destinated and the company

From Bungar August 31 of Court Try September 34 1685.

Genoun, August 21.

of the Forces of this Crawn at the Readezvous near He, 18th Thant the Doge having finisht the time of his Government, went, act cording to chilom, on foot from the Palace to his own Houle, Palace to his own Houle, Palace derions by all the Nobelity and other derions of Quality. Since there have been reveral meetings of the N. bilty about the Election of a new Doge; and in all appearance Signion Piblio Duranto will be thosen. Three days ag larrived here four Freich Galiots from Tripell, by whom we have an account that the Flest commanded by the Martich'il L'Eftr e. wis gone from thence for Tunis. This werk fail d from hince the Samuel and Thomas;

the Mauritania, the Elizabeth, and the Suedels for Legborn. The Violet is now in this Port, bound for Palezmo, Much, August 15. Our Governor has R formed the Regiment of S siffig in the Service of this state,

havi g given them 14000 Crowns for a month and an halfs Pay, according to the Capitulation that was made with them w' en they were railed; The Neopolitan Regiment commanded by the Marquis Grocold is like wife Reformed, and the Soldiers Incorporated in that whereof Marco Antenio Colonna is Co-lonel. We are told from Turin, that the Dok of Savoy has named the Count de Magliano to go and make his Complim ats to the Emp ror upon the Mar-

riage of the Elector of Bavaria with the Arch Duchels. Venice, Aug. 25. The Master of a Vessel, which arrived here two days ago, reports, that touching at Corfu he heard there, that the Forces of this State had mad: themselves Masters of the Town of Coron, but that the Castle, which was very strong, held out fell, notwithstanding the Count de St. Paul had with 6000 men defeated 8000 Turks which tame to relieve them, 1500 we the Enemy being killed upon the place, and several pieces of Gannon and all their Baggage taken. The fame Account we have by the way of Orranto This week likawife arrived here a Vessel from Spalairo, bringing Letters for several Merchants of this City, which speak of Signior Molina's having obtained a great Victory over the Turkith Fl et; and ad 1, that the Captain Baffa was dangeroully wounded in the Fight; but notwithflanding the leveral Confirmations we have of these happy success of the Arms of the Republick, the Senatebove not yet received any account of them from their Generals. Several new Gallies are fitting out here, which will be feat with the next Convoy to the Fleet. The Senare it's faid are treating with the

Elector of Saxons for more of his Troops. On Sun-

day last Signior Victor Correr had conferred upon him the Dignity of Procurator of St. Mark, he paying

25000 Ducats for the same.

Cliniani, and than the wett of the Erghps were marche ing knower with grown diligance. Than the Croud Septebal commanded they Army ; " which would in fe w days be juy and by the Forces of Eithu mia: though there is a report that their pretenditor aftic parately under their own General, in case the M ze does not come himself into the Pield. They waite from Post dolia, that the Sienel Lefniki has defeated a great Party of Tartars whowhad made an Incurion into that Country, that about 300 of themi work killed upon the place, cami aogrearmany Christians, whost they had made Slavesymelcalbd, it Than the Balla of Miedziboshas written to thei Governous of the mill commerciable places belonging to this action on the Phil dolia, to propose a restraincof all ducultions on book fides, which ruine the Country wishour drivadvist tago to the Princeatheir diallers of It is noah med from Molcow, that the Czais are letlined tooneed inroi the League Grewich the Emperor, sinis Crown! and the Venetians. And that their hand Agirbho leaved touthe Collacks which are lubicolineo the mis to joy's with those in the Service of this Crown against 114

Tunks. 1 I IT & 2 k da dun i Presburg, Aug. 19. We have Littlesseldon's the Init perial Camp before Esperies of ithe moth Manual which tell us, that the Besieged in adeda very cobiliti nate defended but that the Bringers were not withflanding advances to the Ditch, which they hid the gun to fill with Fagots and Backel dfa'Woodlan Tarase their Bombs had dono great execution in the Town ! That their Cannon had made two lattle Bredchers and that they would in a day on good make an ATfault uyon the place. That Count Teckely was dayly abandoned by those of his Party p. That I's whole Arength confilted but in 1 gontinens and thak he haply not with all his follicitations theen able to obtain any affiliance from the Turksit. Vienna, Aug. 26st We have an account that the

Sera quier having rathed his Forces, and caused rwo Balla's and four Aga's, with feveral other Officers who Bal not well beliaved themselves in the Butle of Gran, to be Strangled; he marched to Buda, she palled the Danaba, there detlaring be would relieve Newhensel whatevel id cost, burnhausoon after he received the News than the place was taken by Atfault-) however having formed a new Train of Artillery of 20 Pieces which he took out of Budh, and being teinforced with feveral fresh Troops, he marched towards Vaccia; and according to our fall advice was encamped between themplace and Pell. The Duke of Lorrain being informed of the Eremies motions; repassed the Danabe with the Imperial Army the Eath Inflant hear Commerce and advanced

towards them, upon which the Elector of Bavarit

bischanged the thoughts he had of returning hither
