TUESDAY, JULY 15, 1845.

AT the Court at *Buckingham-Palace*, the
30th day of *June* 1845,

PRESENT,

The **QUEEN's** Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the tenth day of June in the year one thousand eight hundred and forty-five, in the words following, that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled " An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting

a separate district for spiritual purposes out of the parish of Glossop, in the county of Derby, and in the diocese of Lichfield.

" Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of

any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council, that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided :

“ And whereas the said parish of Glossop is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter-mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend John Bishop of Lichfield, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Glossop described in the schedule herunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a

separate district for spiritual purposes accordingly; and that the same shall be named, “ The District of Whitfield.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures

relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE.

“ The district of WHITFIELD being

“ All that part of the parish of Glossop, in the county of Derby, and in the diocese of Lichfield, comprised within the townships of Chunall, Dinting, and Hadfield, and such part of the township of Whitfield as is situate on the north western side of an imaginary line along the middle of the road over Hurst-moor, leading from Glossop and the Manchester and Sheffield road to Gnat-hole-bridge; and such part of the township of Glossop as is situate on the western side of an imaginary line extending towards the south east, from the eastern corner of the township of Hadfield, along the middle of the road leading from the village of Hadfield to the high road from Enterclough-bridge to Chapel-en-le-Frith, and thence southward, along the middle of such high road, as far as the middle of the high road from Manchester to Sheffield aforesaid, and thence eastward, along the middle of such last-mentioned road, as far as Mill Town toll-bar, and thence southward, along the middle of the road leading to Cross Cliff, as far as the boundary of the said township of Whitfield; and such part of the township of Padfield as is situate on the south western and north western sides of an imaginary line extending towards the south and south east from Tintwistle foot-bridge, along the middle of the road leading to Padfield, to a point opposite to the middle of the road leading to Woolley-bridge, and thence towards the south west, along the middle of such last-mentioned road, as far as the boundary between the said townships of Hadfield and Padfield.”

And whereas the draft of the said scheme has been transmitted to the incumbent and to the patron of the church of the parish out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act, and one calendar month has expired since such draft was so transmitted, and no objections have been made thereto :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Lichfield.

Wm. L. Bathurst.

AT the Court at *Buckingham-Palace*, the 30th day of *June* 1845,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the seventh and eighth years of Her Majesty's reign, intituled "An Act to amend the law respecting the "office of county coroner," it is enacted, that, when and as often as it shall seem expedient to the justices of any county that such county should be divided into two or more districts, for the purposes of that Act, or that any alteration should be made of any division theretofore made under that Act, it should be lawful for the said justices, in general or quarter sessions assembled, to resolve that a petition should be presented to Her Majesty, praying, that such division or alteration be made, and thereupon to adjourn the further consideration of such petition until notice thereof should be given to the coroner or coroners of such county as thereafter provided; and as it is thereby further enacted, that the clerk of the peace should give notice of any such resolution to every coroner for such county, and of the time when the petition would be taken by the said justices into consideration, and the justices should confer with every such coroner who should attend the meeting of the justices for that purpose, touching such petition, having due regard to the size and nature of each proposed district, the number of the inhabitants, the nature of their employment, and such other circumstances as should appear to the justices fit to be considered in carrying into execution the provisions of that Act; and such petition, with a description of the several proposed districts, and of the boundaries thereof, with the reasons upon which the petition is founded, should be certified to Her Majesty, under the hands and seals of two or more of the justices present when such petition should be agreed to, and the clerk of the peace for such county should forthwith give or send a true copy of such petition, certified under his hand, to every coroner for such county; and it is further enacted, that it should be lawful for Her Majesty, if she should think fit, with the advice of Her Privy Council, after taking into consideration any such petition which might be presented to Her by any coroner of the same county, concerning such proposed division or alteration, or whenever it should seem fit to Her Majesty, to direct the issue of a writ *de coronatore eligendo*, for the purpose of authorising the election of an additional coroner above the number of those who had been theretofore customarily elected in such county, in order that such county should be divided into such and so many districts, for the purposes of that Act, as to Her Majesty, with the advice aforesaid, should seem expedient, and to give a name to each of such districts, and to determine at what place within each district the court for the election of coroner for such district should be holden, as thereafter provided; and every such Order should be published in the London Gazette:

And whereas the justices of the peace for the county of Salop, in general quarter sessions assembled, at Shrewsbury, in and for the said county, on Monday the thirtieth day of December one thousand eight hundred and forty-four, did resolve, that an humble petition should be presented to Her Majesty, praying for such division or alteration as thereafter mentioned, and did adjourn the further consideration thereof at an adjournment of the general quarter sessions of the peace, held at the Shire-hall, in Shrewsbury, in and for the county of Salop, on Thursday the thirtieth day of January one thousand eight hundred and forty-five, due notice thereof having been given to all the coroners of the said county, as two of the justices attending such adjourned sessions did thereby certify, under their hands and seals, that such petition was agreed to; and whereas the said justices have since presented their petition to Her Majesty, representing,

