AT the Court at *Windsor*, the 3d day of *September* 1844,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of August in the year one thousand eight hundred and forty-four, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to make "better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parochial district of the parochial chapel of Macclesfield, in the parish of Prestbury, and in the county and diocese of Chester.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendance is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of

any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided:

“And whereas the said chapelry of Macclesfield is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of the said chapelry hereinafter described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district, in manner hereinafter set forth:

“Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bird Bishop of Chester, in testimony whereof he has signed and sealed this scheme, that all that part of the said chapelry of Macclesfield, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed, shall be constituted a separate district for spiritual purposes accordingly;

and that the same shall be named, “The District of Saint Peter, Macclesfield.”

“And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November, as the case may be, next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

" SCHEDULE.

" The District of SAINT PETER, MACCLESFIELD, being

" All that part of the parochial district of the parochial chapel of Macclesfield, in the parish of Prestbury, and in the county and diocese of Chester, which lies to the south of the district of Saint Paul, Macclesfield."

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patrons of the church and chapel of the parish and chapelry out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act, and such incumbents and patrons have consented to the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Chester.

Blackburn and Preston Railway.

NOTICE is hereby given, that application is intended to be made to Parliament in the next session, for an Act to alter, amend, extend, and enlarge the powers and provisions of an Act, passed in the last session of Parliament, intituled "An Act for making a railway from the town of Blackburn to the North Union Railway, in the township of Farrington, near Preston, all in the county of Lancaster;" and to authorize the Blackburn and Preston Railway Company, incorporated by the said Act, to abandon the formation of and to relinquish so much of the line of the railway authorized by the said Act as lies between a field, numbered 48, in the township of Blackburn and parish of Blackburn, on the plans of the said railway, referred to in the said Act as having been deposited with the Clerk of the Peace of the county of Lancaster, and the termination of the

said line of railway in or near to the town of Blackburn, within the said township and parish of Blackburn; and, in lieu of such part of the said railway so proposed to be abandoned, to make and maintain a railway, commencing by a junction with the line of the said Blackburn and Preston Railway in the said field numbered 48, and terminating at or near a certain field, called or known by the name of the Stow Butts, in the said township and parish of Blackburn, there to form a junction with the proposed railway from Burnley and Accrington to Blackburn, all in the said county of Lancaster.

And it is also intended to take power to make and maintain a branch railway, with all necessary works and conveniences connected therewith, commencing by a junction with the said new or substituted line of railway, at or near to a certain field, numbered 45, or to a certain other field, numbered 47, in the said township and parish of Blackburn, and terminating at or near a certain street, called Stout-street, in the said township and parish of Blackburn, all in the said county of Lancaster.

And it is further intended, by the said Act, to authorize the said Blackburn and Preston Railway Company to abandon the formation of and to relinquish so much of the said line of railway, authorized by the said Act, as lies between a certain field, numbered 183, in the township of Pleasington and parish of Blackburn, on the said plan hereinbefore referred to; and a certain field, numbered 111, in the township of Livesey and parish of Blackburn, on the said plan, within the said townships of Pleasington and Livesey, and the parish of Blackburn aforesaid, all in the said county of Lancaster; and, in lieu of such part of the said railway so proposed to be abandoned as last aforesaid, to make and maintain a new line of railway, commencing by a junction with the line of the said Blackburn and Preston Railway, in or near to the said field numbered 183, before mentioned; thence passing from, in, through, or into the said townships of Pleasington and Livesey, and terminating by a junction with the line of the said Blackburn and Preston Railway, in or near to the before-mentioned field, numbered 111 on the said plans.

And it is further intended to take power in the said Act to make certain alterations in the levels of the said Blackburn and Preston Railway, and the works connected therewith, and the mode of construction thereof, as at present authorized by the said recited Act, within the several townships of Pleasington, Livesey, and Blackburn, all in the said parish and county.

And it is also proposed to take powers, by the said Act, for the construction of a station at or near the town of Blackburn, with certain approaches thereto, in the township and parish of Blackburn aforesaid.

And it is further proposed, by the said Act, to authorize the said Blackburn and Preston Railway Company to levy tolls, rates, and duties in respect of the said intended new or altered line of railway, branch, and other works before mentioned; and

also to purchase and take by compulsion, or otherwise, lands, houses, and other buildings for the several purposes aforesaid, or some of them, and to vary or extinguish all existing rights or privileges connected with such lands, houses, and other buildings, or which would in any manner impede or interfere with the execution of the several purposes aforesaid, and to confer other rights and privileges; and also to enable the said Blackburn and Preston Railway Company to raise a further sum of money for the purposes aforesaid, and for the general purposes of the said undertaking.

And notice is hereby also given, that plans and sections of the said intended new works, and sections of the said intended alterations in the levels of the said Blackburn and Preston Railway, and the works connected therewith, together with a book of reference to such plans, describing the reputed owners, lessees, and occupiers of the lands and buildings to be taken for the purposes thereof, will be deposited, for public inspection, on or before the thirtieth day of November in this present year, with the Clerk of the Peace of the county of Lancaster, at his office at Preston; and copies of so much of the said plans, sections, and books of reference, as relates to the said parish in and through which the intended works and alterations will pass and be made, will be deposited, for public inspection, with the parish clerk of the said parish, at his place of abode, on or before the thirty-first day of December next.—Dated the 21st day of October 1844.
