And it is also intended by such Act or Acts to take power to alter, divert, or stop up, whether temporarily or permanently, all turnpike and other roads, railways, tramways, aqueducts, canals, streams, and rivers, within or adjoining to the aforesaid parishes, townships, and extra parochial or other places, or any of them, with which it may be necessary to interfere in the construction of the said intended railway or railways and works.

And it is further intended by such Act or Acts to vary, repeal, or extinguish all existing powers, rights, or privileges affecting, or in any manner connected with the lands proposed to be purchased or taken, or which would in any manner impede or interfere with the construction, maintenance, or use of the said intended railway or railways and works, and to confer other rights and privileges.

And it is also intended by such Act or Acts to incorporate a company for the purpose of carrying into effect the said intended railway or railways and works, or some part or parts thereof, and to take powers for the purchase of lands and houses by compulsion or agreement for the purposes thereof, and for levying tolls, rates, and duties in respect of the use of the said railway or railways and other works, and to grant such exemptions from such tolls, rates, and duties as to such company may seem meet.

And it is further intended by such Act or Acts to enable the company thereby to be incorporated to sell, or let, or transfer the said intended railway or railways and works, or any part thereof, and all or any powers of such company in connection therewith or in relation thereto, to the Great Western Railway Company, and to enable such last-mentioned company to purchase, or rent, or construct the said intended railway or railways and works, or any part thereof, and to exercise such powers, or any of them, and also to enable the said Great Western Railway Company and the Oxford, Worcester, and Wolverhampton Railway Company, or either of them, to raise and contribute funds for or towards the construction, maintenance, and use of the said intended railway or
