AT the Court at *Windsor*, the 19th day of *December* 1846,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the session holden in the seventh and eighth years of Her Majesty's reign, intituled " An Act to

" amend the law respecting the office of county coroner," it is enacted, that when and as often as it shall seem expedient to the justices of any county that such county should be divided into two or more districts for the purposes of that Act, or that any alteration should be made of any division theretofore made under that Act, it should be lawful for the said justices, in general or quarter sessions assembled, to resolve that a petition should be presented to Her Majesty, praying that such division or alteration be made, and thereupon to adjourn the further consideration of such petition until notice thereof be given to the coroner or coroners of such county as thereafter provided ; and it is thereby further enacted, that the clerk of the peace should give notice of any such resolution to every coroner for such county, and of the time when the petition would be taken by the said justices into consideration, and the justices should confer with every such coroner who should attend the meeting of the justices for that purpose touching such petition, having due regard to the size and nature of each proposed district, the number of the inhabitants, the nature of their employments, and such other circumstances as should appear to the justices fit to be considered in carrying into execution the provisions of that Act, and such petition, with a description of the several proposed districts, and of the boundaries thereof, with the reasons upon which the petition is founded, should be certified to Her Majesty, under the hands and seals of two or more justices present when such petition should be agreed to, and the clerk of the peace for such county should forthwith give or send a true copy of such petition, certified under his hand, to every coroner for such county ; and it is further enacted, that it should be lawful for Her Majesty, if she should think fit, with the advice of Her Privy Council, after taking into consideration any such petition which might be presented to Her by any coroner of the same county concerning such proposed division or alteration, or whenever it should seem fit to Her Majesty to direct the issue of a writ de coronatore eligendo, for the purpose of authorizing the election of an additional coroner above the number of those who had been theretofore customarily elected to such county, to order that such county should be divided into such and so many districts, for the

purposes of that Act, as to Her Majesty, with the advice aforesaid, should seem expedient, and to give a name to each of such districts, and to determine at what place within each district the court for the election of coroner for such district should be holden, as hereinafter provided, and every such Order should be published in the London Gazette; and whereas the justices of the peace of the county of Cumberland, assembled in general quarter sessions on the first day of July one thousand eight hundred and forty-five, did resolve that a petition should be presented to Her Majesty, praying for such division or alteration as therein-after mentioned, and did adjourn the further consideration thereof until their general quarter sessions to be holden, at Carlisle, on the first of July then next; due notice thereof having been given to the coroners of the said county, and two of the justices, attending such general quarter sessions, did thereby certify, under their hands and seals, that such petition was agreed to; and whereas the said justices have since presented their petition to Her Majesty, representing that, in and by an Act of Parliament, made and passed in the eighth year of the reign of Her Most Gracious Majesty, intituled "An Act to amend " the law respecting the office of county coroner," it was enacted, that when and as often as it should seem expedient to the justices of any county that such county should be divided into two or more districts for the purposes of the said Act, it should be lawful for the said justices, in general or quarter sessions assembled, to resolve that a petition should be presented to Her Majesty, praying that such division should be made, and thereupon to adjourn the further consideration of such petition until notice thereof should be given to the coroners of such county, in the manner in the said Act provided; that the petitioners, in pursuance of the power given to them in and by the said Act, at their last Michaelmas quarter sessions, did resolve, that a petition should be presented to Her Majesty, praying that the said county of Cumberland should be divided into two districts for the purposes of the said Act, and did thereupon adjourn the further consideration of such petition to their general quarter sessions to be holden, at Carlisle, on the first day of July then next; that notice of such resolution, and of the time when the petition would be taken by the

