AT the Court at *Buckingham-Palace*, the 8th day of *August* 1845,

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the fifth day of August, in the year one thousand eight hundred and forty-five, in the words following, that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled " An Act " to make better provision for the spiritual care of " populous parishes," have prepared, and now humbly lay before your Majesty in Council, the

following scheme, for constituting a separate district for spiritual purposes out of the parish of Bingley, in the county of York, and in the diocese of Ripon.

" Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing

within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided:

“ And whereas the said parish of Bingley is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Thomas Bishop of Ripon, in testimony whereof he has signed and sealed this scheme, that

all that part of the said parish of Bingley, described in the schedule hereunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual purposes accordingly; and that the same shall be named, “ The District of Morton.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid by equal half-yearly payments on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

“ And whereas the said parish of Alverstoke is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendance therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter mentioned and described, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth:

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Richard Bishop of Winchester, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Alverstoke, described in the schedule hereunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a separate district for spiritual

purposes accordingly; and that the same shall be named, “ The District of Saint Matthew, Gosport.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And whereas it is by the said Act further enacted, that it shall be lawful, by the authority aforesaid, at any time to assign the right of patronage of any such district or new parish as aforesaid, and the nomination of the minister or perpetual curate thereof respectively, either in perpetuity, or for one or more nomination or nominations, to any ecclesiastical corporation, aggregate or sole, or to either of the Universities of Oxford, Cambridge, or Durham, or to any college therein respectively, or to any person or persons, or the nominee or nominees of such person or persons or body respectively, upon condition of such corporation, university, college, person or persons contributing to the permanent endowment of such minister or perpetual curate, or towards providing a church or chapel for the use of the inhabitants of such district or new parish, in such proportion, and in such manner, as shall be approved by the like authority:

“ And whereas certain persons have contributed certain sums of money towards providing a church or chapel within the said district of Saint Matthew, Gosport, herein recommended to be constituted, and a church or chapel is now in course of erection, by the aid of such monies, within the said district; and it has been agreed by such persons that such church or chapel, when completed, shall be offered for approval by us, and for consecration, as the church or chapel of the said district, for the use and service of the minister and inhabitants thereof :

“ And whereas also a sum of two hundred and forty pounds has been deposited with us, upon trust, to be applied in such manner as shall appear to us to be expedient, as a permanent fund, towards the repairs and maintenance of the fabric of such church :

“ And whereas the principal contributors towards the said church or chapel have, by an instrument in writing under their hands, nominated to us the Bishop of Winchester and the Rector of the said parish of Alverstoke, respectively for the time being, as the alternate patrons in perpetuity of the said district :

“ We, therefore, further recommend and propose, that the right of patronage of the said district, and, so soon as the same shall have become a new parish as aforesaid, the right of patronage thereof, and the nomination of the minister or perpetual curate of such district or new parish, as the case may be, shall be assigned to and absolutely vested in the said Charles Richard Bishop of Winchester, and his successors bishops of Winchester, and the Very Reverend Samuel Wilberforce, Doctor in Divinity, Dean of the collegiate church of Saint Peter, Westminster, and Rector of the said parish of Alverstoke, and his successors, rectors of the said parish; such right of patronage and nomination to be exercised by the said Charles Richard Bishop of Winchester and his successors bishops of Winchester, and the said Samuel Wilberforce and his successors rectors of the said parish of Alverstoke, alternately, for ever, the first nomination being made by the said Samuel Wilberforce.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

#### TREASURY WARRANT.

WHEREAS by an Act, passed in the third and fourth years of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury, from time to time, by warrant under their hands, to alter and fix any of the rates of British postage or inland postage, payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such warrant; and, from time to time, by warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof; and, from time to time, by warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid; and it is provided that the power thereby given should extend to any increase or reduction or remission of postage:

And whereas, in consequence of communications opened with the post-offices of Hanover and the duchy of Brunswick, it is considered expedient to alter the rates of postage payable on letters conveyed direct via the river Elbe, between those countries and the United Kingdom:

Now we, the undersigned, being three of the Commissioners of Her Majesty's Treasury, do, in exercise of the power or authority in us for such purpose vested in and by the said recited Act, and of all other powers and authorities enabling

us in this behalf, direct that, on every letter not exceeding half an ounce in weight, posted in or addressed to any part of the kingdom of Hanover or the duchy of Brunswick, and transmitted via the Elbe, between any part of the United Kingdom and any place in Hanover or Brunswick (conveyed between the United Kingdom and the Elbe direct by packet boat or private ship), there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, a uniform rate of British postage of six pence.

