The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled " An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-sixth day of May in the year one thousand eight hundred and forty-five, in the words following, that is to say:

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled " An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parish of Bolton-le-Moors, in the county of Lancaster, and in the diocese of Chester.

" Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or

chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided :

“ And whereas the said parish of Bolton-le-Moors is of great extent, and contains a large population, and the provision for public worship

and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bird Bishop of Chester, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Bolton-le-Moors described in the schedule hereunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named, “ The District of Tonge.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid by equal half-yearly payments on the first day of May and the first day of November in each and every year:

and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE:

“ The district of TONGE, being:

“ All that part of the parish of Bolton-le-Moors, in the county of Lancaster, and in the diocese of Chester, comprised within the hamlet of Tonge, such part of the township of Brightmet, in the same parish, as is situate on the southern side of an imaginary line along the middle of the lane called Red-lane, leading from Tonge to Bury, and such part of the township of Harwood, in the same parish, as is situate on the western side of Bradshaw Brook.”

And whereas the draft of the said scheme has been transmitted to the incumbent and to the patron of the church of the parish out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act; and such incumbent and patron have consented to the said scheme:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this

Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Chester.

AT the Court at *Buckingham-Palace*, the 30th day of *June* 1845,

PRESENT,

The Queen's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;” and of another Act, passed in the session of Parliament held in the fifth and sixth years of Her Majesty's reign, intituled “ An Act for enabling ecclesiastical corporations, aggregate and sole, to grant leases for long terms of years;” duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-sixth day of May, in the year of our Lord, one thousand eight hundred and forty-five, in the words following, that is to say:

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act to carry into effect, with certain modifications;” “ the fourth report of the Commissioners of Ecclesiastical Duties and Revenues;” and of another Act, passed in the session of Parliament held in the fifth and sixth years of your Majesty's reign, intituled “ An Act for enabling ecclesiastical corporations, aggregate and sole, to grant leases for long terms of years;” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for determining the portion of the improved value to be made payable to us in a certain mining lease about to be granted by the Reverend Henry Comyn, Clerk, Vicar of the parish of Sancreed, in the county of Cornwall.

“ Whereas by the said last recited Act it is enacted, that it shall be lawful for any ecclesias-

tical corporation, aggregate and sole (excepting as therein is excepted, and which exception does not include the case of a vicar), from time to time, with the consents that behalf thereby required, and subject to the several provisions in the same Acts contained, to grant or demise by lease, for any term not exceeding sixty years, any mines, minerals, quarries, or beds belonging to such corporation:

“And whereas, in pursuance of the powers contained in the said recited enactment, it is proposed, by the said Henry Comyn, as such Vicar as aforesaid, with the consents required by the same Acts, to grant and demise, by lease, certain mines, with the produce thereof, in and under certain lands, being part and parcel of the glebe lands of the said parish, and situate, lying, and being therein:

“And whereas by the same Act it is further enacted, that in case of any lease of mines, minerals, quarries, or beds granted thereunder, such portion of the improved value accruing under such lease, as by the authority provided in the first recited Act shall be determined, not being more than three fourth parts nor less than one moiety of such improved value, shall forthwith, and from time to time as the same shall accrue, be paid to us, and shall be subject to the provisions relating to moneys payable to us:

“And whereas the improved value to accrue under the lease so proposed to be granted will, according to the meaning of the same Act, be the whole net amount of the reservation or reservations to be made in such lease:

“Now, therefore, we humbly recommend and propose, that one half of the whole net amount of the reservation or reservations to be made in the said lease so to be granted, whether consisting of rent, royalty, or otherwise, shall, by such lease, be made directly payable to us, and that we shall have all the like remedies in respect of such one half of any such reservation as aforesaid, as if the same were a separate rent reserved to us as lessors or grantors, and reversioners of the premises comprised in such lease, independently of the rights and remedies of the said Henry Comyn and his successors, vicars of Sancreed, in respect of the remaining one half thereof, without any priority or preference between us and the said vicar for the time being; and further, that we

shall have full benefit and advantage, either jointly with or separately from the said Henry Comyn and his successors, vicars of Sancreed for the time being, of all or any of the covenants, conditions, and agreements in the said lease to be contained on the lessees part, in like manner as if we had been grantors, lessors, and reversioners as aforesaid, and as in such lease shall be expressed; and that, for effectuating such objects, the said lease shall and may be framed in such manner, and contain all such clauses and provisions as we shall approve, and shall have full force, any rule of law, statute, or custom to the contrary notwithstanding.

“And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in conformity with the provisions of the said recited Acts, or any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Exeter.

