Worcester, Warwick and Rugby Railway Company.

I the undersigned, Henry George Ward, the Chairman of the Meeting of Shareholders in the above Company, called and held in pursuance of the provisions of the Act 9 & 10 Victoria, cap. 28, on the 3d day of December last, and continued by adjournment to and upon the 9th day of the same month, do hereby give notice, that I have received from Mr. William Frederick Spackman and Mr. Alfred Samuel, two of the persons appointed to act and acting as the Scrutineers at the said Meeting and adjourned Meeting, a further Declaration and Report, in the words and figures following, that is to say:—

“ Worcester, Warwick, and Rugby Railway Company.

“ We, the undersigned, being two of the Scrutineers appointed by the Shareholders in the above-named Company, on the 3d day of December last, having been called upon by a notice in writing, bearing the signature of Henry George Ward, Esq. the Chairman of the said Meeting, to make a return of certain matters not included in our Report delivered to the said Henry George Ward, at the Meeting held by adjournment, at the London Coffee-house, on Ludgate-hill, on the 9th day of December last, or in a certain other Report made by us on the 22d day of December last, and which Report we delivered to Messrs. Elmslie and Preston, at their request, acting as Solicitors for and on behalf of the said Henry George Ward,—Now we, the said Scrutineers, do further Report as follows: That at the Meeting held on the 3d day of December last, the votes of certain parties which had been taken and recorded by us, subject in all respects to verification, were objected to by many of the Shareholders assembled at such Meeting, whereupon the said Henry George Ward did then and there, in the presence of the Shareholders assembled at such Meeting, admit that a large number of shares, to wit, about 4,300, in the possession of him, the said Henry George Ward and others the Committee or Managers of the said Company, had been sent into the said Meeting, and that votes in respect of the same had been given by sundry persons employed for that purpose either by himself, the said Henry George Ward, or in pursuance of orders given by him and the said Henry George Ward, did at the same time, and in the presence of the Shareholders aforesaid, further state, that the said 4,300 shares had been delivered up to himself and others the Committee or Managers of the said Company, in pursuance of an agreement with the holders of the same, and that a sum of thirty shillings per share had been paid out of the funds of the said Company, in respect of the said 4,300 shares. And we further report, that on the occasion and in the presence of the Shareholders aforesaid, the said Henry George Ward did further state, that in consequence of the objections made by the Shareholders present to the votes given in respect of the said 4,300 shares

he, the said Henry George Ward, had further considered the matter, and that he would withdraw the votes given in respect of the said 4,300 shares. And we further report that on the occasion and in the presence of the Shareholders aforesaid, the said Henry George Ward did further state and promise, that every facility should be given by himself, the Chairman, and by the Secretary and officers of the said railway Company, to enable us, the said Scrutineers, to verify the statement made to us by him the said Henry George Ward, in respect of the said shares. And we further Report, that, in consequence of the said promise on the part of the said Henry George Ward, a correspondence hereinafter set forth took place between ourselves and the said Henry George Ward, and Mr. John Hughes, the Secretary of the said Company, and which correspondence was read to the Shareholders at the Meeting, held by adjournment, at the London Coffee-house, on the 9th day of December last, and was in the words following, that is to say:

“ 43, Moorgate-street, Dec. 4th, 1846.

“ To Mr. John Hughes, Secretary to the Worcester, Warwick and Rugby Railway Company.

“ Sir,—We the undersigned being, two of the Scrutineers, appointed to take and record the votes given at the Meeting of the Shareholders, held yesterday at the London Coffee-house, Ludgate-hill, do hereby require you to make out and return to us, in writing, a true and correct account of the numbers of the several certificates for shares in the above-named Railway Company, which are at this present time in the possession of the Committee of Management of the said Company, or any number of the same, or which have at any time heretofore and since the issue thereof, been surrendered and given up by the holders, in virtue of any arrangement to pay off or cancel the same.

(Signed)

“*W. F. Spackman.*

“*Alfred Samuel.*”

“ 43, Moorgate-street, December 7th, 1846.

“ Sir,—I beg to hand you the annexed copy of notice, left at the office of the Company on Saturday last. On full consideration of the difficulties in which the use of the 4,300 Scrip has placed the Scrutineers, Mr. Samuel and myself are of opinion, that no other course is open to us, and that it will be impossible for us to make up and sign any minutes of the next meeting, unless the demand herein made is in the interim complied with.

“ I have the honour to remain, Sir,

“ Your obedient Servant,

“*W. F. Spackman.*

“*H. G. Ward, Esq. M.P. &c.*”

“ 5, Gresham-street, 8th Dec. 1846.

Worcester, Warwick, and Rugby Railway Company.

“ Gentlemen,—In answer to your letter of the 4th December instant, I am instructed to say, that

the number of shares in respect of which votes were tendered at the Meeting of Shareholders, held on the 3rd instant, so far as I can form a judgment, was 4,240, and in accordance with the assurance then given by Mr. Ward, it is not intended to make use of the votes so tendered in affirmance of any proposition supported by the Directors, or so as in any way to influence the result of the meeting adjourned to Wednesday next. This information and renewed assurance will, of course, render unnecessary a compliance with the particular requisitions contained in your letter, and which I cannot admit your right as Scrutineers to make.

"I am, Gentlemen, your obedient Servant,
" *J. Hughes*, Secretary.

" *Mr. Spackman*.
" *Mr. Samuel*."

" 43, Moorgate-street, Dec. 8th, 1846.

