**A**T the Court at *Windsor*, the 3d day of *September* 1844,

PRESENT,

The **QUEEN'S** Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of August in the year one thousand eight hundred and forty-four, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parochial district of

the parochial chapel of *Macclesfield*, in the parish of *Prestbury*, and in the county and diocese of *Chester*.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any

scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided:

“And whereas the said chapelry of Macclesfield is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of the said chapelry hereinafter described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

“Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bird Bishop of Chester, in testimony whereof he has signed and sealed this scheme, that all that part of the said chapelry of Macclesfield, described in the schedule hereunto annexed, all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed, shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named, “The District of Saint Peter, Macclesfield.”

“And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall

have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November, as the case may be, next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

#### “ SCHEDULE.

“The District of SAINT PETER, MACCLESFIELD, being

“All that part of the parochial district of the parochial chapel of Macclesfield, in the parish of Prestbury, and in the county and diocese of Chester, which lies to the south of the district of Saint Paul, Macclesfield.”

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patrons of the church and chapel of the parish and chapelry out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act, and such incumbents and patrons have consented to the said scheme:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Chester.

Witness my hand this 1st day of November 1844,  
Richard James, Superintendent Registrar.

Gloucestershire, }  
to wit.

At the General Quarter Sessions of the Peace of our Sovereign Lady the Queen, holden at the Shire-hall, in Gloucester, for the county aforesaid, in the first week after the 11th day of October, to wit, on Tuesday the 15th day of October, in the eighth year of the reign of our Sovereign Lady Victoria, by the grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, and in the year of our Lord 1844, before the Right Honourable William Fitzhardinge Earl Fitzhardinge; Ebenezer Ludlow, Serjeant at Law; Purnell Bransby Purnell, Esq.; John Curtis Hayward, Esq.; and others, their Fellows, Her Majesty's Justices of the Peace for the said county.

**W**HEREAS by an Act, passed in the last session of Parliament, intituled "An Act to annex detached parts of counties to the counties in which they are situated," it is enacted, that, from and after the 20th day of October now instant, every part of any county in England or Wales, which is detached from the main body of such county, shall be considered, for all purposes, as forming part of that county of which it is considered a part, for the purposes of the election of members to serve in Parliament, as Knights of the Shire, under the provisions of an Act, passed in the third year of the reign of His late Majesty, intituled "An Act to settle and to describe the divisions of counties and the limits of cities and boroughs in England and Wales, in so far as respects the election of members to serve in Parliament;" and it is also enacted, that every such detached portion which, under the provisions of the said first-mentioned Act, shall be annexed for purposes other than that of voting for members of Parliament to any county to which it did not belong for such purposes before the passing of the said first-mentioned Act, shall thenceforth be taken to be part of the hundred or other like division by which it is wholly, or, for the most part, surrounded, or to which it is next adjoining, in the county to which it will thenceforth belong; and it shall be lawful for the Justices of such county or division, in General or Quarter Sessions assembled, in every case in which there shall appear to them to be any doubt to which of such divisions any such detached part shall belong, under the said first-mentioned Act, to declare the division to which it shall be taken to belong; and such determination shall be final and conclusive: and whereas the parish of Kingswood, a detached portion of the county of Wilts, will, under the provisions of the said first-mentioned Act, belong to the said county of Gloucester, for all purposes (save as in such Act is excepted): and whereas some doubt appears to the Justices afore-

said, as to which hundred or other like division in the said county of Gloucester the said parish of Kingswood shall be taken to belong; it is, therefore, ordered and declared, that the said parish of Kingswood shall, from and after the 20th day of October instant, belong to the upper division of the hundred of Berkeley, in the said county of Gloucester, and be annexed to the Berkeley, Dursley, and Wotton-under-Edge divisions, for special and petty sessional purposes.
