, in order that the minister for the time being of the district so recommended to be constituted may be permanently endowed, according to the provisions of the said Act, there shall be paid by us, in each and every year, to such minister, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as afore-

said, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish:

“ And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation, aggregate or sole, or to either of the Universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion and in such manner as shall be approved by the like authority:

“ And whereas a sum of one thousand six hundred and sixty-six pounds thirteen shillings and four pence has been contributed towards such permanent endowment as aforesaid, and the same sum has been paid to us: and whereas also a church or chapel has been erected within such district, and has been offered for approval by us, and for consecration by the bishop of the diocese, as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and we have satisfied ourselves that the said church or chapel is fit to be so approved and consecrated:

“ And whereas certain of the principal contributors to the said endowment and to the said church or chapel have, by an instrument in writing under their hands, nominated to us the Reverend John Piccope, Clerk, and John Barker, John Chippindall, George Faulkner, and William

Strettel Kelsall, Esqrs. all of Manchester aforesaid, as the present patrons of the said district and of the contemplated new parish of Saint Barnabas, Manchester; and the said contributors have also proposed to us, that upon the decease of any of the persons so nominated by them, or upon any of them declining or becoming incapable to act, the patronage thereof shall be exercised as hereinafter mentioned:

“ We, therefore, further recommend and propose, that the right of patronage of, and the nomination of the minister or perpetual curate to, the said district or the new parish of Saint Barnabas, Manchester, as the case may be, shall and may, from time to time, be exercised by the said John Piccope, John Barker, John Chippindall, George Faulkner, and William Strettel Kelsall, as trustees of such right of patronage and nomination; and that upon any of such persons dying or declining or becoming incapable to act in the exercise of such right of patronage and nomination, the surviving or continuing trustee or trustees, either alone or together with such other trustee or trustees as shall hereafter, from time to time, be nominated to us by them, or by any future such trustee or trustees, and approved by us by an instrument in writing under our common seal, shall be the trustees for the exercise, from time to time, of the like right of patronage and nomination; provided always, that the number of such trustees shall not at any time exceed five.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE.

partly by the said township of Newton, and partly by the Rochdale Canal; on the south west, by an imaginary line along the middle of Prussia-street; and on the north-west, by an imaginary line along the middle of the Oldham-road."

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patrons of the Church and church or chapel of the parish and chapelry out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act, and such incumbents and patrons have consented to the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Chester.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council, that the minister of such district,

when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided:

“And whereas the said chapelry of Oldham and the several districts therein are of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular parts of such chapelry and districts hereinafter mentioned and described, no one of which parts at present contains within its limits any consecrated church or chapel in use for the purposes of divine worship, should be, respectively, constituted separate districts in manner hereinafter set forth:

“Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bird Bishop of Chester, in testimony whereof he has signed and sealed this scheme, that all those parts of the chapelry of Oldham, and of the districts of Hollinwood and Saint Peter therein, which are severally and respectively described in the schedule hereunto annexed, and therein numbered, respectively, 1, 2, 3, 4, and 5,—all which parts, together with the boundaries thereof respectively, are delineated and set forth in the several maps or plans hereunto also annexed,—and respectively numbered in like manner, shall be constituted separate districts for spiritual purposes accordingly; and that the same shall be respectively named as follows, that is to say, the district, numbered 1 in the said schedule, shall be named, “The District of Saint Matthew, Chadderton;” the district, numbered 2 therein, shall be named, “The District of Saint John, Chadderton;” the district, numbered 3 therein, shall be named, “The District of Coldhurst;” the district, numbered 4 therein, shall be named, “The District of Glodwick;” and the district, numbered 5 therein, shall be named, “The District of Wernith.”

TREASURY WARRANT.

WHEREAS by an Act, passed in the third and fourth years of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by warrant under their hands, to alter and fix any of the rates of British postage or inland postage, payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such warrant, and from time to time, by warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid; and it is provided that the power thereby given should extend to any increase or reduction or remission of postage.

And whereas, in consequence of a communication opened with the Republic of Venezuela in South America, it is considered expedient to alter the rates of postage payable on letters conveyed by packet boat or private ship, between that country and the United Kingdom, and between that country and the British Colonies.

Now, we the undersigned, being three of the Commissioners of Her Majesty's Treasury, do, in exercise of the power or authority in us for such purpose vested in and by the said recited Act, and of all other powers and authorities enabling us in this behalf, direct, that on every letter not exceeding half an ounce in weight, transmitted between any part of the United Kingdom and any place in Venezuela, conveyed between the United Kingdom and Venezuela direct by packet boat, there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, an uniform rate of British postage of one shilling; and that on every letter not exceeding half an ounce in weight, transmitted between any part of the United Kingdom and any place in Venezuela, conveyed between the United Kingdom

and Venezuela direct by private ship, there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, an uniform rate of British postage of eight pence.

And we direct, that the Postmaster-General may require the postage on letters sent from the United Kingdom to Venezuela, whether by packet boat or private ship, to be paid on the same being put into the Post Office.

