FRIDAY, AUGUST 7, 1846.

AT the Court at *Buckingham-Palace*, the
1st day of *August* 1846,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the seventeenth day of June, in the year one thousand eight hundred and forty-six, in the words following, that is to say :

" We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled " An Act " to make better provision for the spiritual care of " populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parish of Leeds, and district parish of Woodhouse, in the west riding of the county of York, and in the diocese of Ripon.

" Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district ; and it is by the same Act provided, that the draft of any scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district, out of which it is

recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the meantime, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licenced according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as thereafter provided:

“ And whereas the said parish of Leeds and district parish of Woodhouse are respectively of great extent, and contain a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular parts of such parish and district parish hereinafter mentioned, such parts not at present containing within their limits any consecrated church or chapel in use for the purposes of divine worship, should be together constituted a separate district in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Thomas Bishop of Ripon, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Leeds, and also all that part of the said district parish of Woodhouse, described in the schedule hereunto annexed,—all which parts, together with the boundaries thereof, are delineated and set forth in the map or plan hereunto also annexed,—shall be together constituted a separate district for

spiritual purposes accordingly; and that the same shall be named, “ The District of Little London.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district, being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures

relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE.

“ The district of *LITTLE LONDON*, being—

“ All that part of the township of Leeds, in the parish of Leeds, and district parish of Woodhouse, in the west riding of the county of York, and in the diocese of Ripon, comprised within and bounded by an imaginary line commencing at a point (marked *a* on the map or plan hereunto annexed) in the middle of Woodhouse-lane, and opposite to the middle of Coburg-street, and thence extending westward, along the middle of such lane, to a point (marked *b* as aforesaid) opposite to the middle of Blackman-lane, and thence northward along the middle of such last-mentioned lane, and of a certain occupation road at the northern end thereof, and of a certain public footpath leading from the said occupation road to Woodhouse Carr, to the northern boundary of an estate belonging to the trustees of pious uses, near Walsh-row, and thence towards the north east, along the northern boundary of such estate as far as the middle of the Leeds and Meanwood turnpike road, and thence towards the south-east, along the middle of such last-mentioned turnpike road, to a point (marked *c* as aforesaid) opposite to the middle of Elmwood-street, and thence southward, along the middle of such street, and of Camp-road, to a point (marked *d* as aforesaid) opposite to the middle of the street or roadway before Back Grove-terrace, and thence towards the south west, along the middle of such street or roadway, as far as the middle of Claypit-lane, and thence southward, along the middle of such last-mentioned lane, as far as the middle of Coburg-street aforesaid, and thence westward, along the middle of such street, to the point where the said imaginary line commenced.”

And whereas the draft of the said scheme has been transmitted to the incumbents and patrons of the churches of the parish and district parish out of which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act; and whereas one calendar month has expired since such draft was so transmitted, and no objections have been made thereto :

A 2

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Ripon.

Wm. L. Bathurst.

AT the Court at *Buckingham-Palace*, the 1st day of *August* 1846,

PRESENT,

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of Her Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighth day of July, in the year one thousand eight hundred and forty-six, in the words following, that is to say :

“ We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme, for making better provision for the cure of souls in the parishes of Saint Helen and Saint Nicholas, Abingdon, in the county of Berks, and diocese of Oxford.

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Oxford.

Two thirds of the beef to be delivered in tierces, and the remainder in barrels, and a quantity of pork, equal to 250 tierces (and for which separate tenders are to be made), to be delivered in casks, containing 100 pounds each, and of the remaining quantity of pork, three fourths to be delivered in tierces, and the remaining one fourth in barrels, into Her Majesty's Victualling Stores at Deptford, Portsmouth, Plymouth, and Haulbowline, in such proportions as shall hereafter be directed, and within the following periods:

Beef, two thirds on or before the 31st March 1847, and one third on or before the 31st May 1847;

Pork, one third on or before the 31st March 1847, and two thirds on or before the 31st May 1847;

and to be paid for by bills payable at sight, but not during the first period of delivery, for any quantities beyond those specified.

The conditions of the contract may be seen at this Office, or by applying to the Agent for the Victualling at Cork, or to the Collectors of Her Majesty's Customs at Limerick, Belfast, Waterford, and Newry, or to the Secretary of the Postmaster-General at Dublin, or to the resident Agent for Transports at Leith.

No tender for a less quantity than shall be equal to 300 tierces of beef, or to 300 tierces of pork (except for the pork, to be delivered in casks containing 100 pounds each), will be admitted.

No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or some person on his behalf, duly authorized in writing; and it is to be expressly understood, that the tenders must contain a separate price for the beef, and a separate price for the pork; and that every tender must also specify the prices both in figures and words at length, or the tenders will be rejected.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner of the envelope the words, "Tender for Salt Meat," and "Comptroller for Victualling," and must also be delivered at Somerset-place, and be accompanied by a letter, signed by two responsible persons, engaging to become bound with the person tendering, in a sum equal to £25 per cent. on the amount of the contract, for the due performance of the same.