said justices into consideration, was given to the said coroners by the clerk of the peace in the manner in the said Act provided; that the petitioners have conferred with the coroners who attended the said meeting for that purpose, touching the present petition, and, having due regard to the size and nature of each proposed district, the number of the inhabitants, the nature of their employments, and such other circumstances as appeared to them fit to be considered in carrying into execution the provisions of the said Act, have resolved, that it is expedient that the said county should be divided into two districts for the purposes of the said Act, and that the said districts should be similar to and co-extensive with the present Parliamentary divisions of east and west Cumberland, and therefore praying, that Her Majesty will be graciously pleased to direct that such division be made of the said county of Cumberland into the said two districts; and the said justices represented that the said county should be divided into two districts for the purposes of the said Act, to be called by the several and respective names following, that is to say, No. 1, to be called the Eastern Division, being similar to and co-extensive with the eastern Parliamentary division of the said county, and containing the several parishes, townships, and places following, that is to say, Abbey-street, Aikton, Ainstable, Alston, Anthorn, Arthuret, Askerton, Bampton Great, Bampton Little, Beaumont, Belbank, Berrier and Murrh, Bewcastle, Blackwell High, Blackwell Low, Blencogo, Botcherley, Bolchergate, Boustead-hill, Bowness, Bowscale, Brampton, Brisco, Burgh, Burtholme, Caldergate, Carge, Carleton, Castle Carrock, Castle Sowerby, Castle-street, Catterfen, Corby Great and Warwick-bridge, Corby Little, Crofton, Croglin, Crosby on Eden, Culgaith, Cummersdale, Cumrew, Cumwhinton and Cotehill, Cumwhilton, Daere, Dalsion, Denton Nether, Denton Upper, Dumburgh, Dundraw, Eden-hall, English-street, Etterby, Farlam, Fenton and Faugh, Fingland, Fisher-street, Gamblesby, Glassonby, Greystoke, Grinsdale, Harraby, Hayton, Hesketh, Hethersgill, Houghton, Hunsby and Winskill, Hutton, Hutton John, Hutton Roof, Hutton Soil, Irthington, Kingmoor, Kingwater, Kirkandrews on Eden, Kirkandrews-Middle, Kirkandrews Moat, Kirkandrews Nether,

MARINE BARRACK CANTEENS.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, November 28, 1846.

NOTICE is hereby given, that, on Thursday the 17th of December next, at one o'clock, the Canteens in the under-mentioned Barracks will be let, from the 31st December next, to the 1st January 1850, by order of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character, nor any person for more than one Canteen, or who will not undertake, *bonâ fide*, to reside in or occupy the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and so all sums which may become due in respect of the said Canteen, and for the due performance of the several conditions and stipulations of the indenture of lease. The Revenue or other licences to be paid by the tenant.

The person whose proposal shall be accepted and his sureties must execute an indenture of lease and covenants relating thereto; the particulars whereof may be known by applying to this Office, or to the Barrack-Masters at the several Barracks.

The Christian and surnames of two respectable persons, with their professions and places of abode, who will join the tenant in executing the indenture of lease as his sureties, must be inserted in the proposals. The tenant is to pay half the value of the stamps on the indenture of lease upon executing the same; and it is to be understood, that the said Commissioners will not undertake to procure the tenant a licence.

A printed form of the tender and conditions may be had at this Office, or on application to the respective Barrack-Masters. No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner the words, "Tender for Marine Barrack Canteen," and must also be delivered at the Office of the Comptroller for Victualling and Transport Services, at Somerset-place.

By the Mutiny Act Canteens are not liable to have troops billeted on them.

As all persons becoming tenants of Canteens will be bound to the strict performance of the covenants of the indenture of lease, and to the full payment of the rent and privilege of sale to the troops, without any remission or reduction under any circumstances whatever, they are hereby cautioned to make themselves fully acquainted with the conditions of letting, prior to their making a proposal.

The rents of the Canteens as tenements or dwellings are to be proposed at the sums stated opposite to each in the following list, therefore the biddings will be upon what is offered for every ten men per month, exclusive of sergeants, occupying the

barracks, the number being ascertained from the Barrack-Master's Returns, made up at twelve o'clock at noon on the first day of every month, and no changes in the occupation of the barrack which may take place in the progress of the month, either for or against the tenant, will be taken into account. No less number than ten will be charged against the tenant, nor will any odd number be calculated; thus, if the barrack should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed, nor will any tenders be noticed except such as are strictly according to the form furnished.