At the Court at *Buckingham-Palace*, the 30th day of *June* 1845,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” duly prepared and laid before Her

Majesty in Council a scheme, bearing date the tenth day of June one thousand eight hundred and forty-five, in the words and figures following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act “ to carry into effect, with certain modifications, “ the fourth report of the Commissioners of “ Ecclesiastical Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for making better provision for the cure of souls in the district parish of Saint John the Baptist, Hoxton, in the county of Middlesex, and diocese of London.

“ Whereas it is by the said-recited Act enacted, that all the moneys and revenues to be paid to us, and all the rents and profits of the lands, tithes, and other hereditaments vested and to be vested in us, by and under the authority of the said Act, should be carried over to a common fund, and by payments or investments out of such fund; or if in any case it should be deemed more expedient by means of an actual conveyance or assignment of such lands, tithes, or other hereditaments, additional provision should be made for the cure of souls in parishes where such assistance is most required, in such manner as shall be deemed most conducive to the efficiency of the Established Church :

“ And whereas it is in contemplation to erect a house of residence for the incumbent of the said district parish of Saint John, Hoxton, but there being no land attached or belonging to the church or the incumbent thereof, it has been represented to us, that the piece or parcel of land described in the schedule hereunto annexed, and which lately formed part of the endowment of the prebend of Wenlock's-barn, in the cathedral church of Saint Paul, in London, but is now vested in us under the provisions and for the purposes of the said recited Act, would be a convenient site for such house :

“ And whereas, after due consideration of the wants and circumstances of the said district parish, we have deemed it expedient to make additional provision for the cure of souls therein, by a grant of the said piece or parcel of land as a site for a parsonage house, as aforesaid :

“ Now, therefore, we humbly recommend and propose, that all that the said piece or parcel of land, particularly described in the schedule hereto annexed as aforesaid, shall be and become absolutely transferred to and vested in the incumbent or perpetual curate of the said district parish of Saint John the Baptist, Hoxton, and his successors, for the purpose hereinbefore mentioned.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matter aforesaid, in conformity with the provisions of the said recited Act, or of any other Act of Parliament.

“ SCHEDULE.

“ All that piece or parcel of land or ground, situate, lying, and being in the parish of Saint Leonard, Shoreditch, in the county of Middlesex, bounded on the north and west by land demised to Isaac Bull and Henry Rydon, on the east by a road called the New North-road, and on the south by a new street called Murray-street, containing by admeasurement, on the south side thereof, one hundred and seventeen feet nine inches, on the north side one hundred and eleven feet seven inches, on the east side thirty-five feet six inches, and on the west side thirty-five feet three inches, be the several quantities, respectively, a little more or less.”

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of London.

JAS. WALKER, Solicitor.

TO be peremptorily sold by public auction, pursuant to an Order of the Court of Review, made in the matter of George Skipp, a bankrupt, with the approbation of Edmund Robert Daniell, Esq. the Commissioner of Her Majesty's Court of Bankruptcy acting in the prosecution of the Fiat in Bankruptcy issued against the said George Skipp, at the house of Mr. Daniel Smith, known by the name or sign of the Lower George Inn, situate in the West-gate-street, in the city of Gloucester, on Wednesday the 23d day of July next, at three o'clock in the afternoon, in one lot;

Certain buildings and works, with four dwelling-houses adjoining, called the Canhope Works, with plant, machinery, and apparatus used therewith, situate at or near the Canhope-brook, in the Forest of Dean, adjoining the Severn and Wye Railway, and distant from Coleford about two miles, which buildings and works were lately used as a manufactory of pyrolygneous acid and naphtha, and for other purposes, late the property of the said George Skipp.

There are several cords of wood, waggons, and other articles upon the premises, used in the business, which will be enumerated in the particulars of sale, and which the purchaser will be required to take to a valuation.

A supply of wood necessary for carrying on these works can always be obtained from the sales of timber, the produce of the forest, and, at a small outlay, the works might be enlarged, and a very lucrative business carried on; and it seldom happens that property of this description is to be obtained where the materials for carrying on such works can be so readily procured.

The works are also situated close to the line of the projected railway into South Wales.

Particulars whereof may be had (gratis) of Mr. William Reed, Solicitor, Ledbury; of Messrs. J. and F. Higgins and Chamberlain, Solicitors, Ledbury; Messrs. Clarke, Medcalfe, and Gray, Solicitors, No. 20, Lincoln's-inn-fields, London; at the Works; or of Mr. Thomas Bittleston, No. 27, Waterloo-street, Birmingham, the Official Assignee of the bankrupt's estate under the said Fiat; and at the place of sale.