" Worcester, Warwick, and Rugby Railway Company.

" Sir,—In reply to yours just received, we beg to say, that the 10th section of the Act imposes on us a very serious responsibility, and impressed not only with this, but a due sense of the duty which we owe to the Shareholders, we decline to adopt any other course than to require of you the particulars mentioned in our notice of Saturday last. We also beg you to remember, that at the Meeting, Mr. Ward expressly agreed that these particulars should be furnished on the following day for our government, to enable us to distinguish between the good and the bad votes, and to make up a correct return in accordance with the Act. Your present refusal to carry into effect the promise of Mr. Ward, is not calculated, we apprehend, to increase the confidence of the Shareholders in the present direction, and your responsibility for such conduct, it will be our duty to bring under the notice of the Meeting to be held to-morrow.

" We remain, Sir, your obedient Servant,
(Signed) " *W. F. Spackman*.
" *Alfred Samuel*.

" *John Hughes, Esq.*
" 5, Gresham-street."

" And we further report, that at the adjourned Meeting, held on the said 9th day of December, we made a Report in writing of the number of the votes taken and recorded by us, subject to verification as aforesaid, and of the special circumstances which prevented our being able to distinguish the votes given for and against the bankruptcy of the said Company, and in which report we demanded the right of inspecting the vouchers in possession of the said Henry George Ward, and the Officers of the said Railway Company, in order that we might verify the statement made to us by him, the said Henry George Ward, in respect of the said 4,240 shares. And we further report that the total number of the votes taken and recorded by us, subject to verification as aforesaid, and including those who voted

in respect of the 4,240 shares, referred to by the said Henry George Ward and the said John Hughes, on the several questions for the dissolution and bankruptcy of the said Company, were as follows:—

" For the dissolution	—	—	8975
" Against it	—	—	none
" For the bankruptcy	—	—	3190
" Against it	—	—	5625

" And we further report, that, in consequence of the refusal of the said Henry George Ward and the said John Hughes to produce the vouchers held by them, in respect of the said 4,240 shares, we have been unable to verify the votes given in respect of the same, and are, therefore, unable to certify that there was a sufficient number of good votes present at these meetings, to constitute a meeting under the Act, or that the question relating to the bankruptcy of the said Company was carried in the affirmative or negative. And we further report, that in the discharge of our duty, under the 9th and 10th Victoria, cap. 28, we will pursue all legal measures to verify the votes given in respect of the said 4,240 shares herein referred to, and as soon as the verification of the same shall have been completed, we will make a further report thereon.

" As witness our hands this 27th day of January 1847.

" *W. F. Spackman*, } Scrutineers."
" *Alfred Samuel*, }

And I hereby declare, that by this said further Report, taken together and in connection with the statement and report made by the Scrutineers on the said 9th day of December, which last-mentioned statement and report was published by me, together with the minutes of the other proceedings of the said meeting, in the London Gazette of the 29th day of December last, and in the same London daily newspapers as those in which the notices of the said meeting and adjourned meeting were advertised, it appears that the number of votes taken and recorded by the said Scrutineers was 8,975, being more than one-third of the number of shares issued prior to the 31st day of March 1846, and therefore sufficient to constitute a meeting under the provisions of the said Act. And further that the whole of such votes were given in affirmance of the question proposed for the dissolution of the said Company, that 3,190 of such votes were given in affirmance of the question also then proposed, that such dissolution shall be taken to be an act of Bankruptcy, and that 5,625 of such votes were given in affirmance of the question that such dissolution shall not be taken to be an act of Bankruptcy.

H. G. Ward.

5, Gresham Street, London, 5th February 1847.

" We, the undersigned, having been called upon, as Scrutineers, to countersign the foregoing minutes, do hereby certify, that we have no knowledge of so much of the foregoing statement, signed " *H. G. Ward*," as is contained in the following words, and against which we have placed our initials—that is to say :

"Which last-mentioned statement and report was published by me, together with the minutes of the other proceedings of the said Meeting, in the London Gazette of the 29th day of December last, and in the same London daily newspapers as those in which the notices of the said Meeting and adjourned Meeting were advertized."

And we further certify, that if any such minutes as are herein declared to have been advertized by the said Henry George Ward, were so advertized, the same were not signed by us, or any two of the Scrutineers, as required by the Act, and that such publication was to all intents and purposes illegal.

And we further hereby certify, that the Report made by us, on the 22nd of December last, and delivered to Messrs. Elmslie and Preston, acting as Solicitors for and on behalf of the said Henry George Ward, has not, at any time since the delivery thereof, been published by the said Henry George Ward, as the Act requires.

And we further certify, that until the verification of the 4,240 votes referred to in our report, shall have taken place, it does not appear to us that there were a sufficient number of good votes present to constitute a Meeting under the Act.

Dated the 10th day of February 1847.

W. F. Spackman.

Alfred Samuel.

Witness to the signatures of William Frederick Spackman and Alfred Samuel,

T. S. Spackman.

The undersigned having, in accordance with the provisions of the Act, signed and published the above Report, thinks it right to add, that he does not admit the irrelevant statements of the Scrutineers embodied in the Report, and in the special memorandum now annexed to it, or the conclusions which they seek to draw from the facts so assumed. The previous Report of the Scrutineers was published verbatim, as signed by them, and expressly finds, "That the number of Votes taken and recorded by them, was 8,975, being more than one third of the number of Shares issued prior to the 31st day of March 1846, and therefore sufficient to constitute a Meeting under the Act.—11th of February 1846.
