WEDNESDAY, SEPTEMBER 3, 1845.

At the Court at Buckingham-Palace, the 8th day of August 1845,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the twenty-eighth day of July, in the year one thousand eight hundred and forty-five, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council,

the following scheme, for constituting a separate district for spiritual purposes out of the parish of Alverstoke, in the county of Hants, and in the diocese of Winchester,

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel

in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided:

“ And whereas the said parish of Alverstoke is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Richard Bishop of Winchester, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Alverstoke, described in the schedule hereunto

annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named, “ The District of Saint Matthew, Gosport.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

" And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation, aggregate or sole, or to either of the Universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion, and in such manner, as shall be approved by the like authority :

" And whereas certain persons have contributed certain sums of money towards providing a church or chapel within the said district of Saint Matthew, Gosport, herein recommended to be constituted, and a church or chapel is now in course of erection, by the aid of such monies, within the said district; and it has been agreed by such persons that such church or chapel, when completed, shall be offered for approval by us, and for consecration, as the church or chapel of the said district, for the use and service of the minister and inhabitants thereof :

" And whereas also a sum of two hundred and forty pounds has been deposited with us, upon trust, to be applied in such manner as shall appear to us to be expedient, as a permanent fund, towards the repairs and maintenance of the fabric of such church :

" And whereas the principal contributors towards the said church or chapel have, by an instrument in writing under their hands, nominated to us the Bishop of Winchester and the Rector of the said parish of Alverstoke, respectively for the time being, as the alternate patrons in perpetuity of the said district :

" We, therefore, further recommend and propose, that the right of patronage of the said district, and, so soon as the same shall have become a new parish as aforesaid, the right of patronage

thereof, and the nomination of the minister or perpetual curate of such district or new parish, as the case may be, shall be assigned to and absolutely vested in the said Charles Richard Bishop of Winchester, and his successors bishops of Winchester, and the Very Reverend Samuel Wilberforce, Doctor in Divinity, Dean of the collegiate church of Saint Peter, Westminster, and Rector of the said parish of Alverstoke, and his successors, rectors of the said parish; such right of patronage and nomination to be exercised by the said Charles Richard Bishop of Winchester and his successors bishops of Winchester, and the said Samuel Wilberforce and his successors rectors of the said parish of Alverstoke, alternately, for ever, the first nomination being made by the said Samuel Wilberforce.

" And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

" SCHEDULE.

" The district of SAINT MATTHEW, GOSPORT, being—

" All that part of the town of Gosport, in the parish of Alverstoke, in the county of Hants, and in the diocese of Winchester, situate within the fortifications thereof, and on the northern side of an imaginary line extending westward from the sea shore, near the market-place, along the middle of High-street, as far as the fortifications aforesaid."

And whereas the draft of the said scheme has been transmitted to the incumbent and to the patron of the church of the parish out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act; and whereas such incumbent and patron have respectively consented to the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every

part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Winchester.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the fourth and fifth years of Her Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifth day of August, in the year one thousand eight hundred and forty-five, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the fourth and fifth years of your Majesty's reign, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for a further apportionment of the divisible corporate revenues of the cathedral church of Lincoln.

"Whereas it is by the said recited Act enacted, that so soon as the chapter of Lincoln shall consist of a dean and canons appointed after the passing of the Act therein recited, being an Act passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled "An Act to carry into effect, with

"certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," the whole divisible corporate revenues of such chapter shall, from time to time, be divided into six shares, and two of such shares shall be paid to the dean, and one of such shares shall be paid to each canon, and in the mean time such revenues may be so apportioned by the authority in the said last-mentioned Act provided, as to afford just shares thereof to the new members of chapter:

"And whereas, upon the vacancy of a canonry residentiary in the said church, we laid before your Majesty in Council a scheme, bearing date the seventeenth day of December last, for apportioning the income of such canonry, and the said scheme was ratified by an Order of your Majesty in Council, bearing date the thirteenth day of January last, which Order has since been duly gazetted:

"And whereas the Reverend Charles Goddard, Doctor in Divinity, was thereupon appointed to the said vacant canonry, and the archdeacon of Lincoln was appointed to the new canonry founded in the same church by the last-mentioned Act:

"And whereas the Deanery of the same church having now become vacant, the foregoing provisions of the said first-recited Act will come into full operation so soon as vacancies shall have occurred in the two canonries in the same church now held by canons appointed before the passing of the secondly herein mentioned Act; and it is expedient to provide for a just apportionment of the divisible corporate revenues of the same church upon the vacancy of either one of such last-mentioned canonries, or of the canonry now held by the said Charles Goddard:

"We, therefore, recommend and propose, that the provisions of the scheme and Order aforesaid shall only continue in force until a vacancy shall have occurred in any one of such three last-mentioned canonries, and shall then forthwith cease and determine.

"And we further recommend and propose, that upon any such first vacancy there shall, from the day of the date of such vacancy, be paid to the said archdeacon of Lincoln one sixth part of all moneys, from whatever source arising, which shall, from time to time, become divisible among the members of the chapter of the same church, and to the last appointed or junior canon thereof one twelfth part only of the same moneys, unless such first vacancy

shall be the vacancy of, or until a vacancy shall have occurred in, either one of the two canonries now so held by the two canons appointed before the passing of the said secondly mentioned Act; and in or upon such last-mentioned case or event, there shall be paid, from the day of such last-mentioned vacancy, and, from time to time, to the Dean of the same church for the time being seven twenty-fourth parts, and to the second and third canons, respectively, one sixth part, and to the last appointed or junior canon three twenty-fourth parts of the like moneys.

“ And we further recommend and propose, that the provisions of this scheme shall be in force only until both the canonries, so held by canons appointed before the passing of the said secondly mentioned Act, shall have become vacant, and shall then absolutely cease and determine.

“ And we further recommend and propose, that nothing in this scheme contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, in conformity with the said Acts of Parliament, or either of them.”

And whereas due notice of the said scheme has been given in accordance with the provisions of the said recited Act, and no objection has been made thereto:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Lincoln.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any other Act of Parliament.”

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patrons of the church of the parish and of the church or chapel of the district out of which the district, the bounds of which are therein recommended to be altered, has been taken, pursuant to the provisions of the said Acts; and such incumbents and patrons have respectively consented to the said scheme :

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled “ An Act to make better provision for the spiritual care of populous parishes,” duly prepared and laid before Her Majesty in Council

a scheme, bearing date the twenty-eighth day of July, in the year one thousand eight hundred and forty-five, in the words following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty’s reign, intituled “ An Act to make better provision for the spiritual care of populous parishes,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes, out of the chapelry of Haworth, in the parish of Bradford, in the west riding of the county of York, and in the diocese of Ripon.

“ Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next

after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided :

“ And whereas the said chapelry of Haworth is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such chapelry hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Thomas Bishop of Ripon, in testimony whereof he has signed and sealed this scheme, that all that part of the said chapelry of Haworth, described in the schedule hereunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named, “ The District of Oxenhope.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall

be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid by equal half-yearly payments on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE.

“ The district of OXENHOPE, being—

“ All that part of the chapelry of Haworth, in the parish of Bradford, in the west riding of the county of York, and in the diocese of Ripon, comprised within the hamlets of Far and Near Oxenhope.”

And whereas the draft of the said scheme has been transmitted to the incumbents and to the patrons of the church of the parish and of the church or chapel of the chapelry out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act; and whereas such incumbents and patrons have respectively consented to the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law, immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Ripon.
