AT the Court at *Osborne-House, Isle of Wight*, the 15th day of *April* 1848,

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of Her Majesty's reign, intituled "An Act to make better provision for the spiritual care of populous parishes," duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of April, in the year one thousand eight hundred and forty-eight, in the words following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the sixth and seventh years of your Majesty's reign, intituled "An Act "to make better provision for the spiritual care "of populous parishes," have prepared, and now humbly lay before your Majesty in Council, the following scheme, for constituting a separate district for spiritual purposes out of the parish of Halifax, in the county of York, and in the diocese of Ripon.

"Whereas it is by the said Act enacted, that if at any time it shall be made to appear to us, that it would promote the interests of religion, that any part or parts of any parish or parishes, chapelry or chapelries, district or districts, of great extent, and containing a large population, and wherein, or in parts whereof, the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, or any extra-parochial place or places, or any part or parts thereof, should be constituted a separate district for spiritual purposes, it shall be lawful, by the authority in the same Act provided (that is to say, by a scheme prepared by us, and an Order issued by your Majesty in Council, ratifying such scheme), with the consent of the bishop of the diocese, under his hand and seal, to set out by metes and bounds, and constitute a separate district accordingly, such district not then containing within its limits any consecrated church or chapel in use for the purposes of divine worship, and to fix and declare the name of such district; and it is by the same Act provided, that the draft of any

249
101

scheme for constituting any such district shall be delivered or transmitted to the incumbent and to the patron or patrons of the church or chapel of any parish, chapelry, or district out of which it is recommended that any such district, or any part thereof, should be taken, in order that such incumbent, patron or patrons, may have an opportunity of offering or making to us, or to such bishop, any observations or objections upon or to the constituting of such district; and that such scheme shall not be laid before your Majesty in Council until after the expiration of one calendar month next after such copy shall have been so delivered or transmitted, unless such incumbent and patron or patrons shall, in the mean time, consent to the same; and it is by the same Act also provided, that in every such scheme for constituting any such district we shall recommend to your Majesty in Council that the minister of such district, when duly licensed according to the same Act, shall be permanently endowed, under the provisions of the same Act, to an amount of not less than the annual value of one hundred pounds; and also, if such endowment be of less than the annual value of one hundred and fifty pounds, that the same shall be increased to such last-mentioned amount at the least, so soon as such district shall have become a new parish as hereinafter provided :

“ And whereas the said parish of Halifax is of great extent, and contains a large population, and the provision for public worship and for pastoral superintendence therein is insufficient for the spiritual wants of the inhabitants thereof; and it has been made to appear to us, that it would promote the interests of religion, that the particular part of such parish hereinafter mentioned, such part not at present containing within its limits any consecrated church or chapel in use for the purposes of divine worship, should be constituted a separate district in manner hereinafter set forth :

“ Now, therefore, we humbly recommend and propose, with the consent of the Right Reverend Charles Thomas Bishop of Ripon, in testimony whereof he has signed and sealed this scheme, that all that part of the said parish of Halifax, described in the schedule hereunto annexed,—all which part, together with the boundaries thereof, is delineated and set forth in the map or plan hereunto also annexed,—shall be constituted a

separate district for spiritual purposes accordingly, and that the same shall be named, “ The District of Saint Mary, Sowerby.”

“ And we further recommend and propose, that there shall be paid by us, in each and every year, to the minister for the time being of the district so recommended to be constituted, when duly licensed according to the said Act, the sum of one hundred pounds; and upon any building within such district being duly licensed by the bishop of the diocese for the performance of divine service, according to the same Act, there shall be paid by us, in like manner, to such minister, the further sum of thirty pounds, making in the whole the sum of one hundred and thirty pounds; and that so soon as any church or chapel within such district shall have been duly approved by us, and consecrated as the church or chapel of such district, for the use and service of the minister and inhabitants thereof, and such district shall have thereupon become, according to the provisions of the same Act, a new parish for ecclesiastical purposes, there shall be paid by us, in each and every year, to the perpetual curate for the time being of such new parish, the sum of one hundred and fifty pounds; and that the said sum of one hundred pounds, one hundred and thirty pounds, or one hundred and fifty pounds, as the case may be, shall be paid, by equal half-yearly payments, on the first day of May and the first day of November in each and every year; and that the first such payment, or a proportionate part thereof, shall be made on the first day of May or of November next after the day of the date of the licence of such minister or of such building, or of the consecration of such church or chapel as aforesaid, as the case may be; and that in case a vacancy in the ministry or perpetual curacy of such district or new parish shall happen on any other day than the first day of May or the first day of November, the amount payable shall be duly apportioned between and paid to the minister or the perpetual curate making the vacancy, or his personal representative or representatives, and the minister or the perpetual curate succeeding to such district or new parish.

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures

relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

“ SCHEDULE.

“ The district of SAINT MARY, SOWERBY, being—

“ All those parts of the townships of Sowerby and Soyland, in the parish of Halifax, in the county of York, and in the diocese of Ripon, comprised, within and bounded by an imaginary line commencing at a point (marked *a* on the map or plan hereunto annexed) in the middle of the turnpike road from Rochdale to Halifax near to Kebroyd Bridge where the townships join, and at a distance of two hundred and twenty feet from the middle of the road leading to Mill Bank, and thence extending westward in the same direction with such last-mentioned road, and on the northern side thereof at a distance of two hundred and twenty feet from the middle of such road as far as the public footpath (marked *b* as aforesaid) leading to Spout Field, and thence towards the north west along the middle of such public footpath across the road from Sowerby Town to Millbank, and along the middle of the road from Spout Field aforesaid, by or past Elm Farm as far as the road from Cotton Stones to Hubberton, and thence in the same direction along the middle of the road leading across Rat Row Moor by Parkin Hall to Holy End and Hawking Clough as far as Shaws-lane Farm, and thence in the same direction along the public footpath leading near Crow Hill End Farm to the boundary of the district of St. John in the Wilderness, in the same county and diocese, and thence towards the south west along such boundary as far as the boundary between the townships of Sowerby and Soyland aforesaid, and thence westward along such last-mentioned boundary to the boundary between the counties of York and Lancaster, and thence towards the south east along such last-mentioned boundary as far as the turnpike road aforesaid from Rochdale to Halifax, and thence eastward along the middle of such turnpike road as far as Baitings Gate, and thence towards the north east along the middle of the old road leading to Halifax by Baitings, Blue Ball, and Upper Shay, to a point (marked *c* as aforesaid) opposite to the middle of the new road leading from Upper

Crosswells, to Dyson-lane, and thence eastward along the middle of such new road to a point at the distance of two hundred feet from the middle of the aforesaid old road, and thence towards the north east in the same direction with such last-mentioned road leading to Halifax and on the eastern side thereof at a distance of two hundred feet from the middle of such road as far as the road leading from Millbank aforesaid to Soyland Town, and thence northward along the middle of the lane leading by Highfield to Kebroyd-lane as far as such last-mentioned lane, and thence eastward along the middle of Kebroyd-lane aforesaid as far as the turnpike road from Rochdale to Halifax aforesaid, and thence northward along the middle of such road to the point where the said imaginary line commenced.”

And whereas the draft of the said scheme has been transmitted to the incumbent and to the patron of the church of the parish, and to the incumbents and patron of the churches or chapels of the chapelries, out of which which it is intended that the district therein recommended to be constituted shall be taken, pursuant to the provisions of the said Act; and such incumbents and patrons have respectively consented to the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Ripon.