And we direct, that on every letter not exceeding half an ounce in weight, transmitted by the post between Venezuela and any of Her Majesty's colonies, or any foreign country through the United Kingdom (conveyed direct by packet boat or private ship between the United Kingdom and Venezuela), there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters if conveyed between the United Kingdom and Venezuela by packet boat, an uniform rate of British postage of one shilling for the conveyance of every such letter between Venezuela and any part of the United Kingdom, and if by private ship a uniform rate of British postage of eight pence for the conveyance of any such letter between Venezuela and any part of the United Kingdom; and there shall be also charged on all such letters, whether conveyed by packet boat or private ship, such a further or additional rate of British postage for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and the colony or foreign country to or from which the same shall be forwarded as shall from time to time be charged and payable for British postage on letters not exceeding half an ounce in weight, posted or delivered at the port in the United Kingdom, of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and such colony or foreign country.

And we direct, that on every letter not exceeding half an ounce in weight, transmitted by the post between Venezuela and the British colonies, conveyed direct by packet boat or private ship between Venezuela and any such colony, without passing through the United Kingdom, there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, an uniform rate of British postage of four pence.

And we direct, that as to any such last-mentioned letters posted in the British colonies, the Postmaster-General may require the postage thereof to be paid on the same being put into the Post Office.

And we further direct, that on every letter transmitted as hereinbefore in this warrant is mentioned, exceeding half an ounce in weight, there shall be charged and taken progressive and additional rates of postage, according to the scale of weight and number of rates in the said Act contained, as to letters, estimating and charging each additional rate at the sum which any such letter would be charged with under this warrant, if not exceeding half an ounce in weight.

And we direct, that the letters and dispatches of the Government of Venezuela, to or

from its diplomatic agents in England, if forwarded by the regular mail bags, whether by packet boat or private ship, shall be conveyed free of all charge of British postage; provided, that this privilege shall be confined to letters and dispatches received from, or addressed to, the Government of Venezuela, by the Minister of the Republic in England, or by the Consuls of Venezuela in London, Liverpool, or Falmouth, respectively; provided also, that the weight of letters and dispatches sent to or from any one of such privileged persons by any one packet boat or private ship, free of British postage, shall not exceed eighty ounces; and that if such letters and dispatches by any one packet boat or private ship to or from any one such privileged person shall exceed the weight of eighty ounces, the excess above eighty ounces shall be charged with the like rate of postage as would under this warrant be chargeable if such letters and dispatches had not been sent to or from such privileged person; the postage on which excess as to letters and dispatches posted in the United Kingdom the Postmaster-General may require to be paid on the same being put into the Post Office; provided also, that all such letters and dispatches to be entitled to be conveyed free of postage, if sent from England, shall bear the official seal of the Minister of the said Republic in England, or of the Consul of Venezuela in London, Liverpool, or Falmouth, respectively, and shall be addressed to the Minister of Foreign Affairs at Carracas, and, if sent from Venezuela, shall bear the official seal of such Minister of Foreign Affairs.

And we direct, that letters passing between the United Kingdom and Venezuela, landed at the island of Saint Thomas, in the West Indies, and sent on from thence to Venezuela or the United Kingdom, shall be charged with the same rate of postage only as would, under this warrant, have been chargeable thereon, if the same had been sent direct between Venezuela and the United Kingdom.

And we direct, that such printed newspapers as are hereinafter mentioned may be sent by the post free of postage, or at the rates of postage hereinafter set forth (that is to say);

British newspapers sent direct from the United Kingdom to Venezuela, if by packet boat, free.

If by private ship, on payment of one penny each. Newspapers published in Venezuela, if in the language of that country, and sent from thence direct to any part of the United Kingdom, if by packet boat, free.

If by private ship, on payment of one penny each.

If any British newspapers addressed to Venezuela, or if any newspapers of Venezuela printed in the language of that country, and addressed to any place in the United Kingdom, shall be landed at the said island of Saint Thomas, and sent on from thence to their place of destination, the same shall be considered as having passed direct between Venezuela and the United Kingdom, and be free of postage or chargeable with postage accordingly, as the case may be.

Colonial newspapers, whether passing through the United Kingdom or not, may be sent from the Colonies to Venezuela, if by packet boat, free of postage.

If by private ship, on payment of one penny each in addition (whether by packet boat or private ship) to any foreign rate to which such newspapers may be liable on passing through any foreign state or country.

Newspapers of Venezuela, if printed in the language of that country, may be sent from Venezuela to any of the British colonies, if by packet boat, free.

If sent by private ship, on payment of one penny each, in addition (whether by packet boat or private ship) to any foreign rates to which such newspapers may be liable on passing through any foreign state or country.

And we direct, that every printed supplement or additional sheet to any colonial or Venezuelan newspaper shall, for the purpose of charging the postage under this warrant, be deemed a distinct newspaper.

And we direct, that the Postmaster-General may cause the postage (if any) payable on any such printed newspapers, posted in the United Kingdom, or in any of the British colonies, addressed to Venezuela, to be paid on the same being put into the Post Office.

And we further direct, that all such printed newspapers as shall be sent by the post, under this warrant, shall be forwarded under and subject to such conditions, regulations, restrictions, examinations, and penalties as by the said recited Act are directed in respect of printed newspapers sent by the post.

And we further direct, that nothing herein contained shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said recited Act, or by an Act, made and passed in the first year of the reign of Her present Majesty, intituled "An Act for the management of the Post Office," and that all such exemptions and privileges shall remain in full force.

And we further direct, that all the terms and expressions used in this warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act of the third and fourth years of the reign of Her present Majesty.

And we further direct, that this warrant shall come into operation on the 5th day of November 1844.

Provided lastly, and we hereby declare and direct, that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any three of them, by warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other

rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.
