AT the Court at *Windsor*, the 14th day of *November* 1846.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes;" and of another Act, passed in the session of Parliament held in the seventh and eighth years of Her Majesty's reign, intituled "An Act to explain and amend an Act for making better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourth day of November, in the year one thousand eight hundred and forty-six, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes;" and of another Act, passed in the session of Parliament held in the seventh and eighth years of your Majesty's reign, intituled "An Act to explain and amend an Act for making better provision for the spiritual care of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for altering the bounds of the district of Gomersal, in the county of York, and diocese of Ripon.

"Whereas it is by the secondly-recited Act enacted, that it shall be lawful, by the authority provided in the first-recited Act, at any time or times, within twelve months after the date of

the licence of the minister first licenced to any separate district, constituted under the provisions of the same Act, to alter the bounds of such district, although any alteration be not required with a view to the constituting of another separate district; provided always, that the scheme for making any such alteration shall be subject to all the provisions relating to schemes for constituting separate districts under the said first-recited Act, and that any portion of any such separate district which, by any such alteration as aforesaid, shall become detached or excluded therefrom, shall, to all intents and purposes, again belong to and form part of the parish, chapelry, or district out of which such portion was taken, upon such separate district being originally constituted, or to and of any new district as shall be determined by the like authority:

"And whereas the said district of Gomersal was duly constituted out of the parish of Birstal, in the said county of York, and diocese of Ripon, under the provisions of the said first-recited Act, by a scheme prepared by us, and ratified by an Order of your Majesty in Council, bearing date the twenty-fifth day of February last, and since duly gazetted:

"And whereas the Reverend Edward Marston was duly licenced as the first minister of the said district on the twentieth day of September now last past:

"And whereas it has since been represented to us, and appears to us to be expedient, that the bounds of such district should be altered in the manner hereinafter mentioned:

"Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Thomas Bishop of Ripon, in testimony whereof he has signed and sealed this scheme, that the bounds of the said district of Gomersal shall be altered so as to exclude from such district all that part of the township of Gomersal, situate on the western side of an imaginary line, commencing at a point where the rivulet, which runs through the village of Spen, terminates in the stream which separates the said township of Gomersal from the township of Cleckheaton, and thence extending towards the north east along the bed of the said rivulet to the point (marked *a* on the map or plan hereunto annexed) where such rivulet first connects itself with the road in the village of Spen, and thence in a straight direction towards the north west to the centre of a certain boundary post (marked *b* as aforesaid) on the northern side of the Leeds and Elland turnpike road, and at a distance of four hundred and five yards, or thereabouts, from the crown and centre of Spen-bridge, on the said turnpike road, and thence continuing in the same direction to the boundary between the said township of Gomersal and the township of Hunsworth; and that the said imaginary line shall henceforth form part of the boundary of the said district of Gomersal on the western side thereof.

"And we further recommend and propose, that the portion of the said district which, by reason
