CONTRACT FOR BRITISH OAK TIMBER, THICKSTUFF, PLANK, AND TREENAILS.

Department of the Storekeeper
General of the Navy, Somerset-
Place, November 22, 1847.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Thursday the 13th January next, at one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying

10,000 Loads of British Oak Timber (rough contents, but to be delivered in a rough or sided state, as the said Commissioners shall direct);

3,700 Loads of British Oak Thickstuff and Plank;

And 300,000 British Oak Treenails;

to be delivered at Her Majesty's several Dock-yards, by the 31st of December 1848, at prices, including all carriage and other expences.

A tender may be made for the whole contract, or for the quantities required for any one or more of the yards, but not for less than the full quantities of timber, thickstuff, plank, and treenails required for any one yard.

A form of the tender, showing the distribution, sidings, and dimensions of the timber, thickstuff, plank, and treenails, and all other necessary particulars, may be had on application to this Office, by letter or otherwise.

No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner the words, "Tender for British Oak," and must also be delivered at Somerset-place, accompanied by a letter, signed by two responsible persons, engaging to become bound with the person tendering, in the sum of £13,000, for the due performance of the whole contract, or in a due proportion for a part only.