And we direct, that it shall be optional for the sender of any such letter as hereinbefore is mentioned, posted in the United Kingdom, addressed to Hanover or Brunswick (registered letters excepted), to allow the whole of the postage thereof, British and foreign, to be charged to the receiver of the letter in Hanover or Brunswick, or to prepay all such postage at the time of posting the letter; but such sender shall not have the option of paying the British postage thereof only, and leaving the foreign postage to be paid in Hanover or Brunswick.

And we direct, that on every letter not exceeding half an ounce in weight, posted in or addressed to any part of Hanover or Brunswick, transmitted by the post via the Elbe, between Hanover or Brunswick and any of Her Majesty's colonies, or any foreign country, through the United Kingdom (conveyed direct by packet boat or private ship between the United Kingdom and the Elbe), there shall be charged and taken, in lieu of any rates of British postage now payable by law on such letters, a uniform rate of British postage of six pence for the conveyance of every such letter between Hanover or Brunswick and any part of the United Kingdom; and also such a further or additional rate of British postage, for the conveyance of every such letter between the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and the colony or foreign country to or from which the same shall be forwarded, as shall from time to time be charged and payable for British postage on letters not exceeding half an ounce in weight, posted or delivered at the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and such colony or foreign country.

And we direct, that it shall be optional for the sender of any such letter, as lastly hereinbefore mentioned, posted in any of Her Majesty's colonies where posts have been or shall be established by Her Majesty's Postmaster-General, addressed to Hanover or Brunswick (registered letters excepted), to allow the whole of the postage thereof, colonial, British, and foreign, to be charged to the receiver of the letter in Hanover or Brunswick, or to prepay all such postage at the time of posting the letter; but such sender shall not have the option of paying the colonial and British postage thereof only, and leaving the foreign postage to be paid in Hanover or Brunswick.

And we further direct, that on every letter transmitted, as is mentioned in this warrant, exceeding half an ounce in weight, there shall be charged and taken progressive and additional rates of postage according to the scale of weight and number of rates in the said Act contained as to letters; estimating and charging each additional rate at the sum which any such letter would be charged with under this warrant, if not exceeding half an ounce in weight.

And we further direct, that such printed newspapers as are hereinafter mentioned may be sent by the post at the rates hereinafter set forth (that is to say),

British newspapers sent direct via the Elbe from the United Kingdom to Hanover or Brunswick (the conveyance between the United Kingdom and the Elbe being direct by packet boat or private ship), one penny each.

Newspapers published in Hanover or Brunswick, in the German language, and sent from thence direct via the Elbe to any part of the United Kingdom (the conveyance between the Elbe and the United Kingdom being direct by packet boat or private ship), one penny each.

And we further direct, that the Postmaster-General may cause the postage on any such printed newspapers to be paid on the same being put into the Post-office.

And we further direct, that every printed supplement or additional sheet to any newspaper shall, for the purpose of charging the postage under this warrant, be deemed a distinct newspaper, unless sent in the same cover or together with the newspaper to which it is a supplement or addition.

And we further direct, that no printed newspaper shall be conveyed by the post under the regulations of this present warrant, unless the same shall be sent without a cover, or in a cover open at the sides, or in open bands, and unless there be no word or communication printed on the paper after its publication, or upon the cover or band thereof, and no writing or mark upon it or upon the cover or band of it, except the name and address of the person to whom sent, nor any paper or thing enclosed in or with the same; and every such newspaper shall be forwarded under and subject to such other conditions, regulations, and restrictions as by the said recited Act are directed in respect of newspapers sent by the post.

And we further direct, that nothing herein contained shall be deemed or construed to extend to any letters or newspapers passing by the post between the United Kingdom and the kingdom of Hanover or the duchy of Brunswick, via Holland, Belgium, or France, or any other foreign country.

And we further direct, that nothing herein contained shall be deemed or construed to annul, prejudice, or affect any of the exemptions and privileges granted by the said recited Act, or by an Act made and passed in the first year of the reign of Her present Majesty, intituled "An Act for the management of the Post-office," and that all such exemptions and privileges shall remain in full force.

No. 20508.

B

And we further direct, that the terms and expressions used in this warrant shall be construed to have the like meaning in all respects as they would have had if inserted in the said Act of the third and fourth years of the reign of Her present Majesty.

And we further direct, that this warrant shall come into operation on the 1st day of October 1845.

Provided lastly, and we hereby declare and direct, that it shall be lawful for the Commissioners for the time being of Her Majesty's Treasury, or any three of them, by warrant under their hands, at any time hereafter to alter or repeal any of the rates hereby altered, or the regulations hereby made, and to make and establish any new or other rates or regulations in lieu thereof, and from time to time to appoint at what time the rates that may be payable are to be paid.