"That the county of Salop forms an area of about one thousand three hundred and eighty-six square miles; that it consists of upwards of two hundred thousand inhabitants, exclusive of the boroughs situate therein, having separate jurisdictions; that it extends from north to south about fifty miles, and from east to west nearly forty miles; that there are at present only four county coroners acting for the said county; that, upon reference to their accounts, it appears that they travel distances of as much as twenty, twenty-two, twenty-four, twenty-eight, thirty, thirty-one, thirty-three, and thirty-four miles to take inquests, which is not only a considerable expence to the said county, but is often productive of great inconvenience;

"That the said county consists of thirteen hundreds, viz. Albrighton, Bradford, Brimstree, Chirbury, Clun, Conover, Ford, Munslow, Oswestry, Overs, Pimhill, Purslow, and Stottesden;

"That one of the said four county coroners generally acts for the hundreds of Albrighton and Bradford, the Shiffnall division of the hundred of Brimstree, and for portions of the hundreds of Conover, Ford, and Pimhill;

"That another generally acts for the hundreds of Chirbury, Clun, Munslow, Purslow, and Overs, and for portions of the hundreds of Conover, Ford, and Stottesden;

"That a third coroner generally acts for the hundreds of Oswestry and Pimhill, together with portions of the hundreds of Conover, Ford, Munslow, and Stottesden;

"And the fourth for the hundred of Stottesden;

"That the said petitioners are of opinion that it will be expedient to divide the said county into five districts instead of four, as at present, and to have one additional coroner;

"And therefore praying Her Majesty to make such order, with the advice of Her Privy Council, as shall be requisite for the election of an additional coroner for the said county, and for dividing the said county into the following districts, that is to say;

"1. The hundreds of Oswestry and Pimhill;

"2. The hundred of Bradford, both north and

south, and that portion of the hundred of Brimstree which extends to the parish of Stockton, inclusive;

"3. The hundreds of Albrighton, Chirbury, Conover, and Ford;

"4. That portion of the hundred of Brimstree lying south of the parish of Stockton, also the hundred of Stottesden, with the exception of Cleobury Mortimer, Hopton Wafers, and the Titterstone Clee-hill, and of what lies west of Cleobury Mortimer, Hopton Wafers, and the Titterstone Clee-hill;

"5. The hundreds of Clun, Munslow, Overs, and Purslow, and that portion of the hundred of Stottesden lying west of and including Cleobury Mortimer, Hopton Wafers, and the Titterstone Clee-hill;

"No. 1 to be called, the Oswestry and Pimhill District;

"No. 2 to be called, the Bradford District;

"No. 3 to be called, the Ford District;

"No. 4 to be called, the Stottesden District; and

"No. 5 to be called, the Purslow District."

Now, therefore, Her Majesty, having taken the said petition into consideration, doth, pursuant to the said Act of the seventh and eighth years of Her reign, by and with the advice of Her Privy Council, declare, order, and direct, that such county shall be divided into five districts, for the purposes of the said Act, to be called by the several and respective names following, that is to say, No. 1, to be called the "Oswestry and Pimhill District;" No. 2, to be called the "Bradford District;" No. 3, to be called the "Ford District;" No. 4, to be called the "Stottesden District;" and No. 5, to be called the "Purslow District;" and it is hereby further ordered, declared, directed, and determined, that the courts to be holden for the purpose of the election of any coroner of any one or more of the said districts, respectively, when and as the same shall become necessary under the provisions of the said recited Act, shall be as follows, that is to say, for No. 1, the Oswestry and Pimhill district, to be holden at the town of Ruyton of the Eleven Towns, within the said district, and the poll to be taken there, and at the towns or villages of Whittington and Cockshut; for No. 2, the Bradford district, to be holden at the town of Hodnet, and the poll to be taken there, and at the towns of Whitchurch, Newport, and Wellington; for No. 3, the Ford district, to be holden at the town or village of Pontesbury, and the poll to be taken there, and at the village of Conover; for No. 4, the Stottesden district, to be holden at the town or village of Stottesden, and the poll to be taken there, and at the town or village of Worfield; and for No. 5, the Purslow district, to be holden at the town of Church Stretton, and the poll to be taken there, and at the town of Clun and the village of Bromfield:

And it is hereby also further declared, ordered, and directed, that this Order shall be published in the London Gazette.

Wm. L. Bathurst.
